NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(IN MILLIONS OF DOLLARS, UNLESS OTHERWISE NOTED)
(UNAUDITED)

NOTE 1. BASIS OF PRESENTATION

The accompanying unaudited consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q and, in the opinion of Management, include all adjustments that are necessary for the fair statement of Domtar Corporation's ("the Company") financial position, results of operations, and cash flows for the interim periods presented. Except as disclosed in the Notes to Consolidated Financial Statements, such adjustments are of a normal, recurring nature. Results for the first six months of the year may not necessarily be indicative of full year results. It is suggested that these consolidated financial statements be read in conjunction with the audited consolidated financial statements and the notes thereto included in the Domtar Corporation Annual Report on Form 10-K for the fiscal year ended December 31, 2011, as filed with the Securities and Exchange Commission. The December 31, 2011 Consolidated Balance Sheet, presented for comparative purposes in this interim report, was derived from audited consolidated financial statements, but does not include all disclosures required by accounting principles generally accepted in the United States of America.

To conform with the basis of presentation adopted in the current period, certain figures previously reported in the Statements of Cash Flows, have been reclassified.

NOTE 2. RECENT ACCOUNTING PRONOUNCEMENTS

ACCOUNTING CHANGES IMPLEMENTED

COMPREHENSIVE INCOME

In June 2011, the FASB issued changes to the presentation of comprehensive income. These changes give an entity the option to present the total of comprehensive income, the components of net income, and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements; the option to present components of other comprehensive income as part of the statement of changes in shareholders' equity was eliminated. The items that must be reported in other comprehensive income or when an item of other comprehensive income must be reclassified to net income were not changed. Additionally, no changes were made to the calculation and presentation of earnings per share. The Company adopted the new requirement on January 1, 2012 with no impact on the Company's consolidated financial statements except for the change in presentation. The Company has chosen to present a single continuous statement of comprehensive income.

NOTE 3. ACQUISITION OF BUSINESSES*EAM Corporation*

On May 10, 2012, Domtar Corporation completed the acquisition of 100% of the outstanding shares of EAM Corporation ("EAM"). EAM manufactures high quality airlaid and ultrathin laminated absorbent cores used in feminine hygiene, adult incontinence, baby diapers, and other medical healthcare and performance packaging solutions. EAM operates a manufacturing, research and development and distribution facility in Jesup, Georgia. EAM has 53 employees. The results of EAM's operations have been included in the consolidated financial statements since May 1, 2012, the effective date of the transaction, and are presented in the Personal Care reportable segment. The purchase price was \$61 million in cash, including working capital, net of cash acquired of \$1 million. The acquisition was accounted for as a business combination under the acquisition method of accounting, in accordance with the Business Combinations Topic of FASB Accounting Standards Codification ("ASC").

The total purchase price was allocated to tangible and intangible assets acquired and liabilities assumed based on the Company's preliminary estimates of their fair value, which was based on information currently available. The items to be finalized are intangible assets, including their expected useful lives, both current and non-current deferred tax liabilities which are subject to change, pending the finalization of certain tax returns and residual goodwill. The Company will complete the valuation of all assets and liabilities within the next twelve months.

The table below illustrates the purchase price allocation:

NOTE 3. ACQUISITION OF BUSINESSES (CONTINUED)*Attends Healthcare Limited*

On March 1, 2012, Domtar Corporation completed the acquisition of 100% of the outstanding shares of Attends Healthcare Limited ("Attends Europe"). Attends Europe manufactures and supplies adult incontinence care products in Europe. Attends Europe operates a manufacturing, research and development and distribution facility in Aneby, Sweden and also operates distribution centers in Scotland and Germany. Attends Europe has approximately 456 employees. The results of Attends Europe's operations have been included in the consolidated financial statements since March 1, 2012, and are presented in the Personal Care reportable segment. The purchase price was \$232 million (€ 173 million) in cash, including working capital, net of acquired cash of \$4 million (€ 3 million). The acquisition was accounted for as a business combination under the acquisition method of accounting, in accordance with the Business Combinations Topic of FASB Accounting Standards Codification ("ASC").

The total purchase price was allocated to tangible and intangible assets acquired and liabilities assumed based on the Company's estimates of their fair value, which was based on information currently available. During the second quarter of 2012, the Company completed the evaluation of all assets and liabilities. The Company is still reviewing the expected useful lives of intangible assets.

The table below illustrates the purchase price allocation:

Fair value of net assets acquired at the date of acquisition	
Receivables	21

(1) Indefinite useful life.

(2) The useful life of the Customer relationships acquired is expected to be 30 years.

For both acquisitions, goodwill represents the future economic benefit arising from other assets acquired that could not be individually identified and separately recognized. The goodwill is attributable to the general reputation of the business, the assembled workforce, and the expected future cash flows of the business. Disclosed goodwill is not deductible for tax purposes. Pro forma results have not been provided, as these acquisitions have no material impact on the Company.

NOTE 4. DERIVATIVES AND HEDGING ACTIVITIES AND FAIR VALUE MEASUREMENT

INTEREST RATE RISK

The Company is exposed to interest rate risk arising from fluctuations in interest rates on its cash and cash equivalents, its bank indebtedness, its bank credit facility and its long-term debt. The Company may manage this interest rate exposure through the use of derivative instruments such as interest rate swap contracts.

CREDIT RISK

The Company is exposed to credit risk on the accounts receivable from its customers. In order to reduce this risk, the Company reviews new customers' credit history before granting credit and conducts regular reviews of existing customers' credit performance. As at June 30, 2012, one of Domtar's Paper segment customers located in the United States represented 10% (\$67 million) ((2011 – 9% (\$58 million)) of the receivables.

The Company is also exposed to credit risk in the event of non-performance by counterparties to its financial instruments. The Company minimizes this exposure by entering into contracts with counterparties that are believed to be of high credit quality. Collateral or other security to support financial instruments subject to credit risk is usually not obtained. The credit standing of counterparties is regularly monitored. Additionally, the Company is exposed to credit risk in the event of non-performance by its insurers. The Company minimizes this exposure by doing business only with large reputable insurance companies.

COST RISK

Cash flow hedges:

The Company purchases natural gas at the prevailing market price at the time of delivery. In order to manage the cash flow risk associated with purchases of natural gas, the Company may utilize derivative financial instruments or physical purchases to fix the price of forecasted natural gas purchases. The Company formally documents the hedge relationships, including identification of the hedging instruments and the hedged items, the risk management objectives and strategies for undertaking the hedge transactions, and the methodologies used to assess effectiveness and measure ineffectiveness. Current contracts are used to hedge forecasted purchases over the next three years. The effective portion of changes in the fair value of derivative contracts designated as cash flow hedges is recorded as a component of Accumulated other comprehensive loss within Shareholders' equity, and is recognized in Cost of sales in the period in which the hedged transaction occurs.

NOTE 4. DERIVATIVES AND HEDGING ACTIVITIES AND FAIR VALUE MEASUREMENT (CONTINUED)

The following table presents the volumes under derivative financial instruments for natural gas contracts outstanding as of June 30, 2012 to hedge forecasted purchases:

Commodity	Notional contractual quantity under derivative contracts		Notional contractual value under derivative contracts (in millions of dollars)	Percentage of forecasted purchases under derivative contracts for		
				2012	2013	2014
Natural gas	8,160,000	MMBTU ⁽¹⁾	\$ 37	32%	27%	14%

(1) MMBTU: Millions of British thermal units

The natural gas derivative contracts were fully effective for accounting purposes as of June 30, 2012. The critical terms of hedging instruments and the hedged items match. As a result, there were no amounts reflected in the Consolidated Statements of Earnings and Other comprehensive income for the three and six months ended June 30, 2012 resulting from hedge ineffectiveness (three and six months ended June 30, 2011 – nil).

FOREIGN CURRENCY RISK

Cash flow hedges:

The Company has manufacturing operations in the United States, Canada, Sweden and China. As a result, it is exposed to movements in foreign currency exchange rates in Canada and Europe. Moreover, certain assets and liabilities are denominated in currencies other than the U.S. dollar and are exposed to foreign currency movements. As a result, the Company's earnings are affected by increases or decreases in the value of the Canadian dollar and of other European currencies relative to the U.S. dollar. The Company's Swedish subsidiary is exposed to movements in foreign currency exchange rates on transactions denominated in a different currency than its Euro functional currency. The Company's risk management policy allows it to hedge a significant portion of its exposure to fluctuations in foreign currency exchange rates for periods up to three years. The Company may use derivative instruments (currency options and foreign exchange forward contracts) to mitigate its exposure to fluctuations in foreign currency exchange rates or to designate them as hedging instruments in order to hedge the subsidiary's cash flow risk for purposes of the consolidated financial statements. Foreign exchange forward contracts are contracts whereby the Company has the obligation to buy foreign currencies at a specific rate. Currency options contracts purchased are contracts whereby the Company has the right, but not the obligation, to buy foreign currencies at the strike rate if the foreign currency trades above that rate. Currency options contracts sold are contracts whereby the Company has the obligation to buy foreign currencies at the strike rate if the foreign currency trades below that rate.

The Company formally documents the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategies for undertaking the hedge transactions. Foreign exchange currency options contracts used to hedge forecasted purchases in Canadian dollars by the Canadian subsidiary and forecasted sales in British Pound Sterling and purchases in U.S. dollars by the Swedish subsidiary are designated as cash flow hedges. Current contracts are used to hedge forecasted purchases over the next 12 months. The effective portion of changes in the fair value of derivative contracts designated as cash flow hedges is recorded as a component of Accumulated other comprehensive loss within Shareholders' equity, and is recognized in Cost of sales in the period in which the hedged transaction occurs.

NOTE 4. DERIVATIVES AND HEDGING ACTIVITIES AND FAIR VALUE MEASUREMENT (CONTINUED)

Net investment hedge:

The Company uses foreign exchange currency option contracts to hedge the net assets of Attends Healthcare Limited to offset the foreign currency translation and economic exposures related to its investment in the subsidiary. The Company is exposed to movements in foreign currency exchange rates of the Euro versus the U.S. dollar as Attends Healthcare Limited has a Euro functional currency whereas the Company has a U.S. dollar functional and reporting currency. Current contracts are used to hedge the net investment over the next 9 months. The effective portion of changes in the fair value of derivative contracts designated as net investment hedges is recorded in Accumulated other comprehensive loss within Shareholders' equity as part of the Foreign currency translation adjustments.

The following table presents the currency values under contracts pursuant to currency options outstanding as of June 30, 2012 to hedge forecasted purchases and the net investment:

Contract	Notional contractual value		Percentage of forecasted net exposures under contracts for	
			2012	2013
Currency options purchased	CDN	\$ 400	50%	25%
	EUR	€ 175.5	100%	100%
	USD	\$ 40	95%	46%
	GBP	£ 22	100%	48%
Currency options sold	CDN	\$ 400	50%	25%
	EUR	€ 75.5	43%	43%
	USD	\$ 40	95%	46%
	GBP	£ 22	100%	48%

The currency options are fully effective as at June 30, 2012. The critical terms of the hedging instruments and the hedged items match. As a result, there were no amounts reflected in the Consolidated Statements of Earnings and Comprehensive income for the three and six months ended June 30, 2012 resulting from hedge ineffectiveness (three and six months ended June 30, 2011 – nil).

FAIR VALUE MEASUREMENT

The accounting standards for fair value measurement and disclosures, establishes a fair value hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value into three levels. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is available and significant to the fair value measurement.

Level 1	Quoted prices in active markets for identical assets or liabilities.
Level 2	Observable inputs other than quoted prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
Level 3	Inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables present information about the Company's financial assets and financial liabilities measured at fair value on a recurring basis (except Long-term debt, see (c) below) at June 30, 2012 and December 31, 2011, in accordance with the accounting standards dealing with fair value measurement and disclosures and indicates the fair value hierarchy of the valuation techniques utilized by the Company to determine such fair value.

- (a) Fair value of the Company's derivatives is classified under Level 2 (inputs that are observable; directly or indirectly) as it is measured as follows:
- For currency options: Fair value is measured using techniques derived from the Black-Scholes pricing model. Interest rates, forward market rates and volatility are used as inputs for such valuation techniques.
 - For natural gas contracts: Fair value is measured using the discounted difference between contractual rates and quoted market future rates.
- (b) Fair value of asset backed commercial paper ("ABCP") investments is classified under Level 3 and is mainly based on a discounted cash flow financial model incorporating uncertainties regarding return, credit spreads, the nature and credit risk of underlying assets, the amounts and timing of cash inflows and the limited market for the notes at June 30, 2012 and December 31, 2011.
- (c) Fair value of the Company's long-term debt is measured by comparison to market prices of its debt. In accordance with US GAAP, the Company's long-term debt is not carried at fair value on the Consolidated Balance Sheets at June 30, 2012 and December 31, 2011. However, fair value disclosure is required. The carrying value of the Company's long-term debt is \$956 million and \$841 million at June 30, 2012 and December 31, 2011, respectively.

Due to their short-term maturity, the carrying amounts of cash and cash equivalents, receivables, bank indebtedness, trade and other payables and income and other taxes approximate their fair values.

NOTE 11. CLOSURE AND RESTRUCTURING COSTS AND LIABILITY

The Company regularly reviews its overall production capacity with the objective of adjusting its production capacity with anticipated long-term demand.

Ottawa/ Gatineau Hydro Assets

On June 13, 2012, the Company announced the signing of a Definitive Purchase and Sale Agreement for the sale of its hydro assets in Ottawa, Ontario and Gatineau, Quebec for CDN\$45 million. The assets have a carrying value of CDN\$44 million classified as Property, plant and equipment on the Consolidated Balance Sheets. The transaction includes three power stations (21MW of installed capacity), water rights in the area, as well as Domtar Inc.'s equity stake in the Chaudière Water Power Inc. ring dam consortium. The purchaser is Energy Ottawa Inc., the renewable energy subsidiary of Hydro Ottawa Holding Inc. Currently; the Company has approximately 12 workers operating the hydro assets in Ottawa/ Gatineau which will become employees of Chaudière Hydro L.P., a subsidiary of Energy Ottawa Inc. upon closing of the transaction.

As a result of the signing of the definitive agreement, the Company assessed whether this transaction met the criteria for assets held for sale. Transfer of some of the water rights and subdivision of some lands require government consent. Given that the transfer of the water rights and the subdivision of some lands have a certain degree of uncertainty, the Company concluded the criteria for assets held for sale accounting was not met.

BANK FACILITY

On June 15, 2012, the Company amended and restated its existing Credit Agreement (the "Credit Agreement"), among the Company and certain of its subsidiaries as borrowers (collectively, the "Borrowers") and the lenders and agents party thereto. The Credit Agreement amended the Company's existing \$600 million revolving credit facility that was scheduled to mature June 23, 2015.

The Credit Agreement provides for a revolving credit facility (including a letter of credit sub-facility and a swingline sub-facility) that matures on June 15, 2017. The maximum aggregate amount of availability under the revolving Credit Agreement is \$600 million, which may be borrowed in US Dollars, Canadian Dollars (in an amount up to the Canadian Dollar equivalent of \$150 million) and Euros (in an amount up to the Euro equivalent of \$200 million). Borrowings may be made by the Company, by its U.S. subsidiary Domtar Paper Company, LLC, by its Canadian subsidiary Domtar Inc. and by any additional borrower designated by the Company in accordance with the Credit Agreement. The Company may increase the maximum aggregate amount of availability under the revolving Credit Agreement by up to \$400 million, and the Borrowers may extend the final maturity of the Credit Agreement by one year, if, in each case, certain conditions are satisfied, including (i) the absence of any event of default or default under the Credit Agreement and (ii) the consent of the lenders participating in each such increase or extension, as applicable.

Borrowings under the Credit Agreement will bear interest at a rate dependent on the Company's credit ratings at the time of such borrowing and will be calculated at the Borrowers' option according to a base rate, prime rate, LIBO rate, EURIBO rate or the Canadian bankers' acceptance rate plus an applicable margin, as the case may be. In addition, the Company must pay facility fees quarterly at rates dependent on the Company's credit ratings.

The Credit Agreement contains customary covenants for transactions of this type, including two financial covenants: (i) an interest coverage ratio, as defined in the Credit Agreement, that must be maintained at a level of not less than 3.0 to 1 and (ii) a leverage ratio, as defined in the Credit Agreement, that must be maintained at a level of not greater than 3.75 to 1. At June 30, 2012, the Company was in compliance with the covenants.

All borrowings under the Credit Agreement are unsecured. However, certain domestic subsidiaries of the Company will unconditionally guarantee any obligations from time to time arising under the Credit Agreement, and certain subsidiaries of the Company that are not organized in the United States will unconditionally guarantee any obligations of Domtar Inc., the Canadian subsidiary borrower, or of additional borrowers that are not organized in the United States, under the Credit Agreement, in each case, subject to the provisions of the Credit Agreement.

STOCK REPURCHASE PROGRAM

On May 4, 2010, the Company's Board of Directors authorized a stock repurchase program ("the Program") of up to \$150 million of Domtar Corporation's common stock. On May 4, 2011, the Company's Board of Directors approved an increase to the Program from \$150 million to \$600 million. On December 15, 2011, the Company's Board of Directors approved another increase to the Program from \$600 million to \$1 billion. Under the Program, the Company is authorized to repurchase from time to time shares of its outstanding common stock on the open market or in privately negotiated transactions in the United States. The timing and amount of stock repurchases will depend on a variety of factors, including the market conditions as well as corporate and regulatory considerations. The Program may be suspended, modified or discontinued at any time and the Company has no obligation to repurchase any amount of its common stock under the Program. The Program has no set expiration date. The Company repurchases its common stock, from time to time, in part to reduce the dilutive effects of its stock options, awards, and employee stock purchase plan and to improve shareholders' returns.

During 2011 and the first half of 2012, the Company made open market purchases of its common stock using general corporate funds. Additionally, the Company entered into structured stock repurchase agreements with large financial institutions using general corporate funds in order to lower the average cost to acquire shares. The agreements required the Company to make up-front payments to the counterparty financial institutions which resulted in either the receipt of stock at the beginning of the term of the agreements followed by a share adjustment at the maturity of the agreements, or the receipt of either stock or cash at the maturity of the agreements, depending upon the price of the stock.

During the first half of 2012, the Company repurchased 929,073 shares at an average price of \$80.84 for a total cost of \$75 million. Of the \$75 million shares repurchased, \$2 million was payable at June 30, 2012.

During the first half of 2011, the Company repurchased 2,472,004 shares at an average price of \$94.92 for a total cost of \$234 million.

Since the inception of the Program, the Company repurchased 7,588,851 shares at an average price of \$80.90 for a total cost of \$614 million. All shares repurchased are recorded as Treasury stock on the Consolidated Balance Sheets under the par value method at \$0.01 per share.

ENVIRONMENT

The Company is subject to environmental laws and regulations enacted by federal, provincial, state and local authorities.

An action was commenced by Seaspan International Ltd. ("Seaspan") in the Supreme Court of British Columbia, on March 31, 1999 against Domtar Inc. and others with respect to alleged contamination of Seaspan's site bordering Burrard Inlet in North Vancouver, British Columbia, including contamination of sediments in Burrard Inlet, due to the presence of creosote and heavy metals. On February 16, 2010, the government of British Columbia issued a Remediation Order to Seaspan and Domtar Inc. in order to define and implement an action plan to address soil, sediment and groundwater issues. This Order was appealed to the Environmental Appeal Board ("Board") on March 17, 2010 but there is no suspension in the execution of this Order unless the Board orders otherwise. The appeal hearing has been re-scheduled for the spring of 2013. The relevant government authorities selected a remediation plan on July 15, 2011. In the interim, no stay of execution has been granted or requested. The Company has recorded an environmental reserve to address its estimated exposure for this matter.

The following table reflects changes in the reserve for environmental remediation and asset retirement obligations:

Balance at December 31, 2011	\$ 92

Climate change regulation

Since 1997, when an international conference on global warming concluded an agreement known as the Kyoto Protocol, which called for reductions of certain emissions that may contribute to increases in atmospheric greenhouse gas ("GHG") concentrations, various international, national and local laws have been proposed or implemented focusing on reducing GHG emissions. These actual or proposed laws do or may apply in the countries where the Company currently has, or may have in the future, manufacturing facilities or investments.

In the United States, Congress has considered legislation to reduce emissions of GHGs, although it appears unlikely that any legislation will be actively considered again until after the 2012 elections. Several states already are regulating GHG emissions from public utilities and certain other significant emitters, primarily through regional GHG cap-and-trade programs. Furthermore, the U.S. Environmental Protection Agency ("EPA") has adopted and implemented GHG permitting requirements for new sources and modifications of existing industrial facilities and has recently proposed GHG performance standards for electric utilities under the agency's existing Clean Air Act authority. Passage of GHG legislation by Congress or individual states, or the adoption of regulations by the EPA or analogous state agencies, that restrict emissions of GHGs in areas in which the Company conducts business could have a variety of impacts upon the Company, including requiring it to implement GHG containment and reduction programs or to pay taxes or other fees with respect to any failure to achieve the mandated results. This, in turn, will increase the Company's operating costs, which, to the extent passed through to customers, could reduce demand for the Company's products. However, the Company does not expect to be disproportionately affected by these measures compared with other pulp and paper producers in the United States.

The province of Quebec initiated, as part of its commitment to the Western Climate Initiative ("WCI"), a GHG cap-and-trade system on January 1, 2012. Reduction targets for Quebec have been promulgated and will be effective January 1, 2013. The Company does not expect the cost of compliance will have a material impact on the Company's financial position, results of operations or cash flows. With the exception of the British Columbia carbon tax, which applies to the purchase of fossil fuels within the province and which was implemented in 2008, there are presently no federal or provincial legislation on regulatory obligations that affect the emission of GHGs for the Company's pulp and paper operations elsewhere in Canada.

While it is likely that there will be increased regulation relating to GHG emissions in the future, at this time it is not possible to estimate either a timetable for the promulgation or implementation of any new regulations or the Company's cost of compliance to said regulations. The impact could, however, be material.

Industrial Boiler Maximum Achievable Controlled Technology Standard ("MACT")

On December 2, 2011, the EPA proposed a new set of standards related to emissions from boilers and process heaters included in the Company's manufacturing processes. These standards are generally referred to as Boiler MACT and seek to require reductions in the emission of certain hazardous air pollutants or surrogates of hazardous air pollutants. A final version of this Rule, as well as associated rules related to solid waste incinerators and the definition of fuels, is expected before the end of the third quarter of 2012. It is anticipated that compliance will be required by the end of 2015 for existing emission units or upon startup for any new emission units. Domtar expects that the capital cost required to comply with the Boiler MACT rules, as they were published in December 2011, is between \$37 million and \$42 million. Domtar is currently assessing the associated increase in operating costs as well as alternate compliance strategies.

NOTE 14. COMMITMENTS AND CONTINGENCIES (CONTINUED)

Domtar is also a party to various proceedings relating to the cleanup of hazardous waste sites under the Comprehensive Environmental Response Compensation and Liability Act, commonly known as "Superfund," and similar state laws. The EPA and/or various state agencies have notified the Company that it may be a potentially responsible party with respect to other hazardous waste sites as to which no proceedings have been instituted against the Company. Domtar continues to take remedial action under its Care and Control Program, as such sites mostly relate to its former wood preserving operating sites, and a number of operating sites due to possible soil, sediment or groundwater contamination. The investigation and remediation process is lengthy and subject to the uncertainties of changes in legal requirements, technological developments and, if and when applicable, the allocation of liability among potentially responsible parties.

CONTINGENCIES

In the normal course of operations, the Company becomes involved in various legal actions mostly related to contract disputes, patent infringements, environmental and product warranty claims, and labor issues. While the final outcome with respect to actions outstanding or pending at June 30, 2012, cannot be predicted with certainty, it is management's opinion that, except as noted below, their resolution will not have a material adverse effect on the Company's financial position, results of operations or cash flows.

On July 31, 1998, Domtar Inc. (now a 100% owned subsidiary of Domtar Corporation) acquired all of the issued and outstanding shares of E.B. Eddy Limited and E.B. Eddy Paper, Inc. ("E.B. Eddy"), an integrated producer of specialty paper and wood products. The purchase agreement included a purchase price adjustment whereby, in the event of the acquisition by a third party of more than 50% of the shares of Domtar Inc. in specified circumstances, Domtar Inc. may be required to pay an increase in consideration of up to a maximum of \$118 million (CDN\$120 million), an amount gradually declining over a 25-year period. At March 7, 2007, the maximum amount of the purchase price adjustment was approximately \$108 million (CDN\$110 million).

