The Xerox® Paper and Specialty Media Line now offers more Forest Stewardship Council® (FSC®) certified products than ever before

Along with the new packaging look, product line reorganization and series of product enhancements, the Xerox® Paper and Specialty Media Line now offers more Forest Stewardship Council® (FSC®) certified products than ever before. Nearly all of the Xerox® Vitality™ Multipurpose Printer Papers and the Xerox® Bold™ Digital Printing Papers are FSC® certified, as well as made in the USA and Canada.

"Domtar is fully committed to the environment, and sustainability practices have always been one of our key pillars. It was really important to us that the Xerox® Paper and Specialty Media Line, as one of our flagship brands, should carry the gold standard of forest certification," said Paige Goff, Vice President, Sustainability & Business Communications at Domtar.

Xerox® Paper and Specialty Media FSC® Certified Products:

Xerox® Vitality™ Multipurpose Printer Paper

By purchasing FSC certified products, environmentally and socially responsible companies and consumers do their part to protect the environment by ensuring sustainable forestry practices through certification. Certification includes standards for responsible forestry practices such as:

- Preventing the loss of natural forest cover
- Protecting water quality
- Prohibiting the use of highly hazardous chemicals
- Limiting clear-cuts to preserve forest ecology
- Protecting customary rights of indigenous peoples and local communities

Xerox® Paper and Specialty Media Products are distributed by Domtar's Enterprise Group and are widely available for purchase through office supply dealers, paper merchants, office supply stores, online as well as in select retail stores.