On March 14, 2007, the Company received a letter from George Weston Limited (the previous owner of E.B. Eddy and a party to the purchase agreement) demanding payment of \$108 million (CDN\$110 million) as a result of the consummation of the series of transactions whereby the Fine Paper Business of Weyerhaeuser Company was transferred to the Company and the Company acquired Domtar Inc. (the "Transaction"). On June 12, 2007, an action was commenced by George Weston Limited against Domtar Inc. in the Superior Court of Justice of the Province of Ontario, Canada, claiming that the consummation of the Transaction triggered the purchase price adjustment and sought a purchase price adjustment of \$108 million (CDN\$110 million) as well as additional compensatory damages. The Company does not believe that the consummation of the Transaction triggers an obligation to pay an increase in consideration under the purchase price adjustment and intends to defend itself vigorously against any claims with respect thereto. However, the Company may not be successful in the defense of such claims, and if the Company is ultimately required to pay an increase in consideration, such payment may have a material adverse effect on the Company's financial position, results of operations or cash flows. On March 31, 2011, George Weston Limited filed a motion for summary judgment which the Company expects to be resolved by the Court in due course. No provision is recorded for this matter.

INDEMNIFICATIONS

In the normal course of business, the Company offers indemnifications relating to the sale of its businesses and real estate. In general, these indemnifications may relate to claims from past business operations, the failure to abide by covenants and the breach of representations and warranties included in the sales agreements. Typically, such representations and warranties relate to taxation, environmental, product and employee matters. The terms of these indemnification agreements are generally for an unlimited period of time. At June 30, 2012, the Company is unable to estimate the potential maximum liabilities for these types of indemnification guarantees as the amounts are contingent upon the outcome of future events, the nature and likelihood of which cannot be reasonably estimated at this time. Accordingly, no provision has been recorded. These indemnifications have not yielded a significant expense in the past.

NOTE 15. SEGMENT DISCLOSURES

On September 1, 2011, the Company purchased Attends Healthcare Inc. As a result, an additional reportable segment, Personal Care, has been added. (See Note 3 "Acquisition of Businesses" for further information).

Each reportable segment offers different products and services and requires different manufacturing processes, technology and/or marketing strategies. The following summary briefly describes the operations included in each of the Company's reportable segments:

- **Pulp and Paper Segment** – comprises the manufacturing, sale and distribution of communication, specialty and packaging papers, as well as softwood, fluff and hardwood market pulp.
- **Distribution Segment** – comprises the purchasing, warehousing, sale and distribution of the Company's paper products and those of other manufacturers. These products include business and printing papers, certain industrial products and printing supplies.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

This Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") should be read in conjunction with Domtar Corporation's unaudited interim consolidated financial statements and notes thereto included elsewhere in this Quarterly Report. The MD&A should also be read in conjunction with the historical financial information contained in our Annual Report on Form 10-K for the year ended December 31, 2011, filed with the Securities and Exchange Commission ("SEC") on February 27, 2012. Throughout this MD&A, unless otherwise specified, "Domtar Corporation", "the Company", "Domtar", "we", "us" and "our" refer to Domtar Corporation and its subsidiaries, as well as its investments. Domtar Corporation's common stock is listed on the New York Stock Exchange and the Toronto Stock Exchange. Except where otherwise indicated, all financial information reflected herein is determined on the basis of accounting principles generally accepted in the United States ("GAAP").

In accordance with industry practice, in this report, the term "ton" or the symbol "ST" refers to a short ton, an imperial unit of measurement equal to 0.9072 metric tons. The term "metric ton" or the symbol "ADMT" refers to an air dry metric ton and the term "MFBM" refers to million foot board measure. In this report, unless otherwise indicated, all dollar amounts are expressed in U.S. dollars, and the term "dollars" and the symbol "\$" refer to U.S. dollars. In the following discussion, unless otherwise noted, references to increases or decreases in income and expense items, prices, contribution to net earnings (loss), and shipment volume are based on the three-month and six-month periods ended June 30, 2012 as compared to the three-month period ended March 31, 2012 and the three-month and six-month periods ended June 30, 2011. The three-month and six-month periods ended June 30, 2012 and 2011 are also referred to as the second quarter of 2012 and 2011, respectively, and the first half or year-to-date of 2012 and 2011, respectively, and the three-month period ended March 31, 2012 as the first quarter of 2011.

EXECUTIVE SUMMARY

In the second quarter of 2012, we reported operating income of \$106 million, a decrease of \$3 million compared to \$109 million in the first quarter of 2012. This decrease is a result of lower shipments for both pulp and paper and higher costs for both planned maintenance and lack-of-order downtime in papers. These factors were partially offset by higher selling prices for both pulp and paper, lower SG&A costs and the inclusion of Attends Healthcare Limited ("Attends Europe") within the Personal Care segment for a full quarter.

Paper shipments are expected to continue to decline with market demand and due to our shift to lower basis weight papers from the conversion of Communication paper to Specialty and packaging paper grades. Pulp markets are expected to remain challenging. We anticipate the cost inflation to be moderate for the balance of the year.

Closure and restructuring activities

We regularly review our overall production capacity with the objective of aligning our production capacity with anticipated long-term demand.

During the second quarter of 2012, we did not record any impairment or write-downs for property plant and equipment.

On March 29, 2011, we announced the permanent shut down of one of our paper machines at our Ashdown, Arkansas pulp and paper mill. For the first quarter and first half of 2011, we recorded nil and \$2 million, respectively, of inventory obsolescence, nil and \$2 million, respectively, of severance and termination costs, and \$62 million and \$65 million, respectively, of accelerated depreciation, a component of Impairment and write-down of property, plant and equipment. This closure reduced Domtar's annual uncoated freesheet paper production capacity by approximately 125,000 short tons and the mill's workforce by approximately 110 employees.

On February 1, 2011, we announced the closure of our forms plant in Langhorne, Pennsylvania. The closure resulted in a charge to earnings of \$4 million for severance and termination costs.

For the three and six months ended June 30, 2012, we incurred other costs related to previous closures which include nil and \$1 million, respectively, of severance and termination costs (2011 – nil and \$1 million, respectively) and nil and nil, respectively, of other costs (2011 – \$2 million and \$4 million, respectively).

RECENT DEVELOPMENTS

Sale of Lebel-sur-Quévillon assets

On June 22, 2012, we announced the closing of the definitive agreement for the sale of our Lebel-sur-Quévillon, Québec pulp and sawmilling assets to Fortress Global Cellulose Ltd ("Fortress") and lands related to such assets to a subsidiary of the Government of Québec. As per the agreement, all pulp and sawmilling assets including the buildings and equipment were sold to Fortress for the nominal sum of \$1.00 and all lands related to the facilities were sold to a subsidiary of the Government of Québec for the nominal sum of \$1.00.

Ottawa/ Gatineau Hydro Assets

On June 13, 2012, we announced the signing of a Definitive Purchase and Sale Agreement for the sale of our hydro assets in Ottawa, Ontario and Gatineau, Quebec for CDN \$45 million. The assets have a carrying value of CDN \$44 million classified as Property, plant and equipment on the Consolidated Balance Sheets. The transaction includes our three power stations (21MW of installed capacity), our water rights in the area, as well as Domtar Inc.'s equity stake in the Chaudière Water Power Inc. ring dam consortium. The purchaser is Energy Ottawa Inc., the renewable energy subsidiary of Hydro Ottawa Holding Inc. Currently, we have approximately 12 workers operating our hydro assets in Ottawa/ Gatineau which will become employees of Chaudière Hydro L.P., a subsidiary of Energy Ottawa Inc. upon closing of the transaction.

As a result of the signing of the definitive agreement, we assessed whether this transaction met the criteria for assets held for sale. Transfer of some of the water rights and subdivision of some lands require government consent. Given that the transfer of the water rights and the subdivision of some lands have a certain degree of uncertainty, we concluded the criteria for assets held for sale accounting was not met.

Acquisition of EAM

On May 10, 2012, we completed the acquisition of 100% of the outstanding shares of EAM Corporation ("EAM"), a leading manufacturer of high quality absorbent composite solutions, from Kinderhook Industries, LLC. EAM produces airlaid and ultrathin laminated absorbent cores with brands such as NovaThin[®] and NovaZorb[®] used in feminine hygiene, adult incontinence, baby diapers and other medical healthcare and performance packaging solutions. EAM operates a manufacturing, research and development and distribution facility in Jesup, Georgia. EAM has 53 employees. The purchase price was \$61 million in cash, including working capital, net of cash acquired of \$1 million.

OUR BUSINESS

Information relating to our business is contained in our Annual Report on Form 10-K for the year ended December 31, 2011. There has not been any material change in our business since December 31, 2011, except for the completion of the acquisitions of Attends Europe and EAM. The acquired businesses are presented under our Personal Care reporting segment.

**SECOND QUARTER 2012 VERSUS
SECOND QUARTER 2011**

Sales

Sales for the second quarter of 2012 amounted to \$1,368 million, a decrease of \$35 million, or 2%, from sales of \$1,403 million in the second quarter of 2011. The decrease in sales is mainly attributable to a decrease of \$129 million in our Pulp and Paper segment due largely to lower average selling prices for pulp and lower shipments for paper. In addition, sales also decreased for the Distribution segment by (\$18 million) as deliveries were down 8% in the second quarter of 2012 compared to the second quarter of 2011 due to the divestiture of a business unit in the second quarter of 2011 as well as difficult market conditions. The factors decreasing sales were offset by the increase in sales due to the inclusion of the financial results of the Personal Care segment of \$107 million pursuant to the acquisition of Attends Healthcare Inc. ("Attends US"), Attends Europe and EAM.

Cost of Sales, excluding Depreciation and Amortization

Cost of sales, excluding depreciation and amortization, amounted to \$1,075 million in the second quarter of 2012, an increase of \$19 million, or 2%, compared to cost of sales, excluding depreciation and amortization, of \$1,056 million in the second quarter of 2011. This increase is mainly attributable to the inclusion of cost of sales of the Personal Care segment of (\$79 million) in the second quarter of 2012, following the acquisition of Attends US, Attends Europe and EAM. Also contributing to the increase in cost of sales were higher costs for fiber (\$8 million) and chemicals (\$5 million). These factors were partially offset by lower shipments for both pulp and paper, a decrease in deliveries in our Distribution segment of \$65 million, lower energy costs due to favorable pricing in natural gas of \$8 million and lower maintenance costs of \$5 million.

[Table of Contents](#)

Depreciation and Amortization

Depreciation and amortization amounted to \$96 million in the second quarter of 2012, an increase of \$1 million, or 1%, compared to depreciation and amortization of \$95 million in the second quarter of 2011. This increase is primarily due to the inclusion of depreciation and amortization expenses for the Personal Care segment pursuant to the acquisitions of Attends US, Attends Europe and EAM (\$6 million). Depreciation and amortization charges also increased in the Distribution segment by \$1 million. This was offset by lower depreciation and amortization charges in the Pulp and Paper segment of \$6 million due to the write-off of assets following the closure of a paper machine at our Ashdown, Arkansas mill effective in the third quarter of 2011.

Selling, General and Administrative Expenses (SG&A)

SG&A expenses amounted to \$89 million in the second quarter of 2012, an increase of \$1 million, or 1%, compared to SG&A expenses of \$88 million in the second quarter of 2011. This increase in SG&A is primarily due to the inclusion of selling, general and administrative expenses of the Personal Care segment (\$10 million) pursuant to the acquisitions. Other increases include additional spending in administration costs of \$5 million which includes merger and acquisition spending. These increases are offset by the lower costs related to our variable compensation program (\$14 million).

Other Operating Loss

Other operating loss amounted to \$2 million in the second quarter of 2012, a decrease of \$3 million compared to other operating loss of \$5 million in the second quarter of 2011. This decrease in other operating loss is primarily due to the net loss on sale of Prince Albert (\$12 million) which was partially offset by the gain on sale of Gilmour Lands of \$6 million, both in the second quarter of 2011.

Operating Income

Operating income in the second quarter of 2012 amounted to \$106 million, an increase of \$11 million compared to operating income of \$95 million in the second quarter of 2011. This increase is primarily due to the factors mentioned above as well as the higher impairment and write-down of property, plant and equipment (\$62 million) mainly as a result of accelerated depreciation related to the closure of a paper machine at our Ashdown, Arkansas pulp and paper mill and higher closure and restructuring costs of (\$2 million) incurred in the second quarter of 2011.

Interest Expense

We incurred \$18 million of interest expense in the second quarter of 2012, a decrease of \$3 million compared to interest expense of \$21 million in the second quarter of 2011. This decrease in interest expense is primarily due to the partial repurchase of our outstanding 5.375% Notes due 2013, 7.125% Notes due 2015, 9.5% Notes due 2016, and 10.75% Notes due 2017, of which we repurchased \$186 million of notes; and the offering of \$300 million aggregate principal amount of senior notes at a fixed-rate of 4.4%, due 2022.

Equity Loss

We incurred a \$2 million loss, net of taxes, with regards to our joint venture Celluforce Inc. in the second quarter of 2012 (2011- nil).

Income Taxes

For the second quarter of 2012, our income tax expense amounted to \$27 million, which was comprised of current tax expense of \$22 million and deferred tax expense of \$5 million, compared to tax expense of \$20 million for the second quarter of 2011, which was comprised of current tax expense of \$19 million and deferred tax expense of \$1 million. We made income tax payments of \$40 million during the second quarter of 2012. In the second quarter of 2012 our effective tax rate was 31% compared to an effective tax rate of 27% for the second quarter of 2011. The effective tax rate for the second quarter of 2012 was impacted by the accrual of interest pertaining to unrecognized tax benefits, mainly associated with the Alternative Fuel Tax Credits. The effective tax rate for the second quarter of 2011 was impacted by the mix of earnings between jurisdictions, partially offset by the impact of enacted tax legislation in several U.S. states.

[Table of Contents](#)

Net Earnings

Net earnings amounted to \$59 million (\$1.61 per common share on a diluted basis) in the second quarter of 2012, an increase of \$5 million compared to net earnings of \$54 million (\$1.30 per common share on a diluted basis) in the second quarter of 2011, mainly due to the factors mentioned above.

**FIRST HALF 2012 VERSUS
FIRST HALF 2011**

Sales

Sales for the first half of 2012 amounted to \$2,766 million, a decrease of \$60 million, or 2%, from sales of \$2,826 million in the first half of 2011. This decrease in sales was mainly attributable to lower shipments for paper (\$134 million), lower pulp prices (\$107 million) as well as lower shipments in our Distribution segments (\$46 million). These factors were partially offset by higher average selling prices for paper of \$14 million, higher pulp shipments of \$22 million and the inclusion of the acquisitions within our Personal Care segment for \$177 million.

Cost of Sales, excluding Depreciation and Amortization

Cost of sales, excluding depreciation and amortization, amounted to \$2,163 million in the first half of 2012, an increase of \$86 million, or 4%, compared to cost of sales, excluding depreciation and amortization, of \$2,077 million in the first half of 2011. This increase was mainly attributable to higher shipments for pulp (\$13 million), higher fiber costs (\$16 million), chemical costs (\$17 million), increased salaries and wages (\$10 million), the inclusion of the acquisitions within our Personal Care segment (\$131 million) and an increase in other costs (\$6 million). These factors were partially offset by lower shipments for paper net of the negative impact of lack-of-order downtime (\$40 million), a decrease in deliveries in our Distribution segment (\$44 million), lower costs for energy (\$15 million) and the positive impact of a weaker Canadian dollar on our Canadian denominated expenses, net of our hedging program (\$6 million).

Depreciation and Amortization

Depreciation and amortization amounted to \$193 million in the first half of 2012, an increase of \$5 million, or 3%, compared to depreciation and amortization of \$188 million in the first half of 2011. This increase was mainly due to the inclusion of depreciation and amortization expenses for the Personal Care segment pursuant to the acquisitions of Attends US, Attends Europe and EAM (\$9 million) and is partially offset by lower depreciation and amortization charges in the Pulp and Paper segment of \$5 million.

Selling, General and Administrative Expenses

SG&A expenses amounted to \$188 million in the first half of 2012, an increase of \$10 million, or 6%, compared to SG&A expenses of \$178 million in the first half of 2011. The increase is primarily due to the inclusion of the Personal Care segment pursuant to the acquisitions of Attends US, Attends Europe and EAM (\$16 million) as well as general increases in administration including merger and acquisition costs (\$13 million). These factors were partially offset by lower costs related to our variable compensation program of \$20 million in the first half of 2012 when compared to 2011.

Other Operating Income (Loss)

Other operating loss amounted to \$4 million in the first half of 2012, a decrease of \$5 million compared to other operating income of \$1 million in the first half of 2011.

Operating Income

Operating income in the first half of 2012 amounted to \$215 million, a decrease of \$91 million compared to operating income of \$306 million in the first half of 2011. This decrease is primarily due to the factors mentioned above as well as due to lower impairment and write-down of property, plant and equipment (\$63 million) and lower closure and restructuring costs (\$12 million) in 2012 as compared to 2011. For more details on the impairment and write-down of property, plant and equipment, refer to Item 1, Financial Statements and Supplementary Data, Note 11, of this Quarterly Report on Form 10-Q.

Interest Expense

We incurred \$89 million of interest expense in the first half of 2012, an increase of \$47 million compared to interest expense of \$42 million in the first half of 2011. This increase in interest expense is primarily due to the partial repurchase of our 10.75% Notes, 9.5% Notes, 7.125% Notes and 5.375% Notes, on which we incurred tender offer premiums of \$47 million and \$3 million of additional charges as a result of this extinguishment. This increase was partially offset by lower interest expense on our outstanding debt.

Equity Loss

We incurred a \$4 million loss, net of taxes, with regards to our joint venture Celluforce Inc. in the first half of 2012 (2011- nil).

Income Taxes

For the first half of 2012, our income tax expense amounted to \$35 million, which was comprised of \$27 million of current tax expense and \$8 million of deferred tax expense, compared to tax expense of \$77 million for the first half of 2011, which was comprised of current tax expense of \$47 million and deferred tax expense of \$30 million. We made income tax payments of \$49 million during the first half of 2012. In the first half of 2012 our effective tax rate was 28% compared to an effective tax rate of 29% for the first half of 2011. The effective tax rate for the first half of 2012 was impacted by the tax benefit of the \$50 million of debt premium and repurchase costs which was partially offset by the accrual of interest pertaining to unrecognized tax benefits, mainly associated with the Alternative Fuel Tax Credits. The effective tax rate for the first half of 2011 was impacted by the mix of earnings between jurisdictions, partially offset by the impact of enacted tax legislation in several U.S. states.

Net Earnings

Net earnings amounted to \$87 million (\$2.36 per common share on a diluted basis) in the first half of 2012, a decrease of \$100 million compared to \$187 million (\$4.46 per common share on a diluted basis) in the first half of 2011 due to the factors mentioned above.

Sales and Operating Income*Sales*

Sales in our Pulp and Paper segment amounted to \$1,089 million in the second quarter of 2012, a decrease of \$124 million, or 10%, compared to sales of \$1,213 million in the second quarter of 2011. The decrease in sales is mainly attributable to decreased average selling prices for pulp of approximately 19% and lower shipments for paper of approximately 9%. These factors were partially offset by increases in pulp shipments by approximately 2% and higher selling prices for paper.

For the first half of 2012, sales in our Pulp and Paper segment decreased by \$191 million, or 8%, compared to the first half of 2011. The decrease in sales is mainly attributable to decreased average selling prices for pulp of approximately 18% and lower shipments for paper of approximately 7%. These factors were partially offset by increases in pulp shipments by approximately 3% and higher selling prices for paper.

Operating Income

Operating income in our Pulp and Paper segment amounted to \$96 million in the second quarter of 2012, an increase of \$5 million, when compared to operating income of \$91 million in the second quarter of 2011. The increase in operating results is due primarily to increases in average selling prices for paper of \$8 million, lower energy prices due to favorable pricing in natural gas of \$8 million, lower maintenance of \$5 million related to the maintenance outages, lower restructuring costs of \$2 million and lower accelerated depreciation of property, plant & equipment of \$62 million. These factors were offset by decreased shipments for paper, lower selling prices for pulp (\$54 million), higher costs for fiber (\$8 million), higher chemical costs (\$5 million) and higher SG&A costs (\$8 million).

For the first half of 2012, operating income in our Pulp and Paper segment decreased by \$97 million, or 32%, compared to the first half of 2011. The decrease is mostly attributable to lower average selling prices for pulp (\$107 million) and lower shipments for paper net of the negative impact of lack-of-order downtime (\$80 million). Additional factors contributing to the decrease include higher fiber costs (\$16 million) and higher chemical costs (\$17 million). These factors were partially offset by lower impairment of goodwill and property, plant and equipment charges of \$63 million, lower energy costs of \$15 million, higher selling prices for paper of \$14 million, lower restructuring charges of \$12 million, higher pulp shipments of \$9 million, lower SG&A costs of \$8 million as well as the favorable impact of a lower Canadian dollar of \$6 million, net of our hedging program.

Shipments

Our paper shipments decreased by 82,000 tons, or 9%, in the second quarter of 2012 compared to the second quarter of 2011. For the first half of 2012, our paper shipments decreased by 125,000 tons, or 7% when compared to the first half of 2011. The decrease in the first half of 2012 when compared to the first half of 2011 is primarily due to lower market demand.

Our pulp trade shipments increased by 7,000 metric tons, or 2%, in the second quarter of 2012 compared to the second quarter of 2011. For the first half of 2012, our pulp trade shipment increased by 21,000 metric tons, or 3%, when compared to the first half of 2011, and were impacted by the factors mentioned above.

Alternative Fuel Tax Credits

The U.S. Internal Revenue Code of 1986, as amended (the "Code") permitted a refundable excise tax credit, until the end of 2009, for the production and use of alternative biofuel mixtures derived from biomass. We submitted an application with the IRS to be registered as an alternative fuel mixer and received notification that our registration had been accepted in late March 2009. We began producing and consuming alternative fuel mixtures in February 2009 at our eligible mills. The amounts for the refundable credits are based on the volume of alternative biofuel mixtures produced and burned during that period. To date, we have received \$508 million in refunds, net of federal income tax offsets. There has been no change in the Company's status with respect to the alternative fuel mixture credits previously claimed but we continue to assess the possibility of converting these credits into additional cellulosic biofuel producer credits. Any such conversion would require the repayment of any alternative fuel tax credit refund previously received, along with interest, in exchange for a credit to be used against future federal income tax.

During the second quarter of 2012, the IRS began an audit of our 2009 U.S. income tax return. The completion of the audit by the IRS or the issuance of authoritative guidance could result in the release of the provision or settlement of the liability in cash of some or all of these previously unrecognized tax benefits. As of June 30, 2012, we have gross unrecognized tax benefits and interest of \$195 million and related deferred tax assets of \$16 million associated with the alternative fuel tax credits. The recognition of these benefits, \$179 million net of deferred taxes, would impact the effective tax rate.

Labor

In the U.S., a new umbrella agreement with the United Steelworkers Union ("USW"), expiring in 2015 and affecting approximately 2,900 employees at eight U.S. mills and one converting operation, was ratified effective December 1, 2011. This agreement only covers certain economic elements, and all other issues are negotiated at each operating location, as the related collective bargaining agreements become subject to renewal. The parties have agreed not to strike or lock-out during the terms of the respective local agreements. Should the parties fail to reach an agreement during the local negotiations, the related collective bargaining agreements are automatically renewed for another four years. Local labor negotiations have concluded in Ashdown and Rothschild with ratifications. Local negotiations are in progress at our Plymouth mill.

[Table of Contents](#)

In Canada, Agreements that expired in 2009 at our Dryden facilities in Canada were negotiated and ratified by the CEP (locals 105, 105.3 and 1323). Negotiations at the Dryden mill with the International Union of Operating Engineers ("IOUE") Local 865 will commence in September. Negotiations at Ottawa/Hull dams with the CEP were concluded and ratified in July. The collective agreements with the CEP in Kamloops expired in the second quarter of 2012. Negotiations are expected to start on September 4, 2012. At the end of July 2012, there are two agreements in Canada that are outstanding covering 396 employees and nine agreements that are ratified covering 1,534 unionized employees.

Closure and Restructuring

During the second quarter of 2012, we did not record any write-down for property, plant and equipment or severance and termination costs.

On June 13, 2012, we announced the signing of a Definitive Purchase and Sale Agreement for the sale of our hydro assets in Ottawa, Ontario and Gatineau, Quebec for CDN\$45 million. The assets have a carrying value of CDN\$44 million classified as Property, plant and equipment on the Consolidated Balance Sheets. The transaction includes three power stations (21MW of installed capacity), water rights in the area, as well as Domtar Inc.'s equity stake in the Chaudière Water Power Inc. ring dam consortium. The purchaser is Energy Ottawa Inc., the renewable energy subsidiary of Hydro Ottawa Holding Inc. Currently, the Company has approximately 12 workers operating the hydro assets in Ottawa/ Gatineau which will become employees of Chaudière Hydro L.P., a subsidiary of Energy Ottawa Inc., upon closing of the transaction.

As a result of the signing of the definitive agreement, we assessed whether this transaction met the criteria for assets held for sale. Transfer of some of the water rights and subdivision of some lands require government consent. Given that the transfer of the water rights and the subdivision of some lands have a certain degree of uncertainty, we concluded the criteria for assets held for sale accounting was not met.

During the first quarter of 2012, we recorded a \$2 million write-down of property, plant and equipment at our Mira Loma location, in Impairment and write-down of property, plant and equipment.

On March 29, 2011, we announced the permanent shut down of one of our paper machines at our Ashdown, Arkansas pulp and paper mill. For the first quarter and first half of the 2011, we recorded nil and \$2 million, respectively, of inventory obsolescence, nil and \$2 million, respectively, of severance and termination costs, and \$62 million and \$65 million, respectively, of accelerated depreciation, a component of Impairment and write-down of property, plant and equipment. This closure reduced Domtar's annual uncoated freesheet paper production capacity by approximately 125,000 short tons and the mill's workforce by approximately 110 employees.

On February 1, 2011, we announced the closure of our forms plant in Langhorne, Pennsylvania. The closure resulted in a charge to earnings of \$4 million for severance and termination costs.

For more details on the closure and restructuring costs, refer to Item 1, Financial Statements and Supplementary Data, Note 11, of this Quarterly Report on Form 10-Q.

Closure and restructuring costs are based on management's best estimates. Although we do not anticipate significant changes, actual costs may differ from these estimates due to subsequent developments such as the results of environmental studies, market participant interest in purchasing assets set to be dismantled and demolished and other business developments. As such, additional costs and further write-downs may be required in future periods.

Other

Cellulosic Biofuel Credit

In July 2010, the U.S. Internal Revenue Service ("IRS") Office of Chief Counsel released an Advice Memorandum concluding that qualifying cellulosic biofuel sold or used before January 1, 2010, is eligible for the cellulosic biofuel producer credit ("CBPC") and would not be required to be registered by the Environmental Protection Agency. Each gallon of qualifying cellulose biofuel produced by any taxpayer operating a pulp and paper mill and used as a fuel in the taxpayer's trade or business during calendar year 2009 would qualify for the \$1.01 non-refundable CBPC. A taxpayer could be able to claim the credit on its federal income tax return for the 2009 tax year upon the receipt of a letter of registration from the IRS and any unused CBPC could be carried forward until 2015 to offset a portion of federal taxes otherwise payable.

We had approximately 207 million gallons of cellulose biofuel that qualified for this CBPC for which we had not previously claimed under the Alternative Fuel Mixture Credit ("AFMC") that represented approximately \$209 million of CBPC or approximately \$127 million of after tax benefit to the Corporation. In July 2010, we submitted an application with the IRS to be registered for the CBPC and on September 28, 2010, we received our notification from the IRS that we were successfully registered. On October 15, 2010 the IRS Office of Chief Counsel issued an Advice Memorandum concluding that the AFMC and CBPC could be claimed in the same year for different volumes of biofuel. In November 2010, we filed an amended 2009 tax return with the IRS claiming a cellulosic biofuel producer credit of \$209 million and recorded a net tax benefit of \$127 million in Income tax expense (benefit) on the Consolidated Statement of Earnings for the year ended December 31, 2010. As of December 31, 2011, approximately \$25 million of this credit remains to offset future U.S. federal income tax liability. We expect to use all of the remaining credit during 2012 to offset required federal income tax installments.

Natural Resources Canada Pulp and Paper Green Transformation Program

On June 17, 2009, the Government of Canada announced that it was developing a Pulp and Paper Green Transformation Program ("the Green Transformation Program") to help pulp and paper companies make investments to improve the environmental performance of their Canadian facilities. The Green Transformation Program was capped at CDN\$1 billion. March 31, 2012 marked the deadline for eligibility of costs under this program.

Eligible projects had to demonstrate an environmental benefit by either improved energy efficiency or increased renewable energy production. Although amounts have not been received in full, we have been allocated \$140 million (CDN\$143 million) through this Green Transformation Program, of which all have been approved. The funds were spent on capital projects to improve energy efficiency and environmental performance in our Canadian pulp and paper mills and any amounts received were accounted for as an offset to the applicable plant and equipment asset amount. As of June 30, 2012, we have received \$127 million (CDN \$130 million) since the inception of the plan, mostly related to eligible projects at our Kamloops, Dryden and Windsor pulp and paper mills.

Sales and Operating Income*Sales*

Sales in our Distribution segment amounted to \$172 million in the second quarter of 2012, a decrease of \$18 million compared to sales of \$190 million in the second quarter of 2011. This decrease in sales is mostly attributable to a decrease in deliveries of 8%, resulting from the sale of a business unit at the end of the second quarter of 2011 and from lower market demand.

For the first half of 2012, sales in our Distribution segment decreased by \$46 million, or 11%, when compared to the first half of 2011, primarily due to the factors mentioned above. Our deliveries in the first half of 2012 are lower by approximately 10% when compared to the first half of 2011.

Operating Loss

Operating loss amounted to (\$2 million) in the second quarter of 2012, a change of nil when compared to operating loss of (\$2 million) in the second quarter of 2011.

For the first half of 2012, operating income in our Distribution segment decreased by \$4 million when compared to the first half of 2011, primarily due to the factors mentioned above as well as a gain of sale on a business unit (\$3 million) recorded in the first quarter of 2011.

Operations*Labor*

We have collective agreements covering six locations in the U.S. and four locations in Canada. As of June 30, 2012, we have one outstanding agreement affecting 16 employees and nine ratified agreements affecting approximately 139 employees in the U.S. and Canada.

Attends products are manufactured out of the Southeastern United States from one location in Greenville, North Carolina and in Northern Europe from one location in Aneby, Sweden. The research and development facility and production lines from our acquisition of EAM are located in Jesup, Georgia.

Our Raw Materials

The primary raw materials used in our manufacturing process are nonwovens, pulp, super absorbent polymers, polypropylene film, elastics, adhesives and packaging materials.

Our Product Offering and Go-to-Market Strategy

Our products, which include branded and private label briefs, protective underwear, underpads, light pads and washcloths, are available in a variety of sizes, as well as with differing performance levels and product attributes.

STOCK-BASED COMPENSATION EXPENSE

For the second quarter of 2012, compensation expense recognized in our results of operations was nil due to mark to market adjustments of our liability awards while in the first half of 2012, \$12 million of compensation expense was incurred. This compares to \$6 million and \$18 million in the second quarter and the first half of 2011. Compensation costs for performance awards are based on management's best estimate of the final performance measurement.

LIQUIDITY AND CAPITAL RESOURCES

Our principal cash requirements are for ongoing operating costs, pension contributions, working capital and capital expenditures, as well as principal and interest payments on our debt. We expect to fund our liquidity needs primarily with internally generated funds from our operations and, to the extent necessary, through borrowings under our contractually committed credit facility, of which \$589 million is currently undrawn and available. Under extreme market conditions, there can be no assurance that this agreement would be available or sufficient. See "Capital Resources" below.

Our ability to make payments on and to refinance our indebtedness, including debt we could incur under the credit facility and outstanding Domtar Corporation notes, and for ongoing operating costs including pension contributions, working capital, capital expenditures, as well as principal and interest payments on our debt, will depend on our ability to generate cash in the future, which is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. Our credit facility and debt indentures, as well as terms of any future indebtedness, impose, or may impose, various restrictions and covenants on us that could limit our ability to respond to market conditions, to provide for unanticipated capital investments or to take advantage of business opportunities.

Operating Activities

Cash flows provided from operating activities totaled \$205 million in the first half of 2012, compared to \$454 million in the first half of 2011, a decrease of \$249 million. This decrease resulted from decreased net earnings (\$100 million), a decrease in the impairment and write down of property, plant and equipment charges (\$63 million) and an increase in working capital.

Investing Activities

Cash flows used for investing activities were \$402 million in the first half of 2012 compared to cash flows provided from investing activities of \$5 million in the first half of 2011. This is mainly due to the acquisition of Attends Healthcare Limited for \$232 million (€173 million) in cash, including working capital, net of acquired cash of \$4 million (€3 million), the acquisition of EAM for \$61 million in cash, including working capital, net of cash acquired of \$1 million and an increase in additions to property, plant and equipment of \$72 million.

Financing Activities

Cash flows provided from financing activities were \$29 million in the first half of 2012 compared to cash flows used for financing activities of \$248 million in the first half of 2011, an increase of \$277 million. This is a result of the issuance of \$300 million of 4.4% Notes due 2022, offset by the cash tender offer during the second quarter of 2012. In the tender offer, we repurchased \$1 million of 5.375% Notes due 2013, \$47 million of 7.125% Notes due 2015, \$31 million of 9.5% Notes due 2016 and \$107 million of 10.75% Notes due 2017, or \$186 million, excluding accrued and unpaid interest. Also, we repurchased shares of our common stock for a total costs of \$73 million in the first half of 2012 compared to \$234 million in the first half of 2011.

[Table of Contents](#)

Capital Resources

Net indebtedness, consisting of bank indebtedness and long-term debt, net of cash and cash equivalents, was \$702 million at June 30, 2012, compared to \$109 million at June 30, 2011. The \$593 million increase in net indebtedness is primarily due to a reduction of cash and cash equivalents as a result of the acquisition of Attends US (\$288 million) and Attends Europe (\$232 million) and EAM (\$61 million). Also contributing to the increase in net indebtedness was the issuance of \$300 million aggregate principal amount of 4.4% Notes due 2022 which was offset by a decrease due to the partial repayment of the 5.375%, 7.125%, 9.50% and 10.75% notes of \$(1 million), \$(47 million), \$(31 million) and \$(107 million) respectively.

On February 22, 2012, we announced the commencement of a cash tender offer for our outstanding 5.375% Notes due 2013, 7.125% Notes due 2015, 9.5% Notes due 2016, and 10.75% Notes due 2017 such that the maximum aggregate consideration for Notes purchased in the tender offer, excluding accrued and unpaid interest, would not exceed \$250 million. The tender offer expired at 12:00 midnight, New York City time, on March 21, 2012 and we purchased \$186 million of principal amount for an aggregate consideration of \$233 million, excluding accrued and unpaid interest. The Company incurred a premium of \$47 million and additional charges of \$3 million as a result of this extinguishment.

On March 7, 2012, we issued \$300 million aggregate principal amount of our 4.4% Notes, due 2022. The net proceeds from the offering were used in part to fund the purchase of the notes tendered and accepted for purchase pursuant to the tender offer, including the payment of accrued and applicable early tender premiums, not funded with cash on hand, as well as for general corporate purposes.

The Notes are redeemable, in whole or in part, at the Company's option at any time. In the event of a change in control, unless the Company has exercised the right to redeem all of the Notes, each holder will have the right to require the Company to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus any accrued and unpaid interest.

The Notes are general unsecured obligations and rank equally with existing and future unsecured and unsubordinated obligations. The Notes are fully and unconditionally guaranteed on an unsecured basis by direct and indirect, existing and future, U.S. 100% owned subsidiaries, which currently guarantee indebtedness under the Credit Agreement, or any of the Company's indebtedness, will also fully and unconditionally, jointly and severally, guarantee the Notes.

Our Credit Agreement consists of a \$600 million revolving credit facility and we intend to use the revolving credit agreement for general corporate purposes, including working capital, capital expenditures and acquisitions.

The Credit Agreement provides for a revolving credit facility (including a letter of credit sub-facility and a swingline sub-facility) that matures on June 15, 2017. The maximum aggregate amount of availability under the revolving Credit Agreement is \$600 million, which may be borrowed in US Dollars, Canadian Dollars (in an amount up to the Canadian Dollar equivalent of \$150 million) and Euros (in an amount up to the Euro equivalent of \$200 million). Borrowings may be made by us, by our U.S. subsidiary Domtar Paper Company, LLC, by our Canadian subsidiary Domtar Inc. and by any additional borrower designated by us in accordance with the Credit Agreement. We may increase the maximum aggregate amount of availability under the revolving Credit Agreement by up to \$400 million, and the Borrowers may extend the final maturity of the Credit Agreement by one year, if, in each case, certain conditions are satisfied, including (i) the absence of any event of default or default under the Credit Agreement and (ii) the consent of the lenders participating in each such increase or extension, as applicable.

No amounts were borrowed at June 30, 2012 (June 30, 2011-nil). At June 30, 2012, we had outstanding letters of credit amounting to \$11 million under this credit facility (June 30, 2011- \$58 million).

Borrowings under the Credit Agreement will bear interest at a rate dependent on our credit ratings at the time of such borrowing and will be calculated at the Borrowers' option according to a base rate, prime rate, LIBO rate, EURIBO rate or the Canadian bankers' acceptance rate plus an applicable margin, as the case may be. In addition, we must pay facility fees quarterly at rates dependent on our credit ratings.

The Credit Agreement contains customary covenants for transactions of this type, including two financial covenants: (i) an interest coverage ratio (as defined in the Credit Agreement) that must be maintained at a level of not less than 3.0 to 1 and (ii) a leverage ratio (as defined in the Credit Agreement) that must be maintained at a level of not greater than 3.75 to 1. At June 30, 2012, we were in compliance with our covenants.

All borrowings under the Credit Agreement are unsecured. Certain of our domestic subsidiaries will unconditionally guarantee any obligations from time to time arising under the Credit Agreement, and certain of our subsidiaries that are not organized in the United States will unconditionally guarantee any obligations of Domtar Inc., the Canadian subsidiary borrower, or of additional borrowers that are not organized in the United States, under the Credit Agreement, in each case, subject to the provisions of the Credit Agreement.

If there is a change of control, as defined under the Credit Agreement, the Credit Agreement will be terminated and any outstanding obligations under the Credit Agreement will automatically become immediately due and payable.

A significant or prolonged downturn in general business and economic conditions may affect our ability to comply with our covenants or meet those financial ratios and tests and could require us to take action to reduce our debt or to act in a manner contrary to our current business objectives.

[Table of Contents](#)

A breach of any of our Credit Agreement covenants, including failure to maintain a required ratio or meet a required test, may result in an event of default under the Credit Agreement. This may allow the administrative agent under the Credit Agreement to declare all amounts outstanding thereunder, together with accrued interest, to be immediately due and payable. If this occurs, we may not be able to refinance the indebtedness on favorable terms, or at all, or repay the accelerated indebtedness.

Domtar Canada Paper Inc. Exchangeable Shares

Upon the consummation of a series of transactions whereby the Fine Paper Business of Weyerhaeuser Company was transferred to the Company and the Company acquired Domtar Inc. (the "Transaction"), Domtar Inc. shareholders had the option to receive either common stock of the Company or shares of Domtar (Canada) Paper Inc. that are exchangeable for common stock of the Company. As of June 30, 2012, there were 617,013 exchangeable shares issued and outstanding. The exchangeable shares of Domtar (Canada) Paper Inc. are intended to be substantially the economic equivalent to shares of the Company's common stock. These shareholders may exchange the exchangeable shares for shares of Domtar Corporation common stock on a one-for-one basis at any time. The exchangeable shares may be redeemed by Domtar (Canada) Paper Inc. on a redemption date to be set by the Board of Directors, which cannot be prior to July 31, 2023, or upon the occurrence of certain specified events, including, upon at least 60 days prior written notice to the holders, in the event less than 416,667 exchangeable shares (excluding any exchangeable shares held directly or indirectly by us) are outstanding at any time.

OFF BALANCE SHEET ARRANGEMENTS

In the normal course of business, we finance certain of our activities off balance sheet through operating leases.

GUARANTEES

Indemnifications

In the normal course of business, we offer indemnifications relating to the sale of our businesses and real estate. In general, these indemnifications may relate to claims from past business operations, the failure to abide by covenants and the breach of representations and warranties included in sales agreements. Typically, such representations and warranties relate to taxation, environmental, product and employee matters. The terms of these indemnification agreements are generally for an unlimited period of time. At June 30, 2012, we are unable to estimate the potential maximum liabilities for these types of indemnification guarantees as the amounts are contingent upon the outcome of future events, the nature and likelihood of which cannot be reasonably estimated at this time. Accordingly, no provision has been recorded. These indemnifications have not yielded significant expenses in the past.

Pension Plans

We have indemnified and held harmless the trustees of our pension funds, and the respective officers, directors, employees and agents of such trustees, from any and all costs and expenses arising out of the performance of their obligations under the relevant trust agreements, including in respect of their reliance on authorized instructions from us or for failing to act in the absence of authorized instructions. These indemnifications survive the termination of such agreements. At June 30, 2012, we have not recorded a liability associated with these indemnifications, as we do not expect to make any payments pertaining to these indemnifications.

E.B. Eddy Acquisition

On July 31, 1998, Domtar Inc. (now a 100% owned subsidiary of Domtar Corporation) acquired all of the issued and outstanding shares of E.B. Eddy Limited and E.B. Eddy Paper, Inc. ("E.B. Eddy"), an integrated producer of specialty paper and wood products. The purchase agreement included a purchase price adjustment whereby, in the event of the acquisition by a third-party of more than 50% of the shares of Domtar Inc. in specified circumstances, Domtar Inc. may be required to pay an increase in consideration of up to a maximum of \$118 million (CDN\$120 million), an amount gradually declining over a 25-year period. At March 7, 2007, the maximum amount of the purchase price adjustment was approximately \$108 million (CDN\$110 million).

On March 14, 2007, we received a letter from George Weston Limited (the previous owner of E.B. Eddy and a party to the purchase agreement) demanding payment of \$108 million (CDN\$110 million) as a result of the consummation of a series of transactions whereby the Fine Paper Business of Weyerhaeuser Company was transferred to the Company and the Company acquired Domtar Inc. (the "Transaction"). On June 12, 2007, an action was commenced by George Weston Limited against Domtar Inc. in the Superior Court of Justice of the Province of Ontario, Canada, claiming that the consummation of the Transaction triggered the purchase price adjustment and sought a purchase price adjustment of \$108 million (CDN\$110 million) as well as additional compensatory damages. We do not believe that the consummation of the Transaction triggers an obligation

[Table of Contents](#)

to pay an increase in consideration under the purchase price adjustment and intend to defend ourselves vigorously against any claims with respect thereto. However, we may not be successful in our defense of such claims, and if we are ultimately required to pay an increase in consideration, such payment may have a material adverse effect on our financial position, results of operations, or cash flows. On March 31, 2011, George Weston Limited filed a motion for summary judgment which we expect to be resolved by the Court in due course. No provision is recorded for this matter.

RECENT ACCOUNTING PRONOUNCEMENT

Comprehensive Income

In June 2011, the FASB issued changes to the presentation of comprehensive income. These changes give an entity the option to present the total of comprehensive income, the components of net income, and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements; the option to present components of other comprehensive income as part of the statement of changes in stockholders' equity was eliminated. The items that must be reported in other comprehensive income or when an item of other comprehensive income must be reclassified to net income were not changed. Additionally, no changes were made to the calculation and presentation of earnings per share. We adopted the new requirement on January 1, 2012 with no impact on the Consolidated Financial Statements except for the change in presentation. We have chosen to present a single continuous statement of comprehensive income.

CRITICAL ACCOUNTING POLICIES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect our results of operations and financial position. On an ongoing basis, management reviews its estimates, including those related to environmental matters and other asset retirement obligations, useful lives, impairment of long-lived assets, pension plans and other post-retirement benefit plans and income taxes based on currently available information. Actual results could differ from those estimates.

Critical accounting policies reflect matters that contain a significant level of management estimates about future events, reflect the most complex and subjective judgments, and are subject to a fair degree of measurement uncertainty.

We have included in our Annual Report on Form 10-K for the year ended December 31, 2011, a discussion of these critical accounting policies, which are important to the understanding of our financial condition and results of operations and require management's judgments. We did not make any changes to these critical accounting policies during the first half of 2012.

FORWARD-LOOKING STATEMENTS

The information included in this Quarterly Report on Form 10-Q may contain forward-looking statements relating to trends in, or representing management's beliefs about, Domtar Corporation's future growth, results of operations, performance and business prospects and opportunities. These forward-looking statements are generally denoted by the use of words such as "anticipate", "believe", "expect", "intend", "aim", "target", "plan", "continue", "estimate", "project", "may", "will", "should" and similar expressions. These statements reflect management's current beliefs and are based on information currently available to management. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management, are inherently subject to known and unknown risks and uncertainties and other factors that could cause actual results to differ materially from historical results or those anticipated. Accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will occur, or if any occurs, what effect they will have on Domtar Corporation's results of operations or financial condition. These factors include, but are not limited to:

- conditions in the global capital and credit markets, and the economy generally, particularly in the United States, Canada, Europe and China;
- continued decline in usage of fine paper products in our core North American market;
- our ability to implement our business diversification initiatives, including strategic acquisitions;
- product selling prices;
- raw material prices, including wood fiber, chemical and energy;
- performance of the Company's manufacturing operations, including unexpected maintenance requirements;
- competition from domestic and foreign producers;
- the effect of, or change in, forestry, land use, environmental and other governmental regulations (including tax), and accounting regulations;
- the effect of weather and the risk of loss from fires, floods, windstorms, hurricanes and other natural disasters;

[Table of Contents](#)**ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURE ABOUT MARKET RISK**

Information relating to quantitative and qualitative disclosure about market risk is contained in our Annual Report on Form 10-K for the year ended December 31, 2011. There has not been any material change in our exposure to market risk since December 31, 2011. In the second quarter of 2012, we have updated the following disclosure.

COST RISK**Cash flow hedges**

We purchase natural gas and oil at the prevailing market price at the time of delivery. In order to manage the cash flow risk associated with purchases of natural gas and oil, we may utilize derivative financial instruments or physical purchases to fix the price of forecasted natural gas and oil purchases. We formally document the hedge relationships, including identification of the hedging instruments and the hedged items, the risk management objectives and strategies for undertaking the hedge transactions, and the methodologies used to assess effectiveness and measure ineffectiveness. Current contracts are used to hedge forecasted purchases over the next three years. The effective portion of changes in the fair value of derivative contracts designated as cash flow hedges is recorded as a component of Accumulated other comprehensive loss within Shareholders' equity, and is recognized in Cost of sales in the period in which the hedged transaction occurs.

The following table presents the volumes under derivative financial instruments for natural gas contracts outstanding as of June 30, 2012 to hedge forecasted purchases:

Commodity	Notional contractual quantity under derivative contracts		Notional contractual value under derivative contracts (in millions of dollars)	Percentage of forecasted purchases under derivative contracts for		
				2012	2013	2014
Natural gas	8,160,000	MMBTU ⁽¹⁾	\$ 37	32%	27%	14%

(1) MMBTU: Millions of British thermal units

The natural gas derivative contracts were fully effective for accounting purposes as of June 30, 2012. The critical terms of hedging instruments and the hedged items match. As a result, there were no amounts reflected in the Consolidated Statements of Earnings and Other comprehensive income for the three and six months ended June 30, 2012 resulting from hedge ineffectiveness (three and six months ended June 30, 2011 – nil).

FOREIGN CURRENCY RISK**Cash flow hedges**

We have manufacturing operations in the United States, Canada, Sweden and China. As a result, we are exposed to movements in the foreign currency exchange rate in Canada and Europe. Moreover, certain assets and liabilities are denominated in currencies other than the U.S. dollar and are exposed to foreign currency movements. As a result, our earnings are affected by increases or decreases in the value of the Canadian dollar and of other European currencies relative to the U.S. dollar. The Company's Swedish subsidiary is exposed to movements in foreign currency exchange rates on transactions denominated in a different currency than its Euro functional currency. Our risk management policy allows us to hedge a significant portion of our exposure to fluctuations in foreign currency exchange rates for periods up to three years. We may use derivative instruments (currency options and foreign exchange forward contracts) to mitigate our exposure to fluctuations in foreign currency exchange rates or to designate them as hedging instruments in hedge of the subsidiary's cash flow risk for purposes of the consolidated financial statements. Foreign exchange forward contracts are contracts whereby we have the obligation to buy foreign currencies at a specific rate. Currency options contracts purchased are contracts whereby we have the right, but not the obligation, to buy foreign currencies at the strike rate if the foreign currency trades above that rate. Currency options contracts sold are contracts whereby we have the obligation to buy foreign currencies at the strike rate if the foreign currency trades below that rate.

We formally document the relationship between hedging instruments and hedged items, as well as our risk management objectives and strategies for undertaking the hedge transactions. Foreign exchange forward contracts and currency options contracts used to hedge forecasted purchases in Canadian dollars and purchases in U.S. dollars made by the Swedish subsidiary are designated as cash flow hedges. Current contracts are used to hedge forecasted purchases over the next 12 months. The effective portion of changes in the fair value of derivative contracts designated as cash flow hedges is recorded as a component of Accumulated other comprehensive loss within Shareholders' equity, and is recognized in Cost of sales in the period in which the hedged transaction occurs.

[Table of Contents](#)**Net investment hedge**

We use foreign exchange currency option contracts to hedge the net assets of Attends Europe to offset the foreign currency translation and economic exposures related to its investment in the subsidiary. We are exposed to movements in foreign currency exchange rates of the Euro versus the U.S. dollar as Attends Europe has a Euro functional currency whereas we have a U.S. dollar functional and reporting currency. Current contracts are used to hedge the net investment over the next 12 months. The effective portion of changes in the fair value of derivative contracts designated as net investment hedges is recorded in Other comprehensive income within Shareholders' equity as part of the Foreign currency translation adjustments.

The following table presents the currency values under contracts pursuant to currency options outstanding as of June 30, 2012 to hedge forecasted purchases and the net investment:

Contract		Notional contractual value	Percentage of forecasted net exposures under contracts for	
			2012	2013
Currency options purchased	CDN	\$ 400	50%	25%
	EUR	€ 175.5	100%	100%
	USD	\$ 40	95%	46%
	GBP	£ 22	100%	48%
Currency options sold	CDN	\$ 400	50%	25%
	EUR	€ 75.5	43%	43%
	USD	\$ 40	95%	46%
	GBP	£ 22	100%	48%

The currency options are fully effective as at June 30, 2012. The critical terms of the hedging instruments and the hedged items match. As a result, there were no amounts reflected in the Consolidated Statements of Earnings and Comprehensive income for the three and six months ended June 30, 2012 resulting from hedge ineffectiveness (three and six months ended June 30, 2011 – nil).

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures that are designed to provide reasonable assurance that information required to be disclosed in our reports under the Securities and Exchange Act of 1934, as amended ("Exchange Act"), is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. As of June 30, 2012, an evaluation was performed by members of management, at the direction and with the participation of our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) or 15d-15(e) under the Exchange Act). Based upon this evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, as of June 30, 2012, our disclosure controls and procedures were effective.

Change in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting that have materially affected or are reasonably likely to materially affect our internal control over financial reporting during the period covered by this report.

PART II OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

A discussion of material developments in the Company's litigation and settlement matters occurring in the period covered by this report, if any, is found in Note 14 to the financial statements in this Quarterly Report on Form 10-Q.

ITEM 1A. RISK FACTORS

Our Annual Report on Form 10-K for the year ended December 31, 2011, contains important risk factors that could cause our actual results to differ materially from those projected in any forward-looking statement. There were no material changes to the risk factors described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011.

[Table of Contents](#)**ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS**

Share repurchase activity under our share repurchase program was as follows during the three-month period ended June 30, 2012:

Period	(a) Total Number of Shares Purchased	(b) Average Price Paid per Share	(c) Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs ⁽¹⁾	(d) Approximate Dollar Value of Shares that May Yet be Purchased under the Plans or Programs (in 000s)
April 1 through April 30, 2012	62,700	\$ 88.67	62,700	\$ 452,110
May 1 through May 31, 2012	582,883	\$ 80.49	582,883	\$ 405,192
June 1 through June 30, 2012	246,319	\$ 77.60	246,319	\$ 386,078
	<u>891,902</u>	<u>\$ 80.27</u>	<u>891,902</u>	

⁽¹⁾ During the second quarter of 2012, the Company repurchased 891,902 shares at an average price of \$80.27 per share, for a total cost of \$71 million under its stock repurchase program (the "Program") approved by the Board of Directors in May 2010 and amended in May 2011 and December 2011. We currently have \$386 million of remaining availability under our Program. The Program may be suspended, modified or discontinued at any time and the Company has no obligation to repurchase any amount of its common stock under the Program. The Program has no set expiration date. The Company repurchases its common stock, from time to time, in part to reduce the dilutive effects of its stock options, awards, and employee stock purchase plan and to improve shareholders' returns. The timing and amount of stock repurchases will depend on a variety of factors, including the market conditions as well as corporate and regulatory considerations. All shares repurchased are recorded as Treasury stock on the Consolidated Balance Sheets under the par value method at \$0.01 per share. During July 2012, we repurchased 219,819 shares at an average price of \$74.78 per share for a total cost of \$16 million.

NOW, THEREFORE, in consideration of the premises and the mutual agreements contained herein, the parties hereto hereby agree that the Existing Credit Agreement shall be amended and restated in its entirety as follows:

SECTION 1. DEFINITIONS

1.1 Defined Terms. As used in this Agreement, the terms listed in this Section 1.1 shall have the respective meanings set forth in this Section 1.1.

"ABR": for any day, a rate per annum (rounded upwards, if necessary, to the next 1/16 of 1%) equal to the greatest of (a) the Prime Rate in effect on such day, (b) the Federal Funds Effective Rate in effect on such day plus $\frac{1}{2}$ of 1% and (c) the Eurodollar Rate that would be calculated as of such day (or, if such day is not a Business Day, as of the next preceding Business Day) in respect of a proposed Eurodollar Loan with a one-month Interest Period plus 1.0%. Any change in the ABR due to a change in the Prime Rate, the Federal Funds Effective Rate or such Eurodollar Rate shall be effective as of the opening of business on the day of such change in the Prime Rate, the Federal Funds Effective Rate or such Eurodollar Rate, respectively.

"ABR Loans": Loans the rate of interest applicable to which is based upon the ABR.

"Acceptance Fee": a fee payable in Canadian Dollars by a Borrower with respect to the acceptance of a Bankers' Acceptance by a Lender under this Agreement, as set forth in Section 2.13.

"Additional Borrower": as defined in Section 2.24.

"Additional Borrower Obligations": as defined in the definition of "Obligations" in this Section 1.1.

"Administrative Agent": JPMorgan Chase Bank, N.A., together with its Affiliates as the administrative agent for the Lenders under this Agreement and the other Loan Documents and its respective successors appointed under Section 9.9 (it being understood that (i) matters concerning Canadian Revolving Loans, Canadian Swingline Loans and Letters of Credit denominated in Canadian Dollars will be administered by JPMorgan Chase Bank, N.A., Toronto Branch, and therefore all notices concerning such Loans or Letters of Credit, as the case may be, will be required to be given at the Canadian Funding Office and (ii) matters concerning Euro Revolving Loans and Letters of Credit denominated in Euros will be administered by J.P. Morgan Europe Limited, and therefore all notices concerning such Loans or Letters of Credit, as the case may be, will be required to be given at the Euro Funding Office), and for purposes of Sections 9.3, 9.7 and 10.5, its Affiliate, J.P. Morgan Securities LLC, and Scotiabank and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as the arrangers of the Revolving Commitments.

"Affiliate": as to any Person, any other Person that, directly or indirectly, is in control of, is controlled by, or is under common control with, such Person. For purposes of this definition, "control" of a Person means the power, directly or indirectly, either to (a) vote 10% or more of the securities having ordinary voting power for the election of directors (or persons performing similar functions) of such Person or (b) direct or cause the direction of the management and policies of such Person, whether by contract or otherwise.

"Agents": the collective reference to the Syndication Agents, the Co-Documentation Agents and the Administrative Agent.

"Aggregate Exposure": with respect to any Lender at any time, an amount equal to the amount of such Lender's Revolving Commitment then in effect or, if the Total Revolving Commitments have been terminated, the amount of such Lender's Revolving Extensions of Credit then outstanding.

"Aggregate Exposure Percentage": with respect to any Lender at any time, the ratio (expressed as a percentage) of such Lender's Aggregate Exposure at such time to the Aggregate Exposure of all Lenders at such time.

"Agreement": as defined in the preamble hereto.

"AML Legislation": as defined in Section 10.20.

"Applicable Margin": for each Type and Class of Loan, the applicable rate per annum set forth in the Applicable Pricing Grid.

"Applicable Pricing Grid": the table set forth below:

Level	Corporate Rating	Bankers'	US Base Rate	Facility Fee
		Acceptances/ Eurodollar Loan Applicable Margin/ EURIBOR Loan Applicable Margin	Loan / ABR Loan / Canadian Prime Rate Loan Applicable	
I	Corporate Ratings of at least BBB+ by S&P/Baa1 by Moody's	0.975%	0.0%	0.15%
II	Corporate Ratings of at least BBB by S&P/Baa2 by Moody's and not Level I	1.075%	0.075%	0.175%
III	Corporate Ratings of at least BBB- by S&P/Baa3 by Moody's and not Level I or II	1.275%	0.275%	0.225%
IV	Corporate Ratings of at least BB+ by S&P/Ba1 by Moody's and not Level I, II or III	1.475%	0.475%	0.275%
V	Corporate Ratings below Level IV	1.675%	0.675%	0.325%

"Corporate Rating" is the public, corporate credit rating of the Parent Borrower or, if no such rating is available, the rating for the senior, unsecured, long-term indebtedness for borrowed money of the Parent Borrower.

For purposes of the foregoing, (i) if either Moody's or S&P shall not have in effect a Corporate Rating (other than by reason of the circumstances referred to in the last sentence of this definition), then such rating agency shall be deemed to have established a rating in Level V; (ii) if the Corporate Ratings established or deemed to have been established by Moody's and S&P shall fall within different Levels, the pricing shall be based on the higher of the two ratings unless one of the two ratings is two or more Levels lower than the other, in which case the pricing shall be determined by reference to the Level next below that of the higher of the two ratings; and (iii) if the Corporate Rating established or deemed to have been established by Moody's or S&P shall be changed (other than as a result of a change in the rating system of Moody's or S&P), such change shall be effective as of the date on which it is first announced by the applicable rating agency, irrespective of when notice of such change shall have been furnished by the Borrowers to the Administrative Agent and the Lenders. Each change in pricing shall apply during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. If the rating system of Moody's or S&P shall change, or if either such rating agency shall cease to be in the business of assigning corporate ratings, the Borrowers and the Lenders shall negotiate in good faith to amend this pricing grid to reflect such changed rating system or the unavailability of such ratings from such rating agency and, pending the effectiveness of any such amendment, the pricing shall be determined by reference to the rating most recently in effect prior to such change or cessation. For purposes of this paragraph, the term "pricing" shall refer collectively to "Bankers' Acceptances / Eurodollar Loan Applicable Margin / EURIBOR Loan Applicable Margin", "US Base Rate Loan / ABR Loan / Canadian Prime Rate Loan Applicable Margin" and "Facility Fee".

"Application": an application, in such form as each Issuing Lender may specify from time to time, requesting such Issuing Lender to open a Letter of Credit.

"Assignee": as defined in Section 10.6(c).

"Assignment and Assumption": an Assignment and Assumption, substantially in the form of Exhibit C.

"Assignor": as defined in Section 10.6(c).

"Assumption Agreement": an Assumption Agreement, substantially in the form of Exhibit K.

"Available Revolving Commitment": as to any Revolving Lender at any time, an amount equal to the excess, if any, of (a) such Lender's Revolving Commitment then in effect over (b) such Lender's Revolving Extensions of Credit then outstanding.

"BA Equivalent Loan": an extension of credit made by a Non-BA Lender evidenced by a Discount Note.

"Bankers' Acceptance" and "BA": a bill of exchange, including a depository bill issued in accordance with the *Depository Bills and Notes Act* (Canada), denominated in Canadian Dollars, drawn by a Borrower and accepted by a Lender and includes a Discount Note.

"Bankruptcy Event": with respect to any Person, such Person becomes the subject of a bankruptcy or insolvency proceeding, or has had a receiver, conservator, trustee, administrator, custodian, assignee for the benefit of creditors or similar Person charged with the reorganization or liquidation of its business appointed for it, or, in the good faith determination of the Administrative Agent, has taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any such proceeding or appointment, provided that a Bankruptcy Event shall not result solely by virtue of any ownership interest, or the acquisition of any ownership interest, in such Person by a Governmental Authority or instrumentality thereof, provided, further, that such ownership interest does not result in or provide such Person with immunity from the jurisdiction of any court of competent jurisdiction or from the enforcement of judgments or writs of attachment or execution on its assets or permit such Person (or such Governmental Authority or instrumentality) to reject, repudiate, disavow or disaffirm any contracts or agreements made by such Person.

"Board": the Board of Governors of the Federal Reserve System of the United States (or any successor).

"Borrower Termination Notice": a Borrower Termination Notice substantially in the form of Exhibit J.

"Borrowers": the collective reference to the Parent Borrower, the Subsidiary Borrower, the Canadian Borrower and any Additional Borrower (in the case of each of the Subsidiary Borrower, the Canadian Borrower and any such Additional Borrower, until such time as it has been terminated as a Borrower pursuant to Section 2.24(b)).

"Borrowing Date": any Business Day on which Loans are made or are to be made or BAs are issued or are to be issued pursuant to a request by a relevant Borrower in accordance with the terms hereof.

During the Revolving Commitment Period, each Borrower may use the Revolving Commitments by borrowing, prepaying the Revolving Loans in whole or in part, and reborrowing (including, in the case of Canadian Revolving Loans, by requesting the Tranche 1 Revolving Lenders to accept and purchase Bankers' Acceptances), all in accordance with the terms and conditions hereof. The Revolving Loans may from time to time be (1) Eurodollar Loans or ABR Loans, in the case of US Revolving Loans, (2) US Base Rate Loans, in the case of US Revolving Loans borrowed by the Canadian Borrower or any Canadian Additional Borrower, (3) Canadian Prime Rate Loans or Banker's Acceptances, in the case of Canadian Revolving Loans or (4) EURIBOR Loans, in the case of Euro Revolving Loans, in each case as determined by the relevant Borrower and notified to the Administrative Agent in accordance with Sections 2.2, 2.3 and 2.11.

(b) Each Borrower shall repay all its outstanding Revolving Loans in US Dollars Canadian Dollars or Euros, as the case may be, on the earlier of (x) the Termination Date and (y) the date on which a Change of Control shall occur.

(c) The Termination Date with respect to the Revolving Commitments may be extended annually, in the manner set forth in this Section 2.1(c), in each case for a period of one year measured from the Termination Date then in effect. If the Borrowers wish to request an extension of the Termination Date, they shall jointly give notice to that effect to the Administrative Agent at any time and from time to time after the first anniversary of the Closing Date and not less than 45 days prior to the Termination Date then in effect. The Administrative Agent shall promptly notify each Lender of receipt of such request. Each Lender shall endeavor to respond to such request, whether affirmatively or negatively (such determination in the sole discretion of such Lender), by notice to the Borrowers and the Administrative Agent within 30 days of receipt of such request. Subject to the execution by the Borrowers, the Administrative Agent and such Lender of a duly completed Extension Agreement, the Termination Date applicable to the Revolving Commitment of each Lender so affirmatively notifying the Borrowers and the Administrative Agent shall be extended for the period specified above; provided that (x) no Termination Date of any Lender shall be extended unless Lenders having at least 50% in aggregate amount of the Revolving Commitments in effect at the time any such extension is requested shall have elected so to extend their Revolving Commitments, (y) on the date of any such extension of the Termination Date, each of the representations and warranties made by each Borrower herein shall be true and correct in all material respects, on and as of such date as if made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date and (z) no Termination Date of any Lender shall be extended if a Default or Event of Default shall have occurred and be continuing. Any Lender which does not give such notice to the Borrowers and the Administrative Agent shall be deemed to have elected not to extend as requested, and the Revolving Commitment of each non-extending Lender shall terminate on the earlier of (x) the Termination Date and (y) the date on which a Change of Control shall occur, determined without giving effect to such requested extension. The Borrowers, at their discretion, will have the right at any time pursuant to Section 10.1(b) to seek a substitute bank or banks for any Lender which does not elect to extend its Revolving Commitment. Following any such extension, the L/C Obligations shall continue to be held ratably among the Tranche 1 Revolving Lenders, but on the Termination Date as applicable to any non-extending Revolving Lender, the L/C Obligations of such non-extending Revolving Lender shall be ratably reallocated, to the extent of the Available Revolving Commitments of the extending Tranche 1 Revolving Lenders to the extending Tranche 1 Revolving Lenders (without regard to whether the conditions set forth in Section 5.1(e) can then be satisfied) and the applicable Borrower shall cash collateralize the balance of such L/C Obligations.

2.2 Procedure for Revolving Loan Borrowing. A Borrower may borrow under the Revolving Commitments during the Revolving Commitment Period on any Business Day, provided that (a) with respect to US Revolving Loans, such Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 10:00 A.M., on the Closing Date for Loans requested to be made on the Closing Date, three Business Days prior to the requested Borrowing Date, in the case of Eurodollar Loans or one Business Day prior to the requested Borrowing Date, in the case of ABR Loans or US Base Rate Loans), specifying (i) the amount and Type of US Revolving Loans to be borrowed, (ii) whether such Revolving Loans shall be borrowed pursuant to the Tranche 1 Revolving Commitments or the Tranche 2 Revolving Commitments, (iii) the requested Borrowing Date, and (iv) in the case of Eurodollar Loans, the length of the initial Interest Period, (b) with respect to Canadian Revolving Loans, such Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 10:00 A.M., on the Closing Date for Loans requested to be made on the Closing Date, two Business Days prior to the requested Borrowing Date, in the case of Bankers' Acceptances or one Business Day prior to the requested Borrowing Date in the case of Canadian Prime Rate Loans), specifying (i) the amount and Type of Canadian Revolving Loans to be borrowed, (ii) the requested Borrowing Date and (iii) in the case of Bankers' Acceptances, the length of the initial Contract Period therefor and (c) with respect to Euro

Revolving Loans, such Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 10:00 A.M., London time, four Business Days prior to the requested Borrowing Date), specifying (i) the amount of Euro Revolving Loans to be borrowed, (ii) the requested Borrowing Date and (iii) the length of the initial Interest Period therefor. Each borrowing under the Revolving Commitments shall be in an amount equal to US\$10,000,000, C\$10,000,000 or €10,000,000, as applicable, or a whole multiple of US\$1,000,000, C\$1,000,000 or €1,000,000 in excess thereof or, if the then aggregate Available Revolving Commitments are less than US\$10,000,000, such lesser amount (or the applicable US Dollar Equivalent thereof); provided, that each Swingline Lender and each Issuing Lender may request, on behalf of a Borrower, borrowings under the Tranche 1 Revolving Commitments that are ABR Loans, US Base Rate Loans or Canadian Prime Rate Loans in other amounts pursuant to Section 2.6 and Section 3.5, respectively. Upon receipt of any such notice from the relevant Borrower, the Administrative Agent shall promptly notify each Revolving Lender of the applicable Class thereof. Each Tranche 1 Revolving Lender or Tranche 2 Revolving Lender, as the case may be, will make the amount of its pro rata share of each borrowing available to the Administrative Agent for the account of the relevant Borrower at the relevant Funding Office prior to 12:00 Noon, on the Borrowing Date requested by such Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be made available to such Borrower by the Administrative Agent crediting an account as directed by such Borrower with the aggregate of the amounts made available to the Administrative Agent by the applicable Lenders and in like funds as received by the Administrative Agent. Each Tranche 1 Revolving Lender shall make available to any Borrower Bankers' Acceptance borrowings during the Revolving Commitment Period, in accordance with and pursuant to the procedures set forth in Section 2.3.

2.3 Bankers' Acceptances.

(a) Term. Each Bankers' Acceptance shall have a Contract Period of approximately thirty days, sixty days, ninety days or one hundred and eighty days or (with the consent of each affected Lender) two hundred and seventy days or three hundred and sixty-five days, subject to availability. No Contract Period shall extend beyond the Termination Date. If such Contract Period would otherwise end on a day that is not a Business Day, such Contract Period shall end on the next preceding day that is a Business Day.

(b) Discount Rate. On each Borrowing Date on which Bankers' Acceptances are to be accepted, the Administrative Agent shall advise the applicable Borrower as to the Administrative Agent's determination of the applicable Discount Rate for the Bankers' Acceptances which any of the Tranche 1 Revolving Lenders have agreed to purchase.

(c) Purchase. Each Tranche 1 Revolving Lender agrees to purchase a Bankers' Acceptance accepted by it. The applicable Borrower shall sell, and such Tranche 1 Revolving Lender shall purchase, the Bankers' Acceptance at the applicable Discount Rate. Such Tranche 1 Revolving Lender shall provide to the relevant Funding Office the Discount Proceeds less the Acceptance Fee payable by such Borrower with respect to such Bankers' Acceptance. Such proceeds will then be made available to such Borrower by the Administrative Agent crediting an account as directed by such Borrower with the aggregate of the amounts made available to the Administrative Agent by such Tranche 1 Revolving Lenders and in like funds as received by the Administrative Agent.

(d) Sale. Each Tranche 1 Revolving Lender may from time to time hold, sell, rediscount or otherwise dispose of any or all Bankers' Acceptances accepted and purchased by it.

(e) Power of Attorney for the Execution of Bankers' Acceptances. To facilitate borrowings under the Tranche 1 Revolving Commitments by way of BAs, each Borrower hereby appoints each Tranche 1 Revolving Lender as its attorney to sign and endorse on its behalf, in handwriting or by facsimile or mechanical signature as and when deemed necessary by such Tranche 1 Revolving Lender, blank forms of BAs. In this respect, it is each Tranche 1 Revolving Lender's responsibility to maintain an adequate supply of blank forms of BAs for acceptance under this Agreement. Each Borrower recognizes and agrees that all BAs required to be accepted and purchased by any Tranche 1 Revolving Lender and which are signed and/or endorsed on its behalf by a Tranche 1 Revolving Lender shall bind such Borrower as fully and effectually as if signed in the handwriting of and duly issued by the proper signing officers of such Borrower. Each Tranche 1 Revolving Lender is hereby authorized to issue such BAs endorsed in blank in such face amounts as may be determined by such Tranche 1 Revolving Lender; provided that the aggregate amount thereof is equal to the aggregate amount of BAs required to be accepted and purchased by such Tranche 1 Revolving Lender. No Tranche 1 Revolving Lender shall be liable for any damage, loss or other claim arising by reason of any loss or improper use of any such instrument except the gross negligence or willful misconduct of such Tranche 1 Revolving Lender or its officers, employees, agents or representatives. On request by a Borrower, a Tranche 1 Revolving Lender shall cancel all forms of BAs which have been pre-signed or pre-endorsed by or on behalf of such Borrower and which are held by such Tranche 1 Revolving Lender and have not yet been issued in accordance herewith. Each Tranche 1 Revolving Lender shall maintain a record with respect to BAs held by it in blank hereunder, voided by it for any reason, accepted and purchased by it hereunder, and cancelled at their respective maturities. Each Tranche 1 Revolving Lender agrees to provide such records to a Borrower at such Borrower's expense upon request.

(f) Execution. Drafts drawn by a Borrower to be accepted as Bankers' Acceptances shall be signed by a duly authorized officer or officers of such Borrower or by its attorneys including attorneys appointed pursuant to Section 2.3(e) above. Notwithstanding that any Person whose signature appears on any Bankers' Acceptance may no longer be an authorized signatory for such Borrower at the time of issuance of a Bankers' Acceptance, that signature shall nevertheless be valid and sufficient for all purposes as if the authority had remained in force at the time of issuance and any Bankers' Acceptance so signed shall be binding on such Borrower.

(g) Issuance. The Administrative Agent, promptly following receipt of a notice of borrowing, continuation or conversion by way of Bankers' Acceptances, shall advise the applicable Tranche 1 Revolving Lenders of the notice and shall advise each such Tranche 1 Revolving Lender of the face amount of Bankers' Acceptances to be accepted by it and the applicable Contract Period (which shall be identical for all Revolving Lenders). The aggregate face amount of Bankers' Acceptances to be accepted by a Tranche 1 Revolving Lender shall be determined by the Administrative Agent by reference to such Tranche 1 Revolving Lender's Revolving Percentage of the issue of Bankers' Acceptances, except that, if the face amount of a Bankers' Acceptance which would otherwise be accepted by a Tranche 1 Revolving Lender would not be C\$100,000, or a whole multiple thereof, the face amount shall be increased or reduced by the Administrative Agent in its sole discretion to C\$100,000, or the nearest whole multiple of that amount, as appropriate; provided that after such issuance, no Tranche 1 Revolving Lender shall have outstanding Revolving Extensions of Credit in excess of its Tranche 1 Revolving Commitment.

(h) Waiver of Presentment and Other Conditions. Each Borrower waives presentment for payment and any other defense to payment of any amounts due to a Revolving Lender in respect of a Bankers' Acceptance accepted and purchased by it pursuant to this Agreement which might exist solely by reason of the Bankers' Acceptance being held, at the maturity thereof, by such Revolving Lender in its own right and each Borrower agrees not to claim any days of grace if such Revolving Lender as holder sues such Borrower on the Bankers' Acceptance for payment of the amount payable by such Borrower thereunder. On the specified maturity date of a BA, or the date of any prepayment thereof in accordance with this Agreement, if earlier, the applicable Borrower shall pay to such Revolving Lender that has

accepted such BA the full face amount of such BA (or shall make provision for payment by way of conversion or continuation in accordance with Sections 2.11(c) or (d)) in full and absolute satisfaction of its obligations with respect to such BA, and after such payment, such Borrower shall have no further liability in respect of such BA (except to the extent that any such payment is rescinded or reclaimed by operation of law or otherwise) and such Revolving Lender shall be entitled to all benefits of, and will make and otherwise be responsible for all payments due to the redeeming holder or any third parties under, such BA.

(i) BA Equivalent Loans by Non-BA Lenders. Whenever a Borrower requests a borrowing by way of Bankers' Acceptances, each Non-BA Lender shall, in lieu of accepting a Bankers' Acceptance, make a BA Equivalent Loan in an amount equal to such Non-BA Lender's Revolving Percentage of such borrowing. On the relevant Borrowing Date, the Administrative Agent shall credit an account as directed by such Borrower with the aggregate of the amounts made available to the Administrative Agent by such Lenders and in like funds as received by the Administrative Agent.

(j) Terms Applicable to BA Equivalent Loans. As set out in the definition of "Bankers' Acceptances", that term includes Discount Notes and all terms of this Agreement applicable to Bankers' Acceptances (including the provisions of Section 2.3(e) relating to their execution by the Revolving Lenders under power of attorney) shall apply equally to Discount Notes evidencing BA Equivalent Loans with such changes as may in the context be necessary. For greater certainty:

(i) the term of a Discount Note shall be the same as the Contract Period for Bankers' Acceptances accepted and purchased on the same Borrowing Date in respect of the same borrowing;

(ii) an acceptance fee will be payable in respect of a Discount Note and shall be calculated at the same rate and in the same manner as the Acceptance Fee in respect of a Bankers' Acceptance; and

(iii) the Discount Rate applicable to a Discount Note shall be the Discount Rate applicable to Bankers' Acceptances accepted by a Revolving Lender that is not a Schedule I Lender in accordance with the definition of "Discount Rate" on the same Borrowing Date or date of continuation or conversion, as the case may be, in respect of the same borrowing for the relevant Contract Period.

Each Non-BA Lender may agree, in lieu of receiving any Discount Notes, that such Discount Notes may be uncertificated and the applicable BA Equivalent Loan shall be evidenced by a loan account, which such Non-BA Lender shall maintain in its name, and in such event such loan account shall be entitled to all the benefits of Discount Notes in respect of BA Equivalent Loans.

(k) Depository Bills and Notes Act. At the option of the applicable Borrower and any Revolving Lender, Bankers' Acceptances under this Agreement to be accepted by such Revolving Lender may be issued in the form of depository bills for deposit with The Canadian Depository for Securities Limited pursuant to the *Depository Bills and Notes Act* (Canada). All depository bills so issued shall be governed by the provisions of this Section 2.3.

2.4 Circumstances Making Bankers' Acceptances Unavailable.

(a) If the Administrative Agent determines in good faith, which determination shall constitute *prima facie* evidence thereof, and notifies the Parent Borrower that, by reason of circumstances affecting the money market, there is no market for Bankers' Acceptances, then:

(i) the right of the Borrowers to request a borrowing by way of Bankers' Acceptance shall be suspended until the Administrative Agent determines that the circumstances causing such suspension no longer exist and the Administrative Agent so notifies the Parent Borrower; and

(ii) any notice relating to a borrowing by way of Bankers' Acceptance which is outstanding at such time shall be deemed to be a notice requesting a borrowing by way of Canadian Prime Rate Loans (all as if it were a notice given pursuant to Section 2.2).

(b) The Administrative Agent shall promptly notify the Parent Borrower and the Revolving Lenders of the suspension in accordance with Section 2.4(a) of the Borrowers' right to request a borrowing by way of Bankers' Acceptance and of the termination of such suspension.

2.5 Swingline Commitment.

(a) Subject to the terms and conditions hereof, each Swingline Lender, in reliance on the agreements of the other Tranche 1 Revolving Lenders set forth in Section 2.6, agrees to make a portion of the credit otherwise available to the Borrowers under the Tranche 1 Revolving Commitments from time to time during the Revolving Commitment Period by (i) making swing line loans (such loans, "US Swingline Loans") to the Non-Canadian Borrowers in US Dollars and (ii) making swing line loans (such loans, "Canadian Swingline Loans"; and, together with the US Swingline Loans, the "Swingline Loans") to the Canadian Borrower and any Canadian Additional Borrower in US Dollars or Canadian Dollars; provided that the Swingline Lenders shall not make any Swingline Loan available if, after giving effect thereto (i) the aggregate principal amount of such Swingline Lender's Swingline Loans outstanding would exceed the Swingline Commitment then in effect for such Swingline Lender, (ii) the aggregate amount of the Revolving Extensions of Credit of the Tranche 1 Lenders outstanding at such time would exceed the aggregate amount of Tranche 1 Revolving Commitments in effect at such time or (iii) the Total Revolving Extensions of Credit denominated in Canadian Dollars would exceed the Canadian Dollar Equivalent of US\$150,000,000. During the Revolving Commitment Period, the Borrowers may use the Swingline Commitment by borrowing, repaying and reborrowing, all in accordance with the terms and conditions hereof. Each Swingline Loan shall be an ABR Loan, in the case of a US Swingline Loan, a US Base Rate Loan, in the case of a Canadian Swingline Loan denominated in US Dollars, or a Canadian Prime Rate Loan, in the case of a Canadian Swingline Loan denominated in Canadian Dollars.

(b) Each Borrower shall repay its outstanding Swingline Loans on such terms as it may agree with the relevant Swingline Lender; provided that in no event shall such repayment occur later than the earliest of (x) the date that is ten Business Days after such Swingline Loan is made, (y) the Termination Date and (z) the date on which a Change of Control shall occur.

2.6 Procedures for Swingline Borrowing and Reporting; Refunding of Swingline Loans.

(a) (i) Whenever a Non-Canadian Borrower desires that any Swingline Lender make US Swingline Loans, it shall give such Swingline Lender and the Administrative Agent irrevocable notice (which notice must be received by such Swingline Lender no later than 12:00 P.M. on the proposed Borrowing Date), specifying (A) the amount to be borrowed and (B) the requested Borrowing Date (which shall be a Business Day during the Revolving Commitment Period). Whenever the Canadian Borrower or any Canadian Additional Borrower desires that any Swingline Lender make Canadian Swingline Loans, it shall give such Swingline Lender and the Administrative Agent irrevocable notice (which notice must be received by such Swingline Lender not later than 12:00 P.M. on the proposed Borrowing Date), specifying (A) whether such Loan shall be denominated in US Dollars or Canadian

Dollars, (B) the amount to be borrowed and (C) the requested Borrowing Date (which shall be a Business Day during the Revolving Commitment Period). Each borrowing under any Swingline Commitment shall be in an amount equal to US\$1,000,000 or C\$1,000,000 or a whole multiple thereof. Not later than 2:00 P.M., on the Borrowing Date specified in a notice in respect of any Swingline Loan, the relevant Swingline Lender shall make such Swingline Loan available to the relevant Borrower, in the manner and on such terms as may be agreed by such Swingline Lender and such Borrower.

(ii) Alternatively, the Parent Borrower or Canadian Borrower may establish or designate, by agreement with each relevant Swingline Lender, at its Lending Office, accounts for the Canadian Borrower (one in Canadian Dollars and one in US Dollars) or the Parent Borrower (in US Dollars), each of which is referred to as a "Swingline Account". The Swingline Accounts shall record the day to day banking business of the Canadian Borrower or the Parent Borrower with such Swingline Lender (other than under this Agreement). If, at the end of any Business Day, the balance in any Swingline Account is a debit, then to the extent there is sufficient availability under the Swingline Commitment and subject to the conditions in Section 2.5(a), such debit position shall be deemed to be recorded as a Swingline Loan by way of (i) ABR Loan, in the case of a debit position for the Parent Borrower denominated in US Dollars, (ii) US Base Rate Loan, in the case of a debit position for the Canadian Borrower denominated in US Dollars or (iii) Canadian Prime Rate Loan, in the case of a debit position for the Canadian Borrower denominated in Canadian Dollars. The accounts and records of each Swingline Lender shall constitute, in the absence of manifest error, *prima facie* evidence of outstanding Swingline Loans and Swingline Account balances from time to time, the Borrowing Dates such Swingline Loans were made and all amounts that the Canadian Borrower or Parent Borrower has paid from time to time on account of such Obligations.

(iii) Each Swingline Lender and the relevant Borrower shall be solely responsible for monitoring the outstanding balance of all Swingline Accounts and Swingline Loans made by such Swingline Lender from time to time. The Administrative Agent shall not be responsible for monitoring such balances or determining compliance with the conditions in Section 2.5(a).

(iv) Each Swingline Lender to each Borrower shall report in writing to the Administrative Agent on the first Business Day of each month (or as may otherwise be requested by the Administrative Agent), the aggregate Swingline Loans made by it and outstanding as of the last Business Day of the preceding month; provided, that in the event the aggregate amount of the Revolving Extensions of Credit of the Tranche 1 Lenders outstanding at such time (other than Swingline Loans) equal or exceed the aggregate amount of Tranche 1 Revolving Commitments in effect at such time less the aggregate of all Swingline Commitments, such Swingline Lender shall report in writing to the Administrative Agent on a daily basis, or as may be otherwise requested by the Administrative Agent, the aggregate Swingline Loans made by it and outstanding on each Business Day.

(b) A Borrower may, from time to time voluntarily prepay Swingline Loans on such terms as it may agree with the relevant Swingline Lender. At any time when a Swingline Loan is outstanding, at the written request of a Swingline Lender to the Administrative Agent, with a copy to the relevant Borrower, the Administrative Agent shall, on the date of such request, request (on behalf of such Borrower, which hereby irrevocably directs the Administrative Agent to act on its behalf) each Tranche 1 Revolving Lender to make a Tranche 1 Revolving Loan by way of an ABR Loan (in the case of US Swingline Loans), a US Base Rate Loan (in the case of Canadian Swingline Loans denominated in US Dollars) or a Canadian Prime Rate Loan (in the case of Canadian Swingline Loans denominated in Canadian Dollars), to such Borrower in an amount equal to such Tranche 1 Revolving Lender's Tranche 1 Revolving Percentage of the principal amount of such outstanding Swingline Loan (the "Refunded Swingline Loan") owing by such Borrower on the date such notice is given (regardless of whether such Refunded Swingline Loan complies with the minimum borrowing provisions of Section 2.2). Upon such

request by the Administrative Agent for the refunding of the Swingline Loan, each applicable Tranche 1 Revolving Lender shall make the amount of its ABR Loan, US Base Rate Loan or Canadian Prime Rate Loan, as the case may be, available for value to the Administrative Agent for the benefit of such Swingline Lender at the relevant Funding Office of the Administrative Agent before 2:00 P.M. on the date of such request; provided, however, that if a Default or an Event of Default under Section 8(h) or 8(i) shall have occurred and be continuing, the Tranche 1 Revolving Lenders shall not make such Refunded Swingline Loans and the procedures of Section 2.6(c) shall apply.

(c) If, before the making of an ABR Loan, a US Base Rate Loan or a Canadian Prime Rate Loan under Section 2.6(b), a Default or an Event of Default under Section 8(h) or 8(i) shall have occurred and be continuing, each Tranche 1 Revolving Lender will, on the date such ABR Loan, US Base Rate Loan or Canadian Prime Rate Loan was to have been made, purchase from the Swingline Lender an undivided participating interest in the Swingline Loan to be refunded in an amount (the "Swingline Participation Amount") equal to its Tranche 1 Revolving Percentage of such Swingline Loan to be refunded, and each such Tranche 1 Revolving Lender will immediately transfer to the Administrative Agent, in funds for value, the amount of its participation.

(d) Whenever, at any time after any Swingline Lender has received from any Tranche 1 Revolving Lender such Tranche 1 Revolving Lender's Swingline Participation Amount, such Swingline Lender receives any payment on account of the Swingline Loans, such Swingline Lender will distribute, through the Administrative Agent, to such Tranche 1 Revolving Lender its Tranche 1 Revolving Percentage of such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Tranche 1 Revolving Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Tranche 1 Revolving Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by such Swingline Lender is required to be returned, such Tranche 1 Revolving Lender will return to such Swingline Lender any portion thereof previously distributed to it by such Swingline Lender.

(e) Each Tranche 1 Revolving Lender's obligation to make the Loans referred to in Section 2.6(b) and to purchase participating interests pursuant to Section 2.6(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Tranche 1 Revolving Lender or the relevant Borrower may have against any Swingline Lender, such Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Parent Borrower and its Subsidiaries; (iv) any breach of this Agreement by the Parent Borrower or any of its Subsidiaries or any other Tranche 1 Revolving Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.7 Fees, etc.

(a) The Parent Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a facility fee (a "Facility Fee") in US Dollars, which shall accrue at the Facility Fee Rate on the amount of the Revolving Commitments of such Lender, whether used or unused, during the period from and including the Closing Date to but excluding the Termination Date (or earlier date of termination of the Revolving Commitments in their entirety); provided that if any Loans remain outstanding after such Termination Date (or such earlier date of termination), such Facility Fee shall be payable on the aggregate principal thereof for the period after the Termination Date (or such earlier date of termination) until such Loans are paid in full. Accrued Facility Fees shall be payable in arrears on the third Business Day after the last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof.

(b) The Borrowers agree to pay to the Administrative Agent the fees in the amounts and on the dates previously agreed to in writing by the Borrowers and the Administrative Agent in the fee letter dated May 9, 2012.

2.8 Termination or Reduction of Revolving Commitments. The Parent Borrower (on behalf of itself and the other Borrowers) shall have the right, upon not less than three Business Days' notice to the Administrative Agent to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Revolving Commitments; provided that no such termination or reduction of Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans and Swingline Loans made on the effective date thereof, the Total Revolving Extensions of Credit would exceed the Total Revolving Commitments as so terminated or reduced. Any such reduction shall be in a minimum amount equal to US\$10,000,000 or a whole multiple of US\$1,000,000 in excess thereof, and shall reduce permanently the Revolving Commitments then in effect. Each reduction of the Revolving Commitments shall be made ratably among the Classes in accordance with the percentage which the aggregate amount of Revolving Commitments of each Class then constitutes of the Total Revolving Commitments then in effect and modified by the Administrative Agent to account for rounding adjustments. Each reduction of the Revolving Commitments of any Class shall be made ratably among the Lenders within such Class in accordance with their respective Revolving Commitments of such Class.

2.9 Optional Prepayments.

(a) Each of the Borrowers may at any time and from time to time prepay any Loans made to it, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Administrative Agent, at least three Business Days prior thereto, which notice shall specify the date and amount of prepayment, whether the prepayment is made to Swingline Loans or Revolving Loans and whether the prepayment is of Eurodollar Loans, ABR Loans, US Base Rate Loans, EURIBOR Loans, Canadian Prime Rate Loans or Bankers' Acceptances; provided, that if a Eurodollar Loan or EURIBOR Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the relevant Borrower shall also pay any amounts owing pursuant to Section 2.19. Optional prepayments shall be applied as directed by the relevant Borrower.

(b) Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans, US Base Rate Loans or Canadian Prime Rate Loans and Swingline Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Loans shall be in an aggregate principal amount of US\$10,000,000, €10,000,000 or C\$10,000,000, as the case may be, or a whole multiple of US\$1,000,000, €1,000,000 or C\$1,000,000 in excess thereof. Bankers' Acceptances may be prepaid prior to the maturity thereof, provided that the applicable Borrower shall pay the full face amount of such Bankers' Acceptances to the Administrative Agent, which payment shall be made in full and absolute satisfaction of such Borrower's reimbursement obligation in respect of such Bankers' Acceptances.

2.10 Mandatory Prepayments.

(a) If, due to exchange rate fluctuations or for any reason whatsoever, the aggregate amount of the Revolving Extensions of Credit of the Tranche 1 Lenders outstanding shall, at any time, exceed 105% of the aggregate amount of the Tranche 1 Revolving Commitments in effect at such time,

(the amount of such excess, an "Excess Amount"), then within three Business Days of written notice from the Administrative Agent, the Borrowers shall first, prepay the Tranche 1 Revolving Loans and/or Swingline Loans in an amount so as to, as nearly as possible, eliminate such Excess Amount; and second, if any Excess Amount shall remain after such prepayment, provide cash collateral or such other security on Cash Equivalents as the Administrative Agent may require in US Dollars, Euros or Canadian Dollars in an amount equal to the remaining Excess Amount, which collateral shall secure all Obligations outstanding and shall remain in the Administrative Agent's possession until such Excess Amount is eliminated whereupon the collateral shall be released by the Administrative Agent to the Borrowers. Notwithstanding any other provision of this Agreement, including any provision contemplating a continuation or conversion, whenever an Excess Amount exists, (A) upon the last day of the Contract Period of any Bankers' Acceptance, the relevant Borrower shall repay the Bankers' Acceptance, or (B) upon the last day of the Interest Period in respect of a Eurodollar Loan or EURIBOR Loan that is a Revolving Loan, the relevant Borrower shall repay the Eurodollar Loan or EURIBOR Loan, as applicable, in each case to the extent necessary to cover the Excess Amount and any repayments under clauses (A) and (B) shall be applied in reduction of the Excess Amount.

(b) Each prepayment of the Loans under Section 2.10 (except in the case of Revolving Loans that are ABR Loans, US Base Rate Loans or Canadian Prime Rate Loans and Swingline Loans) shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

(c) Notwithstanding the foregoing provisions of this Section 2.10 and subject to Section 3.5 with respect to Letters of Credit, if at any time any prepayment of the Loans pursuant to paragraph (a) of this Section 2.10 would result, after giving effect to the procedures set forth in this Agreement, in a Borrower being required to indemnify for breakage costs under Section 2.19 as a result of Eurodollar Loans or EURIBOR Loans being prepaid other than on the last day of an Interest Period with respect thereto, then, such Borrower may, so long as no Default or Event of Default shall have occurred and be continuing, in its sole discretion, initially deposit a portion (up to 100%) of the amounts that otherwise would have been paid in respect of such Eurodollar Loans or EURIBOR Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurodollar Loans or EURIBOR Loans not immediately prepaid) to be held as security for the obligations of such Borrower to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent, with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurodollar Loans or EURIBOR Loans (or such earlier date or dates as shall be requested by such Borrower); provided that such unpaid Eurodollar Loans or EURIBOR Loans shall continue to bear interest in accordance with Section 2.11 until such unpaid Eurodollar Loans or EURIBOR Loans or the related portion of such Eurodollar Loans or such EURIBOR Loans, as the case may be, have or has been prepaid.

2.11 Conversion and Continuation Options.

(a) The Borrowers may elect from time to time to convert ABR Loans (other than Swingline Loans) or US Base Rate Loans (other than Swingline Loans) to Eurodollar Loans by giving the Administrative Agent prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor); provided that no ABR Loan or US Base Rate Loan may be converted into a Eurodollar Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders have determined in its or their sole discretion not to permit any such conversion (with notice of such determination to be delivered to the relevant Borrower as soon as practicable). The Borrowers may elect from time to time to convert Eurodollar Loans to ABR Loans and the Canadian Borrower or any Additional Canadian Borrower may elect from time to time to convert Eurodollar Loans to US Base Rate Loans, in each case by giving the Administrative Agent prior irrevocable notice of such election; provided that, in each case, any such conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Eurodollar Loan or EURIBOR Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the relevant Borrower giving irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that no Eurodollar Loan or EURIBOR Loan may be continued as such when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit any such continuation (with notice of such determination to be delivered to the relevant Borrower as soon as practicable), and provided, further, that (i) if the relevant Borrower shall fail to give any required notice as described above in this paragraph such Eurodollar Loans or EURIBOR Loans shall be automatically continued as such with an Interest Period of one month on the last day of such then expiring Interest Period, but only to the extent that such continuation may then be made in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, or (ii) if such continuation is not permitted pursuant to the preceding provisos such Eurodollar Loans shall be automatically converted to ABR Loans, in the case of Eurodollar Loans to the Non-Canadian Borrowers, or US Base Rate Loans, in the case of Eurodollar Loans to the Canadian Borrower or any Additional Canadian Borrower, and such EURIBOR Loans shall be automatically converted to Foreign Base Rate Loans, in each case on the last day of such then expiring Interest Period. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(c) Subject to the provisions of this Agreement, the Borrowers may elect from time to time to convert Canadian Prime Rate Loans (other than Swingline Loans) into Bankers' Acceptances or Bankers' Acceptances into Canadian Prime Rate Loans upon giving to the Administrative Agent prior irrevocable notice, provided that:

(i) no Canadian Prime Rate Loan may be converted into a Bankers' Acceptance when any Default or Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit any such conversion;

(ii) each conversion to Bankers' Acceptances or to Canadian Prime Rate Loans shall be for a minimum aggregate amount and whole multiples in excess thereof as are specified in Section 2.3;

(iii) Bankers' Acceptances may be converted only on the maturity date of such Bankers' Acceptances; and

(iv) if less than all Bankers' Acceptances are converted, after such conversion not less than C\$10,000,000 shall remain as Bankers' Acceptances.

(d) At or before 10:00 A.M. two Business Days before the maturity date of any Bankers' Acceptances, the relevant Borrower shall give to the Administrative Agent prior irrevocable notice which notice shall specify either that such Borrower intends to repay the maturing Bankers' Acceptances on the maturity date or that such Borrower intends to continue to issue Bankers' Acceptances on the maturity date to provide for the payment of the maturing Bankers' Acceptances. Subject to Section 2.3(a), if the relevant Borrower fails to provide such notice to the Administrative Agent, such Borrower shall be deemed to have notified the Administrative Agent on behalf of the Lenders of its intention to continue to issue Bankers' Acceptances with a Contract Period of one month to provide for the payment of the

maturing Bankers' Acceptances. If (i) pursuant to any other provision of this Agreement, Bankers' Acceptances may not be issued as contemplated in the preceding sentence to provide for the payment of maturing Bankers' Acceptances, (ii) the relevant Borrower fails to repay the maturing Bankers' Acceptances, or (iii) a Default or an Event of Default has occurred and is continuing on such maturity date and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit any issuance of new Bankers' Acceptances to provide for the payment of maturing Bankers' Acceptances, then such Borrower's obligations in respect of the maturing Bankers' Acceptances shall be deemed to have been converted on the maturity date thereof into a Canadian Prime Rate Loan in an amount equal to the face amount of the maturing Bankers' Acceptances.

(e) Without limitation of this Section, no Loans denominated in US\$ may be converted into Loans denominated in C\$ or Euros, no Loans denominated in C\$ may be converted into Loans denominated in US\$ or Euros and no Loans denominated in Euros may be converted into Loans denominated in US\$ or C\$. For the avoidance of doubt, Revolving Loans to the Borrowers denominated in US\$, C\$ or Euros must be repaid in such currency, but may be reborrowed in either US\$, C\$ or Euros.

(f) To make an election pursuant to this Section, the relevant Borrower shall notify the Administrative Agent of such election, in each case within the notice period and in the form that would be required under Section 2.2, as the case may be, if such Borrower were requesting a borrowing of Loans of the Type resulting from such election to be made on the effective date of such election.

(g) For the avoidance of doubt, the conversion or continuation of Loans as herein provided shall not be deemed to constitute a repayment of existing Loans hereunder or the making of new Loans hereunder.

2.12 Limitations on Interest Periods and Contract Periods. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans and EURIBOR Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that no more than an aggregate amount of ten different Contract Periods in respect of BA issuances and Interest Periods in respect of Eurodollar Loans or EURIBOR Loans shall be outstanding at any one time to the Borrowers.

2.13 Interest Rates and Payment Dates.

(a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such Interest Period plus the Applicable Margin.

(b) Each EURIBOR Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the EURIBOR Rate determined for such Interest Period plus the Applicable Margin.

(c) Each US Base Rate Loan shall bear interest at a rate per annum equal to the US Base Rate plus the Applicable Margin.

(d) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(e) Each Canadian Prime Rate Loan shall bear interest at a rate per annum equal to the Canadian Prime Rate plus the Applicable Margin.

(f) Upon acceptance of a Bankers' Acceptance by a Revolving Lender, the relevant Borrower shall pay to the Administrative Agent on behalf of such Revolving Lender a fee (the "Acceptance Fee") calculated on the face amount of the Bankers' Acceptance at a rate per annum equal to the Applicable Margin on the basis of the number of days in the Contract Period for such Bankers' Acceptance. Any adjustment to the Acceptance Fee (including any adjustment as necessary to reflect the operation of paragraph (f) of this Section) shall be computed based on the number of days remaining in the Contract Period of such Bankers' Acceptances from and including the effective date of any change in the Applicable Margin. Any increase in such Acceptance Fee shall be paid by the relevant Borrower to the Administrative Agent on behalf of the Revolving Lenders on the last day of the Contract Period of the relevant Bankers' Acceptance. Any decrease in such Acceptance Fee shall be paid by each Revolving Lender to the relevant Borrower, through the Administrative Agent, on the last day of the Contract Period of the relevant Bankers' Acceptance.

(g) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to (A) in the case of any Eurodollar Loans, or EURIBOR Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2%, (B) in the case of ABR Loans and Reimbursement Obligations of Non-Canadian Borrowers denominated in US Dollars, the rate applicable to ABR Loans plus 2%, (C) in the case of any US Base Rate Loans and Reimbursement Obligations of the Canadian Borrower or any Canadian Additional Borrower denominated in US Dollars, the rate applicable to US Base Rate Loans plus 2%, (D) in the case of Canadian Prime Rate Loans, any Bankers' Acceptances and Reimbursement Obligations denominated in Canadian Dollars, the rate applicable to Canadian Prime Rate Loans plus 2%, or (E) in the case of Reimbursement Obligations denominated in Euros, the rate applicable to Foreign Base Rate Loans plus 2%; and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any Facility Fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans if such amount is denominated in US Dollars and owed by any Non-Canadian Borrower, Canadian Prime Rate Loans if such amount is denominated in Canadian Dollars, US Base Rate Loans if such amount is denominated in US Dollars and owed by the Canadian Borrower or any Canadian Additional Borrower or Foreign Base Rate Loans if such amount is denominated in Euros, in each case, plus 2% (or, in the case of any such other amounts, the rate then applicable to ABR Loans (if such amount is owed in US Dollars by a Non-Canadian Borrower), US Base Rate Loans (if such amount is owed in US Dollars by the Canadian Borrower or any Canadian Additional Borrower), Canadian Prime Rate Loans (if such amount is owed in Canadian Dollars) or Foreign Base Rate Loans (if such amount is owed in Euros), in each case, plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non payment until such amount is paid in full (as well after as before judgment).

(h) Interest shall be payable in arrears on each Interest Payment Date (except with respect to Acceptance Fees upon acceptance of Bankers' Acceptances, as to which paragraph (f) of this Section shall apply until the end of the respective Contract Periods therefor), provided that interest accruing pursuant to paragraph (g) of this Section shall be payable from time to time on demand. Interest in respect of Loans and Reimbursement Obligations that are denominated in US Dollars (and all other amounts denominated in US Dollars) shall be payable in US Dollars, interest in respect of Loans and Reimbursement Obligations that are denominated in Euros (and all other amounts denominated in Euros) shall be payable in Euros and interest in respect of Loans or Reimbursement Obligations that are denominated in Canadian Dollars (and all other amounts denominated in Canadian Dollars) shall be payable in Canadian Dollars.

(i) If any provision of this Agreement would obligate any Borrower to make any payment of interest or other amount payable to any Revolving Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Lender of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)), then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Revolving Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows:

(x) first, by reducing the amount or rates of interest required to be paid under this Section; and

(y) thereafter, by reducing any fees, commissions, premiums and other amounts which would constitute interest for purposes of Section 347 of the *Criminal Code* (Canada).

(ii) If, notwithstanding the provisions of clause (i) of this paragraph (i), and after giving effect to all adjustments contemplated thereby, any Revolving Lender shall have received an amount in excess of the maximum permitted by such clause, then the relevant Borrower shall be entitled, by notice in writing to such Revolving Lender, to obtain reimbursement from such Revolving Lender of an amount equal to such excess, and, pending such reimbursement, such amount shall be deemed to be an amount payable by such Revolving Lender to such Borrower.

(iii) Any amount or rate of interest referred to in this paragraph (i) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term of any Loan on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the *Criminal Code* (Canada)) shall, if they relate to a specific period of time, be prorated over that period of time and otherwise be prorated over the period from the Closing Date to the Termination Date and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination absent manifest error.

2.14 Computation of Interest and Fees.

(a) (i) Interest on Loans the interest of which is not calculated on the basis of the Prime Rate or the reference rate of the Administrative Agent, as the case may be, shall be calculated on the basis of a 360-day year for the actual days elapsed, (ii) Facility Fees and fees payable pursuant to Section 3.3 and interest on ABR Loans, US Base Rate Loans and Canadian Prime Rate Loans the interest of which is calculated based on the Prime Rate or such reference rate shall be calculated on the basis of a 365- (or 366; in the case of a leap year) day year for the actual days elapsed and (iii) Acceptance Fees and interest calculated on the basis of the CDOR Rate shall be calculated on the basis of a 365- (or 366; in the case of a leap year) day year for the actual days elapsed. All interest on Loans shall be calculated on a daily basis on the principal amount thereof remaining unpaid. The Administrative Agent shall as soon as practicable notify the relevant Borrower and the relevant Lenders of each determination of a Eurodollar Rate, EURIBOR Rate or the Discount Rate. Any change in the interest rate on a Loan resulting from a change in the ABR, the US Base Rate, or the Canadian Prime Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the relevant Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall, in the absence of manifest error, constitute *prima facie* evidence of the same. The Administrative Agent shall, at the request of a Borrower, deliver to such Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate applicable to it pursuant hereto.

(c) For the purposes of the *Interest Act* (Canada), in any case in which an interest rate is stated in this Agreement to be calculated on the basis of a year of 360 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year for which the calculation is made and divided by either 360 or such other period of time, as the case may be. In addition, the principle of deemed investment of interest does not apply to any interest calculations under this Agreement and the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

2.15 Inability to Determine Interest Rate. If prior to the first day of any Interest Period:

(a) the Administrative Agent shall have determined (which determination shall, in the absence of manifest error, constitute *prima facie* evidence thereof) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate or the EURIBOR Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Required Lenders, each acting reasonably and in good faith, that the Eurodollar Rate or the EURIBOR Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as certified by such Lenders, such certification constituting, in the absence of manifest error, *prima facie* evidence thereof) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy or telephonic notice thereof to the relevant Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) (i) any Eurodollar Loans requested to be made on the first day of such Interest Period shall be made as ABR Loans (in the case of any such Loans to be made to a Non-Canadian Borrower) or US Base Rate Loans (in the case of any such Loans to be made to the Canadian Borrower or any Canadian Additional Borrower) and (ii) any EURIBOR Loans requested to be made on the first day of such Interest Period shall be made as Foreign Base Rate Loans, (y) (i) any Loans that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as ABR Loans (in the case of any such loans to be made to a Non-Canadian Borrower) or US Base Rate Loans (in the case of any such loans to be made to the Canadian Borrower or any Canadian Additional Borrower) and (ii) any Loans that were to have been converted on the first day of such Interest Period to EURIBOR Loans shall be continued as Foreign Base Rate Loans and (z) (i) any outstanding Eurodollar Loans shall be converted, on the last day of the then-current Interest Period, to ABR Loans (in the case of any such loans to be made to a Non-Canadian Borrower) or US Base Rate Loans (in the case of any such loans to be made to the Canadian Borrower or any Canadian Additional Borrower) and (ii) any outstanding EURIBOR Loans shall be converted, on the last day of the then-current Interest Period, to Foreign Base Rate Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans or EURIBOR Loans shall be made or continued as such, nor shall the relevant Borrower have the right to convert Loans to Eurodollar Loans or EURIBOR Loans.

2.16 Pro Rata Treatment and Payments.

(a) Each borrowing by a Borrower from the Tranche 1 Revolving Lenders hereunder, each payment by a Borrower on account of any Facility Fee and any Acceptance Fee payable in respect of the Tranche 1 Revolving Commitments and any reduction of the Tranche 1 Revolving Commitments shall be made pro rata according to the Tranche 1 Revolving Percentages of the Tranche 1 Revolving Lenders. Each borrowing by a Borrower from the Tranche 2 Revolving Lenders hereunder, each payment by a Borrower on account of any Facility Fee payable in respect of the Tranche 2 Revolving Commitments and any reduction of the Tranche 2 Revolving Commitments shall be made pro rata according to the Tranche 2 Revolving Percentages of the Tranche 2 Revolving Lenders.

(b) Each payment (including each prepayment) by a Borrower on account of principal of and interest on the US Revolving Loans, Canadian Revolving Loans or Euro Revolving Loans, as the case may be, shall be made to the relevant Revolving Lenders on a pro rata basis according to the respective outstanding principal amounts of the relevant Revolving Loans then held by the applicable Revolving Lenders.

(c) All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 2:00 P.M., on the due date thereof to the Administrative Agent, for the account of the relevant Lenders, at the relevant Funding Office, in US Dollars (with respect to Obligations denominated in US Dollars), Euros (with respect to Obligations denominated in Euros) or Canadian Dollars (with respect to Obligations denominated in Canadian Dollars), as the case may be, and in immediately available funds; provided, that if any event referred to in Section 8(h) or 8(i) shall occur or an acceleration of the maturity of the Loans pursuant to Section 8 shall occur, all Obligations denominated in Euros or Canadian Dollars shall be converted to US Dollars based on the then US Dollar Equivalent thereof (except for then undrawn and unexpired amounts of the outstanding Letters of Credit and except that any Bankers' Acceptance shall only be converted to US Dollars at the end of the Contract Period therefor). Receipt by the Administrative Agent from a Borrower of funds pursuant to this Agreement, as principal, interest, fees or otherwise, shall be deemed to be receipt of such funds by the relevant Lenders. The Administrative Agent shall distribute such payments to the relevant Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans or the EURIBOR Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan or a EURIBOR Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(d) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the relevant Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon (i) in the case of any such amount in US Dollars, at a rate per annum equal to the greater of (x) the daily average Federal Funds Effective Rate and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender

makes such amount immediately available or (ii) in the case of any such amount in Euros or Canadian Dollars, at a rate per annum determined by the Administrative Agent (such determination to be conclusive and binding on such Lender) in accordance with the Administrative Agent's cost of funding the amount of such payment, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans, US Base Rate Loans or Canadian Prime Rate Loans, as the case may be, on demand, from the relevant Borrower. Nothing in this paragraph shall be deemed to relieve any Lender from its obligations to fulfill its Revolving Commitments in accordance with the provisions hereof or to prejudice any rights which a Borrower has against any Lender as a result of any default by such Lender hereunder.

(e) Unless the Administrative Agent shall have been notified in writing by a Borrower prior to the date of any payment due to be made by such Borrower hereunder that such Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that such Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the relevant Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to relevant Administrative Agent by the relevant Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon (i) in the case of any such amount in US Dollars, at a rate per annum equal to the greater of (x) the daily average Federal Funds Effective Rate and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of any such amount in Euros or Canadian Dollars, at a rate per annum determined by the Administrative Agent (such determination to be conclusive and binding on such Lender) in accordance with the Administrative Agent's cost of funding the amount of such payment. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against a Borrower.

2.17 Requirements of Law.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made or given subsequent to the date hereof:

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender in connection with this Agreement that is not otherwise included in the determination of the Eurodollar Rate, the EURIBOR Rate, the Discount Rate or any other rate of interest hereunder;

(ii) shall subject the Administrative Agent, any Issuing Lender or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (ii) through (vi) of the definition of Excluded Taxes or (C) Taxes imposed on net income) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves or other liabilities or capital attributable thereto; or

(iii) shall impose on such Lender any other condition (other than a Tax of any kind) in respect of any credit made available by such Lender hereunder or any other condition (other than a Tax of any kind) with respect to this Agreement;

and the result of any of the foregoing is to increase the cost to such Lender (or, in the case of (ii), the Administrative Agent, any Issuing Lender or such Lender), by an amount that such Lender (or, in the case of (ii), the Administrative Agent, such Issuing Lender or such Lender) reasonably deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or EURIBOR Loans (or, in the case of (ii), any Loan) or issuing or participating in Letters of Credit, or purchasing or accepting Bankers' Acceptances, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, (A) such Lender (or, in the case of (ii), the Administrative Agent, such Issuing Lender or such Lender) shall provide to the relevant Borrower a photocopy of the applicable law, rule, guideline, regulation, treaty or official directive and a written notice of such Lender (or, in the case of (ii), the Administrative Agent, such Issuing Lender or such Lender) setting forth any additional amounts such Lender is entitled to claim (the "Additional Compensation") and the basis of calculation therefor, which shall, in the absence of manifest error, constitute *prima facie* evidence of such Additional Compensation, and (B) such Borrower shall promptly pay such Lender (or, in the case of (ii), the Administrative Agent, such Issuing Lender or such Lender), within 30 Business Days of the receipt from such Lender (or, in the case of (ii), the Administrative Agent, such Issuing Lender or such Lender) of the written notice herein referred to, any additional amounts necessary to compensate such Lender (or, in the case of (ii), the Administrative Agent, such Issuing Lender or such Lender) for such increased cost or reduced amount receivable.

(b) If any Lender shall have reasonably determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity requirements or in the interpretation or application thereof or compliance by such Lender with any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) from any Governmental Authority, in each case made subsequent to the date hereof or, if later, the date such Lender became a Lender, shall have the effect of reducing the rate of return on such Lender's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender would have achieved but for such adoption, change or compliance (taking into consideration such Lender's policies with respect to capital adequacy and liquidity) by an amount deemed by such Lender to be material, then from time to time, within 30 Business Days after submission by such Lender to the relevant Borrower (with a copy to the Administrative Agent) of a written request therefor, accompanied by a photocopy or an excerpt of the applicable direction, requirement or guidelines and a written notice of such Lender setting forth the reduction rate of return and the basis of calculation of any compensating amount, such Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender for such reduction.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A written notice as to any additional amounts payable pursuant to this Section submitted by any Lender to the relevant Borrower (with a copy to relevant Administrative Agent) shall, in the absence of manifest error, constitute *prima facie* evidence of such additional amount. The obligations of each Borrower pursuant to this Section shall survive the termination of this Agreement or any other Loan Document and the payment of the Loans and all other amounts payable hereunder.

2.18 Taxes.

(a) All payments made by any Loan Party to the Administrative Agent, any Issuing Lender or any Lender on account of any obligation under any Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes except to the extent such deduction or withholding is required by law. If the applicable withholding agent is required to deduct or withhold any Tax from any such payments then, (i) in the case of any Indemnified Taxes, the amounts so payable by such Loan Party to the Administrative Agent, any Issuing Lender or any Lender shall be increased to the extent necessary such that the Administrative Agent, such Issuing Lender or such Lender shall receive (after deduction or withholding of all Indemnified Taxes, including any Indemnified Taxes payable as a result of additional amounts paid by the relevant Loan Party pursuant to this Section 2.18) interest or any such other amounts payable hereunder at the rates or in the amounts specified in the relevant Loan Document had no such deduction or withholding been made, and (ii) the applicable withholding agent shall deduct or withhold such Taxes and shall remit the full amount deducted or withheld to the relevant Governmental Authority in accordance with any Requirement of Law.

(b) Whenever any Indemnified Taxes or Other Taxes are payable by any Loan Party pursuant to Section 2.18(a) or (c), as promptly as practical thereafter such Loan Party shall send to the Administrative Agent for its own account or for the account of the relevant Issuing Lender or Lender, as the case may be, a copy of an original official receipt received by such Loan Party showing payment thereof.

(c) The applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(d) The Loan Parties shall jointly and severally indemnify the Administrative Agent, each Issuing Lender and each Lender for any Indemnified Taxes or Other Taxes that (i) the Loan Parties failed to pay as and when required pursuant to Section 2.18(a) or (c) or (ii) in the case of such Taxes other than United States and Canadian Taxes, are paid by the Administrative Agent, such Issuing Lender or such Lender (including, in each case, in respect of amounts paid or payable under this Section 2.18(d) in respect of such Indemnified Taxes or Other Taxes) and, in each case, any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 2.18(d) shall be paid within 30 days after the Administrative Agent, such Issuing Lender or such Lender delivers to the applicable Loan Party a certificate stating the amount of any Indemnified Taxes or Other Taxes so paid or payable by such Person and describing the basis for the indemnification claim. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. Such Issuing Lender or Lender shall also deliver a copy of such certificate to the Administrative Agent.

(e) Each Lender and each Issuing Lender shall severally indemnify the Administrative Agent, within 30 days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender or such Issuing Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's or such Issuing Lender's failure to comply with the provisions of Section 10.6(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender or such Issuing Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender or Issuing Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender and each Issuing Lender hereby authorizes

the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or Issuing Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender or Issuing Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document by any Borrower shall deliver to the Parent Borrower and the Administrative Agent, at the time or times reasonably requested by the Parent Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Parent Borrower or the Administrative Agent as will permit such payments by such Borrower to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Parent Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law, published administrative statements of the relevant Governmental Authority or reasonably requested by the Parent Borrower or the Administrative Agent as will enable the Parent Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the applicable Borrower is a US Person:

(A) the Administrative Agent and any Lender that is a US Person shall deliver to the Parent Borrower and, as the case may be, the Administrative Agent on or prior to the date on which such Lender becomes a party to any Loan Document (and from time to time thereafter upon the reasonable request of the Parent Borrower or, as the case may be, the Administrative Agent), executed originals of IRS Form W-9 (or applicable successor form) certifying that such Lender is exempt from US federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Parent Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a party to any Loan Document (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN (or applicable successor form) establishing an exemption from, or reduction of, US federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (or applicable successor form) establishing an exemption from, or reduction of, US federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI (or applicable successor form);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G (a "US Tax Compliance Certificate") to the effect that (A) such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the applicable Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and (B) the interest payments in question are not effectively connected with a US trade or business conducted by such Foreign Lender and (y) executed originals of IRS Form W-8BEN (or applicable successor form); or

(4) to the extent a Foreign Lender is not the beneficial owner of the applicable Loan (for example, where the Foreign Lender is a partnership or participating Lender granting a typical participation), executed originals of IRS Form W-8IMY (or applicable successor form), accompanied by a Form W-8ECI, W-8BEN, US Tax Compliance Certificate, Form W-9 (or other successor forms), and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more beneficial owners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a US Tax Compliance Certificate on behalf of each such beneficial owner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Parent Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a party to any Loan Document (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in US federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Parent Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to US federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Parent Borrower and the Administrative Agent in writing of its legal inability to do so.

(iv) For purposes of this Section 2.18(f), the term "Lender" shall include any Issuing Lender and the Administrative Agent.

(g) If a Loan Party makes a payment of any additional amounts to the Administrative Agent, any Issuing Lender or any Lender under Section 2.17 or 2.18 and the Administrative Agent or any such Issuing Lender or Lender shall become aware that it is entitled to receive a refund or to be granted a credit or relief or remission for or in respect of the amounts so paid by such Loan Party, it shall promptly notify such Loan Party of the availability of such refund, credit, relief or remission and shall, as soon as reasonably practicable after the receipt of a request by such Loan Party, apply for such refund, credit, relief or remission. If the Administrative Agent, any Issuing Bank or any Lender, as applicable, reasonably determines that it has received a refund or been granted a credit, relief or remission as a result of any additional amounts paid by any Loan Party pursuant to Section 2.17 or 2.18, and, in such recipient's opinion such refund amount is both reasonably identifiable and quantifiable by it, it shall pay to such Loan Party an amount equal to such refund, credit, relief or remission (but only to the extent of additional amounts paid under Section 2.17 or this Section 2.18 giving rise to such refund, credit, relief or remission and only to the extent that the Administrative Agent or such Issuing Lender or Lender, as the case may be, determines acting reasonably and in good faith that it may do so without prejudice to its right, as against the relevant Governmental Authority, to retain such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent, such Issuing Bank or such Lender, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund, credit, relief or remission). Such Loan Party, upon the request of the Administrative Agent, such Issuing Lender or such Lender, as applicable, shall repay to such Person the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Administrative Agent, such Issuing Lender or such Lender, as applicable, is required to repay such refund, credit, relief or remission to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the Administrative Agent, any Issuing Lender or any Lender, as applicable, be required to pay any amount to any Loan Party pursuant to this paragraph (g) the payment of which would place the Administrative Agent, such Issuing Lender or such Lender, as applicable, in a less favorable net after-Tax position than such Person would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require the Administrative Agent, any Issuing Lender or any Lender, as applicable, to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(h) Upon the request, and at the expense, of the applicable Loan Party, the Administrative Agent and each Lender or Issuing Lender to which such Loan Party is required to pay any additional amount pursuant to Section 2.17 or this 2.18, and any Participant in respect of whose participation such payment is required, shall afford such Loan Party the opportunity to participate, as may reasonably be requested by such Loan Party, with the Administrative Agent or such Lender, Issuing Lender or Participant in contesting the imposition of any cost or Tax giving rise to such payment; provided that (i) the Administrative Agent or such Lender, Issuing Lender or Participant shall not be required to afford such Loan Party the opportunity to so participate unless such Loan Party shall have paid such additional amounts pursuant to Section 2.17 or 2.18 and (ii) such Loan Party shall reimburse the Administrative Agent or such Lender, Issuing Lender or Participant for its reasonable legal and accountants' fees and disbursements incurred in contesting the imposition of such cost or Tax; provided, further, that notwithstanding the foregoing neither the Administrative Agent nor any Lender, Issuing Lender or Participant shall be required to afford a Loan Party the opportunity to participate in contesting the imposition of any Taxes, if in its sole discretion (exercised in good faith) it determines that to do so would have an adverse effect on it.

(i) If a Lender or Issuing Lender changes its applicable Lending Office (other than pursuant to Section 2.22) and the effect of such change, as of the date of such change, would be to cause the Loan Parties to become obligated to pay any additional amount under Section 2.17 or this Section 2.18, the Loan Parties shall not be obligated to pay any such additional amount, except to the extent that additional amounts were payable pursuant to Section 2.17 or this Section 2.18 to such Lender or Issuing Lender immediately prior to the designation of a new applicable Lending Office.

(j) The agreements in this Section shall survive the termination of this Agreement or any other Loan Document and the payment of the Loans and all other amounts payable hereunder.

2.19 Indemnity. Each Borrower agrees to indemnify each relevant Lender for, and to hold each Lender harmless from, any loss or expense that such Lender may sustain or incur as a consequence of (a) default by such Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans or EURIBOR Loans after such Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by such Borrower in making any prepayment of or conversion from Eurodollar Loans or EURIBOR Loans after such Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Eurodollar Loans or EURIBOR Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. A certificate as to any amounts payable pursuant to this Section (which certificate shall state the event by reason of which such amounts are payable) submitted to the relevant Borrower by any Lender shall, in the absence of manifest error, constitute *prima facie* evidence thereof. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.20 Additional or Increased Revolving Commitments.

(a) The Parent Borrower may, at any time and from time to time after the Closing Date, by written notice to the Administrative Agent, elect to request additional or increased Tranche 1 Revolving Commitments and/or Tranche 2 Revolving Commitments hereunder, in an aggregate amount not in excess of US\$400,000,000. Any such additional or increased Revolving Commitments shall be in a minimum amount equal to US\$10,000,000, or a whole multiple of US\$1,000,000 in excess thereof. Each such notice shall specify the date (each, an "Increased Amount Date") on which the Parent Borrower proposes that the additional or increased Revolving Commitments shall be effective, which shall be a date not less than ten Business Days after the date on which such notice is delivered to Administrative Agent; provided, that any Lender offered or approached to provide all or a portion of any increased Revolving Commitments may elect or decline, in its sole discretion, to provide the same. Such additional or increased Revolving Commitments shall become effective as of such Increased Amount Date; provided, that (1) no Default or Event of Default shall exist on such Increased Amount Date before or after giving effect to such additional or increased Revolving Commitments and to the making of any

Revolving Loans in respect of any additional or increased Revolving Commitments pursuant thereto on such Increased Amount Date; (2) the representations and warranties other than the representation and warranty contained in Section 4.5 made by each Borrower herein shall be true and correct in all material respects, on and as of such Increased Amount Date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date; (3) any such additional or increased Tranche 1 Revolving Commitments or Tranche 2 Revolving Commitments and the extensions of credit thereunder shall be ratable with the existing Tranche 1 Revolving Commitments or Tranche 2 Revolving Commitments, as the case may be, and extensions of credit thereunder; (4) the terms applicable to the additional or increased Revolving Commitments shall be the same as those applicable to the relevant existing Revolving Commitments; (5) any New Lender shall be subject to the approval of the Administrative Agent, each relevant Issuing Lender and each relevant Swingline Lender, such approval not to be unreasonably withheld or delayed; (6) such additional or increased Revolving Commitments shall be effected pursuant to one or more supplements to this Agreement executed and delivered by the Parent Borrower, the Administrative Agent and one or more New Lenders or existing Lenders; and (7) the Parent Borrower shall deliver or cause to be delivered any customary legal opinions or other documents reasonably requested by Administrative Agent in connection with any such transaction, including any supplements or amendments to the US Guarantee Agreement and/or the Foreign Guarantee Agreement providing for such additional or increased Revolving Commitments and the extensions of credit thereunder to be guaranteed thereby.

(b) On any Increased Amount Date on which any additional or increased Revolving Commitments become effective, subject to the foregoing terms and conditions, each new lender with an additional Revolving Commitment (each, a "New Lender") shall become a Lender hereunder with respect to such additional Revolving Commitment and each Lender with an increased Revolving Commitment shall have its Revolving Commitment adjusted accordingly.

(c) Each supplement to this Agreement effected in accordance with Section 2.20(a) may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.20 (including to provide transition provisions to provide for any additional or increased Revolving Commitments to share ratably in the extensions of credit under the Revolving Commitments).

2.21 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the Revolving Commitments of such Defaulting Lender pursuant to Section 2.7;

(b) the Revolving Commitments and Revolving Extensions of Credit of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.1); provided, that this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby if such Defaulting Lender is an affected Lender;

(c) with respect to any Tranche 1 Revolving Lender becoming a Defaulting Lender, if any Swingline Exposure or L/C Exposure exists at the time such Tranche 1 Revolving Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure and L/C Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders having Tranche 1 Revolving Commitments in accordance with their respective Tranche 1 Revolving Percentages, but only to the extent the sum of all non-Defaulting Lenders' Revolving Extensions of Credit under such Tranche 1 Revolving Commitments plus such Defaulting Lender's Swingline Exposure and L/C Exposure does not exceed the total of all non-Defaulting Lenders' Tranche 1 Revolving Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the relevant Borrowers shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize for the benefit of the Issuing Lenders only the Borrower's obligations corresponding to such Defaulting Lender's L/C Exposure under such Tranche 1 Revolving Commitments (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in the last paragraph of Section 8 for so long as such L/C Exposure is outstanding;

(iii) if a Borrower cash collateralizes any portion of such Defaulting Lender's L/C Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's L/C Exposure during the period such L/C Exposure is cash collateralized;

(iv) if the L/C Exposure of the non-Defaulting Lenders under the Tranche 1 Revolving Commitments is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.7(a) and Section 3.3(a) shall be adjusted in accordance with such non-Defaulting Lenders' Tranche 1 Revolving Percentages; and

(v) if all or any portion of such Defaulting Lender's L/C Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Lenders or any other Lender hereunder, all fees payable under Section 3.3(a) with respect to such Defaulting Lender's L/C Exposure shall be payable to the Issuing Lenders until and to the extent that such L/C Exposure is reallocated and/or cash collateralized;

(d) so long as such Lender is a Defaulting Lender, no Swingline Lender shall be required to fund any Swingline Loan under the relevant Revolving Commitments and no Issuing Lender shall be required to issue, amend or increase any Letter of Credit thereunder, unless it is reasonably satisfied that the related exposure and the Defaulting Lender's then outstanding L/C Exposure thereunder will be 100% covered by the relevant Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.21(c), and participating interests in any newly made Swingline Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders under the relevant Revolving Commitments in a manner consistent with Section 2.21(c) (and such Defaulting Lender shall not participate therein); and

(e) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest or otherwise) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent in the following order of priority:

(i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder;

(ii) second, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;

(iii) third, if so determined by the Administrative Agent and the Company, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement;

(iv) fourth, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and

(v) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction, provided that, with respect to this clause (v), if such payment is (x) a prepayment of the principal amount of any Loans which such Defaulting Lender has funded and (y) made at a time when the conditions set forth in Section (e) are satisfied, such payment shall be applied solely to prepay the Revolving Percentage of the outstanding principal amount of Loans of each non-Defaulting Lender prior to being applied to the prepayment of the Loans of such Defaulting Lender.

In the event that the Administrative Agent and the Borrowers, and, with respect to a Tranche 1 Revolving Lender that is a Defaulting Lender, the Swingline Lenders and the Issuing Lenders, each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and L/C Exposure of the relevant Lenders shall be readjusted to reflect the inclusion of such Lender's Tranche 1 Revolving Commitment and on such date such Lender shall purchase at par such of the relevant Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Tranche 1 Revolving Percentage or Tranche 2 Revolving Percentage, as the case may be.

2.22 Change of Lending Office. Each Lender and Issuing Lender agrees that, upon the occurrence of any event or condition giving rise (or that would upon the passage of time give rise) to the operation of Section 2.17 or 2.18 with respect to such Lender or Issuing Lender, it will promptly notify the Parent Borrower and the Administrative Agent and, if requested by the Borrowers, use reasonable efforts (subject to overall policy considerations of such Lender) to mitigate the effects of such condition or event, including by designating another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such efforts do not, in the sole judgment of such Lender, cause such Lender and its lending offices to suffer an unreimbursed cost or a legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.17 or 2.18.

2.23 Replacement of Lenders. If any Lender (a) requests compensation under Section 2.17, or if any Borrower is required to pay any additional amounts to the Administrative Agent, or any Issuing Lender on account of any Lender or to any Lender under Section 2.18(a), or (b) provides an Exclusion Notice or becomes a Defaulting Lender, then the Parent Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.6, provided that the Borrowers shall be obligated to pay the registration and processing fee referred to therein), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) such assignment does not conflict with any Requirement of Law, (ii) no Event of Default shall have

occurred and be continuing at the time of such assignment, (iii) prior to any such assignment, the Lender being replaced shall have taken no action under Section 2.22 resulting in the elimination of the continued need for payment of amounts owing pursuant to Section 2.17 or 2.18(a), (iv) the assignee shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of assignment, (v) the Borrowers shall be jointly and severally liable to such replaced Lender under Section 2.19 if any Eurodollar Loan or EURIBOR Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the assignee shall be reasonably satisfactory to the Administrative Agent, each Issuing Bank and each Swingline Lender, (vii) the assigning Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6, (viii) until such time as such assignment shall be consummated, the Borrowers shall pay all additional amounts (if any) required pursuant to Section 2.17 or 2.18(a), as the case may be, and (ix) any such assignment shall not be deemed to be a waiver of any rights that the Borrowers, the Administrative Agent or any other Lender shall have against the replaced Lender.

2.24 Additional Borrowers; Borrower Termination.

(a) Upon at least ten Business Days' notice to the Administrative Agent and the relevant Lenders, the Parent Borrower may designate any Qualified Subsidiary as an additional borrower ("Additional Borrower"), provided that on or prior to the effective date of such designation, the Administrative Agent shall have received (i) an Assumption Agreement to this Agreement executed by such Qualified Subsidiary, (ii) (x) if such Qualified Subsidiary is a Domestic Subsidiary, an assumption agreement to the US Guarantee Agreement executed by such Qualified Subsidiary (unless such Qualified Subsidiary is already a party to the US Guarantee Agreement), (y) if such Qualified Subsidiary is a Foreign Subsidiary organized under the laws of Canada or any jurisdiction in Canada, an assumption agreement to the Foreign Guarantee Agreement executed by such Qualified Subsidiary (unless such Qualified Subsidiary is already a party to the Foreign Guarantee Agreement) and (z) if such Qualified Subsidiary is a Foreign Subsidiary that is not organized under the laws of Canada or any jurisdiction in Canada, an assumption agreement to the Foreign Guarantee Agreement executed by such Qualified Subsidiary (unless such Qualified Subsidiary is already a party to the Foreign Guarantee Agreement) and any Wholly-Owned Subsidiary of the Parent Borrower organized under the laws of the jurisdiction under which such Qualified Subsidiary is organized (unless such Wholly-Owned Subsidiary is already a party to the Foreign Guarantee Agreement), (iii) a certificate of such Qualified Subsidiary and, as applicable, each such Foreign Non-Canadian Additional Borrower Subsidiary Guarantor, substantially in the form of Exhibit B, with appropriate insertions and attachments, (iv) a long form good standing certificate or equivalent thereof for such Qualified Subsidiary and, as applicable, each such Foreign Non-Canadian Additional Borrower Subsidiary Guarantor, from its jurisdiction of organization or formation (to the extent relevant in such jurisdiction), (v) an opinion, addressed to the Administrative Agent and each of the Lenders and dated the date of designation, from counsel to such Qualified Subsidiary and, as applicable, each such Foreign Non-Canadian Additional Borrower Subsidiary Guarantor, which opinion shall be in form and substance reasonably satisfactory to the Administrative Agent and (vi) such other documentation and/or certificates as the Administrative Agent may reasonably request (including, without limitation, documentation as any Lender may reasonably request, through the Administrative Agent, that is required in order to comply with any applicable "know your customer" or AML Legislation). Upon such delivery such Qualified Subsidiary shall for all purposes of this Agreement be an Additional Borrower and a party to this Agreement.

(b) The Parent Borrower may terminate the status of the Subsidiary Borrower, the Canadian Borrower or any Additional Borrower as a Borrower under the Credit Agreement at such time as no Revolving Extensions of Credit shall be outstanding for the account of such Borrower and no interest, fees or any other amounts shall be due and unpaid by such Borrower, and such Borrower and the Parent Borrower shall have executed and delivered to the Administrative Agent a Borrower Termination Notice.

(c) Notwithstanding anything to contrary herein, following delivery of any Assumption Agreement with respect to any Additional Borrower that is a Foreign Subsidiary that is not organized under the laws of Canada or any jurisdiction in Canada, any Lender may, if such Lender reasonably determines that a credit extension to such Additional Borrower could reasonably be expected to result in materially adverse tax, regulatory or legal consequences to such Lender or would be illegal or impracticable under any applicable law or regulation, provide written notice of such determination to the Administrative Agent and the Parent Borrower within 10 Business Days of such delivery ("Exclusion Notice") whereupon such Lender will not be required to make such credit extensions to such Additional Borrower. In the event that a Borrower delivers a notice of a borrowing under Section 2.2, such Lender agrees to provide its ratable share of the requested Loan to the Parent Borrower or another Additional Borrower for which such Lender has not issued an Exclusion Notice, in each case as set forth in such notice provided by such Borrower in accordance with Section 2.2.

SECTION 3. LETTERS OF CREDIT

3.1 L/C Commitment.

(a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Tranche 1 Revolving Lenders set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") for the account of the relevant Borrower on any Business Day before the fifth Business Day prior to the Termination Date in such form as may be approved from time to time by the relevant Issuing Lender; provided that such Issuing Lender shall have no obligation to issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment, (ii) the aggregate amount of the Revolving Extensions of Credit of the Tranche 1 Lenders outstanding at such time would exceed the aggregate amount of Tranche 1 Revolving Commitments in effect at such time, (iii) the Total Revolving Extensions of Credit denominated in Canadian Dollars would exceed the Canadian Dollar Equivalent of US\$150,000,000 or (iv) the Total Revolving Extensions of Credit denominated in Euros would exceed the Euro Equivalent of US\$200,000,000. Each Letter of Credit shall (i) be denominated, at the relevant Borrower's option, in US Dollars, Euros or Canadian Dollars and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the latest Termination Date under the Tranche 1 Revolving Commitments, provided that any Letter of Credit with a one-year term may provide for the automatic renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above).

(b) An Issuing Lender shall not at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause such Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

(c) On the date on which a Change of Control shall occur, the relevant Borrower shall, with respect to outstanding L/C Obligations, deposit in a non-interest bearing account opened by the Administrative Agent, an amount of cash equal to such outstanding L/C Obligations, which amount held in such account shall be held as collateral security for such Borrower's Obligations with respect to the related Letters of Credit, and any remaining amounts in such account, after satisfaction of all Obligations in respect of such L/C Obligations, shall be returned to such Borrower.

3.2 Procedure for Issuance of Letter of Credit. A Borrower may from time to time request that the relevant Issuing Lender issue a Letter of Credit by delivering to such Issuing Lender at its address for notices specified herein the relevant Application therefor, completed to the reasonable satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may reasonably request in accordance with its customary procedures. Upon receipt of any Application, the relevant Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall such Issuing Lender be required to issue any Letter of Credit earlier than two Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the applicable Borrower. Each Issuing Lender prior to its issuance of a Letter of Credit shall obtain confirmation from the Administrative Agent that after giving effect to such issuance, (i) the L/C Obligations would not exceed the L/C Commitment, (ii) the aggregate amount of the Revolving Extensions of Credit of the Tranche 1 Lenders outstanding at such time would not exceed the aggregate amount of Tranche 1 Revolving Commitments in effect at such time, (iii) the Total Revolving Extensions of Credit denominated in Canadian Dollars would not exceed the Canadian Dollar Equivalent of US\$150,000,000 and (iv) the Total Revolving Extensions of Credit denominated in Euros would not exceed the Euro Equivalent of US\$200,000,000. Such Issuing Lender shall furnish a copy of such Letter of Credit to the applicable Borrower promptly following the issuance thereof. Each Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Tranche 1 Revolving Lenders, notice of the issuance of each Letter of Credit (including the amount thereof). Upon request by the Administrative Agent, each Issuing Lender shall report to the Administrative Agent the aggregate face amount of Letters of Credit issued by it and outstanding on any Business Day and such other information with respect to such Letters of Credit as may be requested.

3.3 Fees and Other Charges.

(a) Each Borrower will pay a fee on all outstanding Letters of Credit issued for its account at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans, shared ratably among the Tranche 1 Revolving Lenders and payable quarterly in arrears on each L/C Fee Payment Date after the issuance date and in US Dollars, Euros or Canadian Dollars based on the currency in which each such Letter of Credit is denominated. Such fee shall be calculated on the aggregate undrawn face amount of the outstanding Letters of Credit on a daily basis during each quarterly or other period for which payment is made. In addition, each Borrower shall pay to each Issuing Lender for its own account a fronting fee to be agreed upon with such Issuing Lender on the undrawn and unexpired amount of each Letter of Credit issued by such Issuing Lender for it, payable quarterly in arrears on each L/C Fee Payment Date after the issuance date of such Letter of Credit.

(b) In addition to the foregoing fees, each Borrower shall pay or reimburse each Issuing Lender for such normal and customary costs and expenses as are incurred or charged by such Issuing Lender in issuing, effecting payment under, amending or otherwise administering any Letter of Credit issued by such Issuing Lender for it.

3.4 L/C Participations.

(a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lender to issue Letters of Credit, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms and conditions set forth below, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Tranche 1 Revolving Percentage in each Issuing Lender's obligations and rights under and in respect of each Letter of Credit and the amount of each draft paid by such Issuing

Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees that, if a draft is paid under any Letter of Credit for which the relevant Issuing Lender is not reimbursed in full by the relevant Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to such Issuing Lender upon demand at such Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Tranche 1 Revolving Percentage of the amount of such draft, or any part thereof, that is not so reimbursed.

(b) If any amount required to be paid by any L/C Participant to the relevant Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to such Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to such Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) (x) in the case of any such amount in US Dollars, at a rate per annum equal to the greater of (A) the daily average Federal Funds Effective Rate and (B) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such L/C Participant makes such amount immediately available or (y) in the case of any such amount in Euros or Canadian Dollars, at a rate per annum determined by the Administrative Agent (such determination to be conclusive and binding on such L/C Participant) in accordance with the Administrative Agent's cost of funding the amount of such payment, for the period until such L/C Participant makes such amount immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360 (in the case of Euro-denominated or US Dollar-denominated Letters of Credit) or 365 (in the case of Canadian Dollar-denominated Letters of Credit). If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the relevant Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans (in the case of US Dollar-denominated Letters of Credit issued for the account of a Non-Canadian Borrower), US Base Rate Loans (in the case of US Dollar-denominated Letters of Credit issued for the account of the Canadian Borrower or any Canadian Additional Borrower), Canadian Prime Rate Loans (in the case of Canadian Dollar-denominated Letters of Credit) or Foreign Base Rate Loans (in the case of Euro-denominated Letters of Credit). A certificate of the relevant Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the relevant Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Issuing Lender receives any payment related to such Letter of Credit (whether directly from a Borrower or otherwise, including proceeds of collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, such Issuing Lender will distribute, through the Administrative Agent to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, each such L/C Participant shall return to such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

3.5 Reimbursement Obligation of the Borrowers. Each Borrower agrees to reimburse each Issuing Lender on the next Business Day after that on which such Issuing Lender notifies such Borrower of the date and amount of a draft presented under any Letter of Credit issued for the account of such Borrower and paid by such Issuing Lender for the amount of (a) such draft so paid in the currency of such payment and (b) any non-Excluded Taxes, fees, charges or other costs or expenses reasonably incurred by such Issuing Lender in connection with such payment. Each such payment shall be made to such Issuing Lender at its address for notices referred to herein in US Dollars, Euros or Canadian Dollars, as the case may be, and in immediately available funds, provided that the Borrowers

may request in accordance with Section 2.2 that such payment be financed with US Revolving Loans, Euro Revolving Loans or Canadian Revolving Loans, as applicable, in an equivalent amount and, to the extent so financed, the Borrowers' obligation to make such payment shall be discharged and replaced by the resulting US Revolving Loans, Euro Revolving Loans or Canadian Revolving Loans. Interest shall be payable on any such amounts from the date on which the relevant draft is paid until payment in full (i) until the Business Day next succeeding the date of the relevant notice, (w) at the rate then applicable to ABR Loans in the case of US Dollar-denominated Letters of Credit issued for the account of a Non-Canadian Borrower, (x) at the rate then applicable to US Base Rate Loans in the case of US Dollar-denominated Letters of Credit issued for the account of the Canadian Borrower or any Canadian Additional Borrower, (y) at the rate then applicable to Canadian Prime Rate Loans in the case of Canadian Dollar-denominated Letters of Credit and (z) at the rate then applicable to Foreign Base Rate Loans in the case of Euro-denominated Letters of Credit and (ii) thereafter, at the applicable rates set forth in Section 2.13(g).

3.6 Obligations Absolute. Each Borrower's obligations under this Section 2.24(c) shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that such Borrower may have or have had against any Issuing Lender, any beneficiary of a Letter of Credit or any other Person. Each Borrower also agrees with each Issuing Lender that each Issuing Lender shall not be responsible for, and such Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among such Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of such Borrower against any beneficiary of such Letter of Credit or any such transferee. No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit. Notwithstanding the foregoing, each Issuing Lender shall be responsible to the relevant Borrower or Borrowers for errors or omissions arising from such Issuing Lender's own gross negligence or willful misconduct in connection with its issuance or administration of the payment or non-payment made under or in connection with any Letter of Credit issued by such Issuing Lender or the related drafts or documents; provided that, each Borrower agrees that any action taken or omitted by an Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in good faith in the absence of gross negligence or willful misconduct and in accordance with the standards of care (the "Standards of Care") specified in the Customs and Practice for Documentary Credits, as published from time to time by the International Chamber of Commerce, shall be binding on such Borrower and shall not result in any liability of such Issuing Lender to such Borrower. It is agreed that nothing in this paragraph shall relieve any Issuing Lender or any L/C Participant of any liability resulting from the gross negligence or willful misconduct of such Issuing Lender or L/C Participant.

3.7 Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the applicable Borrower of the date and amount thereof. The responsibility of an Issuing Lender to a Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are in conformity with such Letter of Credit and complying with the Standards of Care.

3.8 Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 2.24(c), the provisions of this Section 2.24(c) shall apply.

3.9 Existing Letters of Credit. The Borrowers, the Administrative Agent, the Revolving Lenders and the Issuing Lenders hereby acknowledge that Existing Letters of Credit are outstanding as of the Closing Date. It is hereby agreed among the Borrowers, the Issuing Lenders, the Administrative Agent and the Revolving Lenders that concurrently with the satisfaction of the requirements of Section 5.1 on the Closing Date, the Existing Letters of Credit shall irrevocably be deemed to be Letters of Credit issued hereunder and all the provisions of this Agreement shall apply to the Existing Letters of Credit as being Letters of Credit issued hereunder by the relevant Issuing Lenders, the whole without novation of all of the obligations of the Borrower to each relevant Issuing Lender in respect of said Existing Letters of Credit.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, each Borrower hereby represents and warrants to the Administrative Agent and each Lender (which representations and warranties are made as of the Closing Date (but only to the extent contemplated by Section 5.2(a)) and, as provided in Section 5.1(e), as of the date on which any extension of credit is made after the Closing Date) that:

4.1 Organization; Powers. Each of the Borrowers and each Material Subsidiary is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business in all material respects as now conducted and, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

4.2 Authorization; Enforceability. This Agreement has been duly executed and delivered by each Borrower and constitutes a legal, valid and binding obligation of such Borrower, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and an implied covenant of good faith and fair dealing.

4.3 Governmental Approvals; No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof (a) do not require any Loan Party to obtain, complete or make any consent or approval of, registration or filing with, or any other similar action by, any Governmental Authority, except (i) as set forth on Part A of Schedule 4.3 or (ii) such as have been obtained or made and are in full force and effect, (b) will not violate in any material respect any applicable law or regulation or any order of any Governmental Authority by which it is bound and will not violate the charter, by-laws or other organizational documents of any Borrower or any Material Subsidiary, (c) will not violate or result in a default under any indenture listed on Part B of Schedule 4.3 and any other material indenture, material agreement or other material instrument binding upon the Parent Borrower or any of its Subsidiaries or its assets, or, except as set forth on Part B of Schedule 4.3, give rise to a right thereunder to require any material payment to be made by the Parent Borrower or any of its Subsidiaries, and (d) will not result in or require the creation, imposition or sharing of any Lien on any material asset of the Parent Borrower or any of its Subsidiaries (including pursuant to the "equal and ratable" Lien requirements of any such indenture).

4.4 Financial Condition. The audited consolidated balance sheets of the Parent Borrower as at December 31 2009, December 31, 2010 and December 31, 2011, and the related consolidated statements of operations and of cash flows for each of the fiscal years in the three-year

period ended December 31, 2011, reported on by and accompanied by an unqualified report from PricewaterhouseCoopers LLP, independent public accountants, present fairly, in all material respects, the financial position and results of operations and cash flows of the Parent Borrower as of such dates and for such periods. The unaudited consolidated balance sheet of the Parent Borrower as at March 31, 2012, and the related unaudited consolidated statements of operations and cash flows for the fiscal quarter ended on such date, present fairly, in all material respects, the financial condition of the Parent Borrower as at such date, and the results of its operations and its cash flows for the fiscal quarter then ended (subject to normal year-end audit adjustments). (i) any extension, renewal or replacement of the foregoing, provided, however, that the Liens permitted hereunder shall not be extended to cover any additional Indebtedness or property (other than a substitution of like property).

7.3 Fundamental Changes.

(a) The Parent Borrower will not, and will not permit any Material Subsidiary to, merge into or amalgamate or consolidate with any other Person, or permit any other Person to merge into or amalgamate or consolidate with it, or sell, transfer, lease or otherwise dispose of (in one transaction or in a series of related transactions) all or substantially all of its assets, or all or substantially all of the Capital Stock of any of the Material Subsidiaries (in each case, whether now owned or hereafter acquired), or liquidate, wind up or dissolve, except that, (i) if immediately after giving effect thereto, no Default or Event of Default shall have occurred and be continuing, any Person may amalgamate, consolidate or merge with or into any Borrower so long as, if applicable, such Borrower is the surviving corporation, or amalgamate, consolidate or merge with or into any other Subsidiary so long as, if applicable, the surviving entity is a Subsidiary, (ii) any Subsidiary may sell, transfer, lease or otherwise dispose of its assets to any Borrower or to any other Subsidiary, or amalgamate, consolidate or merge with or into, any Borrower or any other Subsidiary, (iii) any Subsidiary may liquidate, wind up or dissolve if the Parent Borrower determines in good faith that such liquidation, winding up or dissolution is in the best interests of the Parent Borrower and is not materially disadvantageous to the Lenders and (iv) in addition to the transactions permitted pursuant to clauses (i) through (iii) above, the Parent Borrower and any Material Subsidiary of the Parent Borrower may merge, amalgamate or consolidate with, or sell or otherwise dispose of any assets to, a Person (other than the Parent Borrower or a Subsidiary) if, after giving effect to any such merger, amalgamation, consolidation, sale or disposition, the book value (determined at the time of such merger, amalgamation, consolidation, sale or disposition) of the subject assets, together with the aggregate book value of all other assets subject to any transaction under this clause (iv) since March 31, 2012, does not exceed 20% of the Consolidated Assets of the Parent Borrower as of March 31, 2012; provided that, in the case of each of clauses (i) through (iv) above, (x) if any such merger, amalgamation, consolidation, sale or other disposition involves any Borrower, the continuing entity resulting from such combination, if such continuing entity is not such Borrower, shall execute and deliver an assumption agreement with respect to the Obligations of such Borrower together with supporting documentation and legal opinions, all in form and substance reasonably satisfactory to the Administrative Agent and (y) prior to the effectiveness of such merger, amalgamation, consolidation, sale or disposition, each Lender shall have received such other documentation and/or certificates that it may reasonably request (including, without limitation, documentation required in order to comply with any applicable "know your client" or AML Legislation). Notwithstanding the foregoing, the Parent Borrower and its Domestic Subsidiaries shall not be permitted to transfer or otherwise dispose of, including through any merger, amalgamation or consolidation, any substantial portion of the assets or operations of itself and such Domestic Subsidiaries taken as a whole to the Canadian Borrower and its Subsidiaries or to any Additional Borrower and its Subsidiaries.

(b) The Parent Borrower will not, and will not permit any of the Material Subsidiaries to, engage to any material extent in any business other than (A) the businesses of the type engaged in by the Parent Borrower and its Subsidiaries on the date hereof, and (B) any business or activities reasonably related thereto (which shall include, without limitation, any business engaged in using or processing or selling wood fiber or products derived from wood fiber).

7.4 Hedge Agreements. The Parent Borrower will not, and will not permit any of its Subsidiaries to, enter into any Hedge Agreement, other than Hedge Agreements entered into in the ordinary course of business (and not for speculative purposes) with the good faith intention to hedge or mitigate risks to which the Parent Borrower or any Subsidiary is exposed in the conduct of its business or the management of its assets or liabilities.

7.5 Restrictive Agreements. The Parent Borrower will not, and will not permit any of its Subsidiaries to, enter into or incur any agreement or other contractual arrangement to which any of them is party that, directly or indirectly, materially restricts the ability of any Subsidiary (other than any Subsidiary that is not a Material Subsidiary):

- (a) to pay cash dividends or other cash distributions with respect to any of its Capital Stock; or
- (b) to make or repay loans or advances to the Parent Borrower or any other Subsidiary; or
- (c) to incur Guarantee Obligations that are required by the terms of the Loan Documents in respect of the Revolving Commitments;

provided that the foregoing shall not apply to any of the following:

- (i) restrictions imposed by any Requirement of Law or by this Agreement;
- (ii) restrictions arising under any agreement or arrangement that exists on the date hereof or that renews, extends, refinances, refunds or replaces any agreement or arrangement existing on the date hereof, including successive renewals, extensions, refinancings, refundings or replacements (it being understood that no amendment or modification that materially expands the scope of the restrictions, taken as a whole, in the agreement governing the Indebtedness being renewed, extended, refinanced, refunded or replaced shall be permitted by this clause);
- (iii) restrictions arising under any agreement or arrangement providing for, securing, guaranteeing or otherwise supporting additional Indebtedness not contemplated by clause (ii) above of the Parent Borrower or any of its Subsidiaries which in the good faith judgment of the Parent Borrower are either substantially consistent with the restrictions under financing agreements and arrangements in effect on the date hereof or at least as favorable as customary market terms taken as a whole on the date of issuance thereof for issuers with a similar credit rating;
- (iv) restrictions contained in agreements or arrangements relating to the sale or other Disposition of a Subsidiary (or any of its assets) pending such Disposition, provided such restrictions apply only to the Subsidiary or assets to be sold and such disposition is permitted hereunder;
- (v) restrictions on cash or other deposits imposed by customers under agreements entered into in the ordinary course of business;
- (vi) customary restrictions in connection with securitizations of accounts receivable in an aggregate amount as to all such programs of up to US \$350,000,000 at any one time outstanding (calculated by reference to the maximum financing amount available for any Special Purpose Subsidiary under each such program);

(vii) restrictions relating to a Person that after the date hereof becomes, or is merged or consolidated with, a Subsidiary of the Parent Borrower (or relating to any property or assets acquired by the Parent Borrower or any of its Subsidiaries after the date hereof), if such restrictions were in effect on the date of such transaction and were not incurred in contemplation of such transaction and any renewals and extensions thereof (it being understood that such renewals and extensions do not materially expand the scope of the restrictions);

(viii) restrictions in agreements among the Parent Borrower and its Subsidiaries that may be waived by the Parent Borrower or any of its Subsidiaries without the consent of any other Person;

(ix) restrictions by reason of any applicable law, rule, regulation or order, or required by any regulatory authority having jurisdiction over the Parent Borrower or any of its Subsidiaries or any of their businesses; and

(x) restrictions contained in joint venture agreements, partnership agreements and other similar agreements with respect to a joint ownership arrangement restricting the disposition or distribution of assets or property of, or the activities of, such joint venture, partnership or other joint ownership entity, or any of such Person's subsidiaries, if such restrictions are not applicable to the property or assets of any other Person.

Nothing contained in this Section 7.5 shall prevent the Parent Borrower or any of its Subsidiaries from creating, incurring, assuming or suffering to exist any Permitted Encumbrances or any other Liens otherwise permitted by Section 7.2, or restricting dispositions of property or assets subject to any such Lien or transfers of property or assets other than cash.

7.6 Negative Pledge Clauses. The Parent Borrower shall not enter into or suffer to exist or become effective any agreement that prohibits or limits the ability of the Parent Borrower or any Material Subsidiary that is a Domestic Subsidiary to create, incur or assume any Lien upon any of its property or revenues, whether now owned or hereafter acquired, to secure its obligations under the Loan Documents to which it is a party other than:

(a) this Agreement, the other Loan Documents and any agreement in effect or entered into on the Closing Date;

(b) any agreement relating to Indebtedness of the Parent Borrower or any Subsidiary which in the good faith judgment of the Parent Borrower is either substantially consistent with the arrangements under financing agreements and arrangements in effect on the date hereof or at least as favorable as customary market terms taken as a whole on the date of issuance thereof for issuers with a similar credit rating,

(c) any agreements governing any Liens, (including without limitation purchase money Liens, Capital Lease Obligations and Sale-Leaseback Transactions) permitted by Section 7.2 (in which case, any prohibition or limitation shall only be effective against the assets encumbered thereby);

(d) software and other intellectual property licenses pursuant to which the Parent Borrower or any Material Subsidiary is the licensee of the relevant software or intellectual property, as the case may be (in which case, any prohibition or limitation shall relate only to the assets or rights subject of the applicable license and/or the license itself);

(e) Contractual Obligations incurred in the ordinary course of business and on customary terms which limit Liens on the assets subject of the applicable Contractual Obligation or the assignment of rights thereunder;

(f) restrictions by reason of any applicable law, rule, regulation or order, or required by any regulatory authority having jurisdiction over the Parent Borrower or any of its Subsidiaries or any of their businesses;

(g) customary restrictions and conditions contained in any agreement relating to an asset sale not prohibited by Section 7.3;

(h) any agreement in effect at the time any Person becomes a Subsidiary, so long as such agreement was not entered into in contemplation of such Person becoming a Subsidiary;

(i) any agreement for the direct or indirect disposition of Capital Stock of any Person, property or assets, imposing restrictions with respect to such Person, Capital Stock, property or assets pending the closing of such disposition;

(j) (i) any agreement that restricts in a customary manner the assignment or transfer thereof, or the subletting, assignment or transfer of any property or asset subject thereto, (ii) any restriction by virtue of any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Parent Borrower or any Subsidiary not otherwise prohibited by this Agreement, (iii) mortgages, pledges or other security agreements to the extent restricting the transfer of the property or assets subject thereto, (iv) any reciprocal easement agreements containing customary provisions restricting dispositions of real property interests, (v) agreements with customers or suppliers entered into in the ordinary course of business that impose restrictions with respect to cash or other deposits or net worth, (vi) customary provisions contained in agreements and instruments entered into in the ordinary course of business (including but not limited to leases and joint venture and other similar agreements entered into in the ordinary course of business) or (vii) restrictions that arise or are agreed to in the ordinary course of business and do not detract from the value of property or assets of the Parent Borrower or any Subsidiary in any manner material to the Parent Borrower or such Subsidiary; and

(k) any agreement evidencing any replacement, renewal, extension or refinancing of any of the foregoing (or of any agreement described in this clause (k)); provided that such agreement contains restrictions and conditions not materially more restrictive (taken as a whole) than the restrictions and conditions contained in the agreement so replaced, renewed, extended or refinanced.

7.7 Changes in Fiscal Periods. The Parent Borrower will not permit its fiscal year to be other than (a) a 52/53 week year ending on or about December 31 or (b) a calendar year or change its method of determining fiscal quarters; provided that such changes may be made if the Parent Borrower provides prior notice to the Administrative Agent of any such change and provides all necessary reconciliations required to enable the Administrative Agent to determine compliance with Section 7.1.

7.8 Environmental Activity. The Parent Borrower will not, and will not permit any of its Subsidiaries to (i) carry on any Environmental Activity, or (ii) cause or permit any Hazardous Materials to be stored in or to be present in any form in or under the properties of the Parent Borrower or of any Subsidiary, in either case under circumstances which would reasonably be expected to have a Material Adverse Effect.

7.9 Transactions with Affiliates. The Parent Borrower will not, and will not permit any of its Subsidiaries to, enter into any transaction or group of related transactions having an expected valuation that is material to the Parent Borrower and its Subsidiaries, taken as a whole (including any purchase, sale, lease or exchange of property, the rendering of any service or the payment of any management, advisory or similar fees) with any Affiliate (other than the other Borrowers or any Subsidiary) unless such transaction is (a) otherwise permitted under this Agreement and (b) either (x) in the ordinary course of business of the relevant Global Group Member or (y) upon fair and reasonable terms and no less favorable to the relevant Global Group Member than it would obtain in a comparable arms' length transaction with a Person that is not an Affiliate. Notwithstanding the foregoing, the Parent Borrower and its Subsidiaries may (i) indemnify directors of the Parent Borrower and the Subsidiaries in accordance with customary practice, (ii) issue securities, or make other payments, awards or grants in cash, securities or otherwise pursuant to employment arrangements, stock options and stock ownership plans approved by the Board of Directors of the Parent Borrower, (iii) make loans or advances to employees of the Parent Borrower or any of the Subsidiaries, (iv) pay fees and indemnities to directors, officers and employees of the Parent Borrower and the Subsidiaries in the ordinary course of business, (v) enter into transactions pursuant to permitted agreements in existence on the Closing Date and set forth on Schedule 7.9 or any amendment thereto to the extent such amendment is not materially adverse to the Lenders, (vi) enter into employment agreements or other arrangements in the ordinary course of business, (vii) declare or pay any dividend on, or make any payment on account of, or set apart assets for a sinking or other analogous fund for, the purchase, redemption, defeasance, retirement or other acquisition of, any Capital Stock of any Global Group Member, whether now or hereafter outstanding, or make any other distribution in respect thereof, either directly or indirectly, whether in cash or property or in obligations of any Global Group Member, (viii) enter into transactions with Subsidiaries for the purchase or sale of goods, products, parts and services and entered into in the ordinary course of business in a manner consistent with past practice, (ix) enter into transactions with joint ventures for the purchase or sale of equipment or services entered into in the ordinary course of business and in a manner consistent with past practice, and (x) make payments pursuant to tax sharing agreements among the Parent Borrower and the Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Parent Borrower and the Subsidiaries.

SECTION 8. EVENTS OF DEFAULT

If any of the following events ("Events of Default") shall occur:

(a) a Borrower shall fail to pay any principal of any Loan or any Reimbursement Obligation when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;

(b) a Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under this Agreement, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;

(c) any representation or warranty made or deemed made by or on behalf of a Borrower or any Subsidiary in this Agreement or any amendment or modification hereof, or in any certificate or financial statement furnished by any Borrower pursuant to this Agreement or any amendment or modification hereof, shall prove to have been incorrect in any material respect when made or deemed made and, if such incorrectness is capable of being remedied or cured, such incorrectness shall not be remedied or cured by such Borrower or (as the case may be) such Subsidiary within ten (10) Business Days after the earlier to occur of (i) the date on which such Borrower or (as the case may be) such Subsidiary shall obtain actual knowledge thereof, or (ii) the date on which such Borrower shall receive written notice thereof from the Administrative Agent;

(d) the Parent Borrower shall fail to observe or perform any covenant, condition or agreement contained in Section 6.2(a) or Section 6.3 (with respect to a Borrower's existence only) or in Section 6.8(b);

(e) a Borrower shall fail to observe or perform any covenant, condition or agreement contained in this Agreement (other than those specified in clause (a), (b) or (d) of this Section), and such failure shall continue unremedied for a period of 30 days after notice thereof from the Administrative Agent (given at the request of any Lender) to the Parent Borrower;

(f) the Parent Borrower or any Material Subsidiary shall fail to make any payment at maturity or, in the event a grace period is provided, within any such applicable period of grace, of principal or interest, regardless of amount, in respect of any Material Indebtedness, when and as the same shall become due and payable;

(g) any event or condition occurs that (A) results in any Material Indebtedness becoming due prior to its scheduled maturity or (B) enables or permits the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf (without further notice or the expiration of any cure period) to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided, that this clause (g) shall not apply to secured Indebtedness that becomes due and is repaid in full as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;

(h) a Borrower or any other Material Subsidiary shall (i) institute proceedings for relief in any bankruptcy, insolvency, debt restructuring, reorganization, readjustment of debt, dissolution, liquidation, winding-up or other similar proceedings (including proceedings under Insolvency Laws, the incorporating statute of the relevant corporation or other similar legislation), including proceedings for the appointment of a trustee, interim receiver, receiver, receiver and manager, administrative receiver, custodian, liquidator, provisional liquidator, administrator, sequestrator or other like official with respect to the relevant corporation or all or any material part of its property or assets; (ii) make a general assignment for the benefit of creditors; (iii) be unable or shall admit in writing its inability to pay its debts as they become due or otherwise shall acknowledge its insolvency or commits any other act of bankruptcy or is declared to be or has become insolvent or bankrupt under any applicable Insolvency Laws; (iv) voluntarily suspend the conduct of its business or operations (unless, with respect to any Material Subsidiary (other than the Subsidiary Borrower or the Canadian Borrower), the Board of Directors of the Parent Borrower shall have determined that continued conduct of such business and operations is not necessary for the proper conduct of the business of the Parent Borrower and its Subsidiaries taken as a whole); or (v) acquiesces to, or takes any action in furtherance of, any of the foregoing;

(i) any third party in respect of a Borrower or any other Material Subsidiary shall (i) make any application under the *Companies' Creditors Arrangement Act* (Canada) or similar legislation; (ii) file a proposal or notice of intention to file a proposal under the *Bankruptcy and Insolvency Act* (Canada) or similar legislation; (iii) institute a winding-up proceeding under the *Winding-up and Restructuring Act* (Canada), any relevant incorporating statute or any similar legislation; (iv) present a petition in bankruptcy under the *Bankruptcy and Insolvency Act* (Canada) or any similar legislation; or (v) file, institute or commence any other petition, proceeding or case under any other Insolvency Laws, reorganization, incorporation, readjustment of debt, dissolution, liquidation, winding-up or similar law now or hereafter in effect, seeking bankruptcy, liquidation, reorganization, dissolution, winding-up, composition or readjustment of debt of any of them, the appointment of a trustee, interim receiver,

receiver, receiver and manager, administrative receiver, custodian, liquidator, provisional liquidator, administrator, sequestrator or other like official for any of them, or any material part of their respective assets or any similar relief; and, in any such case, if the application, filing, proceeding, petition or case is not contested by *bona fide* action on the part of the applicable corporation and is not dismissed, stayed or withdrawn within 90 days of commencement thereof;

(j) any secured creditor, encumbrancer or lienor, or any trustee, interim receiver, receiver, receiver and manager, administrative receiver, agent, bailiff or other similar official appointed by any secured creditor, encumbrancer or lienor, takes possession of, forecloses, seizes, retains, sells or otherwise disposes of, or otherwise proceeds to enforce security over, all or a substantial part of the assets of the Parent Borrower and its Subsidiaries, taken as a whole, unless (i) such action is being actively and diligently contested in good faith by the Parent Borrower or such Subsidiary and (ii) such action is stayed, released, dismissed or reversed within 90 days of the commencement thereof;

(k) one or more judgments for the payment of money in an aggregate amount in excess of US\$80,000,000 shall be rendered against any Borrower or any Material Subsidiary in respect of whose financial obligations relating to such judgments any Borrower or any Material Subsidiary has, by contract or otherwise, any liability, individually or in the aggregate, in excess of US\$80,000,000, direct or indirect, absolute or contingent, or any combination thereof and the same shall remain undischarged, unsatisfied and not covered by insurance for a period of 60 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by the judgment creditor to attach or levy upon any material assets of the Parent Borrower or any Material Subsidiary to enforce any such judgment or judgments in an aggregate amount in excess of US\$80,000,000;

(l) (i) any Person shall engage in any "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975 of the Code) involving any Plan, (ii) any "accumulated funding deficiency" or failure to satisfy the "minimum funding standards" (each as defined in Section 302 of ERISA or Section 412 of the Code), whether or not waived, shall exist with respect to any Plan or any Lien in favor of the PBGC or a Plan shall arise on the assets of the Parent Borrower or any Commonly Controlled Entity, (iii) a Reportable Event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Single Employer Plan, which Reportable Event or commencement of proceedings or appointment of a trustee is reasonably likely to result in the termination of such Plan for purposes of Title IV of ERISA (other than pursuant to a standard termination pursuant to Section 4041(h) of ERISA), (iv) any Single Employer Plan shall terminate for purposes of Title IV of ERISA, (v) the Parent Borrower or any Commonly Controlled Entity shall, or is reasonably likely to, incur any liability in connection with a withdrawal from a Plan or Multiemployer Plan, or the Insolvency or Reorganization of, a Multiemployer Plan or (vi) any other event or condition shall occur or exist with respect to a Plan; and in each case in clauses (i) through (vi) above, such event or condition, together with all other such events or conditions, if any, would reasonably be expected to have a Material Adverse Effect; or

(m) any of the US Guarantee Agreement or the Foreign Guarantee Agreement shall cease, for any reason (other than by reason of the express release thereof pursuant to the provisions of the US Guarantee Agreement or the Foreign Guarantee Agreement, as the case may be), to be in full force and effect in any material respect, or any Loan Party shall so assert in writing; provided that there shall be no Event of Default under this clause (m) to the extent such Event of Default arises from (A) the resignation of the Administrative Agent or (B) the negligence or willful misconduct of the Administrative Agent following a reasonable request from the Parent Borrower to execute any document or take any other action relating to the US Guarantee Agreement or the Foreign Guarantee Agreement, as the case may be;

then, upon the occurrence of any such event (other than an event with respect to a Borrower described in clause (h) or (i) of this Section), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrowers, take either or both of the following actions, at the same or different times: (i) terminate the Revolving Commitments, and thereupon the Revolving Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrowers accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Borrower; and in case of any event with respect to a Borrower described in clause (h) or (i) of this Section, the Revolving Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrowers accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Borrower.

With respect to all Bankers' Acceptances which have not matured and L/C Obligations which are outstanding at the time the Administrative Agent takes any action pursuant to the paragraph above, or in case of any event with respect to a Borrower described in clause (h) or (i) of this Section, the relevant Borrower shall, at such time, (i) with respect to outstanding Bankers' Acceptances which have not matured, pay to the Administrative Agent in full and absolute satisfaction of such Obligations an amount of cash equal to the aggregate undiscounted face amount of all such unmatured Bankers' Acceptances and, upon such payment being made, the relevant Borrower shall have no further liability in respect of such Bankers' Acceptances (except to the extent that any such payment is rescinded or reclaimed by operation of law or otherwise) and the Tranche 1 Revolving Lenders shall be entitled to all benefits of, and will make and otherwise be responsible for all payments due to the redeeming holder or any third parties under, such Bankers' Acceptances, and (ii) with respect to outstanding L/C Obligations, deposit in a non-interest bearing account opened by the Administrative Agent, an amount of cash equal to such outstanding L/C Obligations, which amount held in such account shall be held as collateral security for such Borrower's Obligations with respect to the related Letters of Credit, and any remaining amounts in such account, after satisfaction of all Obligations in respect of such L/C Obligations, shall be returned to such Borrower. Each Borrower shall execute such security documents with respect to amounts so held in respect of such L/C Obligations as the Administrative Agent shall reasonably require.

SECTION 9. THE AGENTS

9.1 Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as, to the extent appropriate, the agent of such Lender under this Agreement and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent.

9.2 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

9.3 Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable to any of the Lenders for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement (except to the extent that any of the foregoing result from its or such Person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Borrower or any officer thereof contained in this Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or for any failure of any Borrower to perform its obligations hereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement, or to inspect the properties, books or records of the Borrowers.

9.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, e-mail message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrowers), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent in the relevant Register. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all of the Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all of the Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

9.5 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs the Parent Borrower or any of its Subsidiaries, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrowers and their affiliates and made its own decision to make its Loans

hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrowers and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Borrowers that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or affiliates.

9.7 Indemnification. The Lenders severally agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section 9.7, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Revolving Commitments, the Loans, this Agreement, or any documents contemplated by or referred to herein or the transactions contemplated hereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that result from such Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

9.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Parent Borrower or any of its Subsidiaries as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9 Successor Administrative Agent. The Administrative Agent may resign as the Administrative Agent upon 10 days' notice to the Lenders and the Borrowers. If (i) the Administrative Agent shall resign as the Administrative Agent under this Agreement, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(h) or 8(i) with respect to a Borrower shall have occurred and be continuing) be subject to approval by the Parent Borrower (which approvals shall not be unreasonably withheld or delayed) or (ii) if no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, such retiring Administrative Agent may, on behalf of the Lenders, appoint a successor agent, which successor agent shall (unless an Event of Default under Section 8(h) or 8(i) with respect to a Borrower shall have occurred and be continuing) be subject to approval by the Parent Borrower (which approval shall not be unreasonably withheld or delayed); then, in either case, the successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. After any retiring Administrative Agent's resignation as Administrative Agent becomes effective the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement.

9.10 Co-Documentation Agents and Syndication Agents. Neither the Co-Documentation Agents nor the Syndication Agents shall have any duties or responsibilities hereunder in their capacities as such.

SECTION 10. MISCELLANEOUS

10.1 Amendments and Waivers.

(a) This Agreement and the terms hereof may not be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and the Borrowers may, or, with the written consent of the Required Lenders, the Borrowers and the Administrative Agent may, from time to time, (a) enter into written amendments, supplements or modifications hereto for the purpose of adding any provisions to this Agreement or changing in any manner the rights of the Lenders hereunder or (b) waive, on such terms and conditions as may be specified in such instrument, any of the requirements of this Agreement or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the scheduled date of maturity of any Loan, reduce the stated rate of any interest or fee payable hereunder (except in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders)) or extend the date of any scheduled payment thereof, or increase the amount or extend the expiration date of any Lender's Revolving Commitment, in each case without the written consent of each Lender directly and adversely affected thereby; (ii) eliminate or reduce the voting rights of any Lender under this Section 10.1 without the written consent of such Lender; (iii) reduce any percentage specified in the definition of Required Lenders (or, subject to the last sentence of this Section 10.1(a), the Lenders of any Class), consent to the assignment or transfer by a Borrower of any of its rights and obligations under this Agreement or the other Loan Documents (except as contemplated by Section 7.3), release (x) any Borrower from its guarantee obligations under the US Guarantee Agreement or the Foreign Guarantee Agreement, as the case may be, or (y) all or substantially all of Subsidiary Guarantors from their obligations under the US Guarantee Agreement or the Foreign Guarantee Agreement, as the case may be, in each case without the written consent of each Lender of such Class, as applicable; (iv) amend, modify or waive any provision of Section 9 without the written consent of the Administrative Agent; (v) amend, modify or waive any provision of Section 2.5 or 2.6 without the written consent of each then Swingline Lender; (vi) amend, modify or waive any provision of Section 2.21 without the written consent of each then Issuing Lender and Swingline Lender; or (vii) amend, modify or waive any relevant provision of Section 2.24(c) without the written consent of each then Issuing Lender. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Borrowers, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Borrowers, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. Notwithstanding the foregoing, any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Revolving Commitments of a particular Class (but not the Lenders holding Loans or Revolving Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrowers and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.1 if such Class of Lenders were the only Class of Lenders hereunder at the time.

(b) In connection with any proposed amendment, supplement, modification, waiver or termination (including any request pursuant to Section 2.1(c)) (a "Proposed Change") requiring the consent of all Lenders or all affected Lenders, if the consent of the holders of more than 50% of the sum of the aggregate unpaid principal amount of the Total Revolving Commitments then in effect or, if the Revolving Commitments have been terminated, the Total Revolving Extensions of Credit then outstanding to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (including any Lender that has elected not to extend its Revolving Commitment in response to a request pursuant to Section 2.1(c)) (any such Lender whose consent is not obtained as described in this Section 10.1(b) being referred to as a "Non-Consenting Lender"), then, so long as the Lender that is acting as the Administrative Agent is not a Non-Consenting Lender, at any Borrower's request, any assignee that is reasonably acceptable to the Administrative Agent (and that is not a Non-Consenting Lender) shall have the right, with the prior consent of the Administrative Agent and each Issuing Bank (which consent (x) shall not be unreasonably withheld or delayed and (y) in the case of any consent required by any Issuing Bank, shall be deemed to have been given in the event that such Issuing Bank fails to respond in writing to a request for consent within two Business Days of receipt thereof), to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon such Borrower's request, sell and assign to such assignee, at no expense to such Non-Consenting Lender (including with respect to any processing and recordation fees that may be applicable pursuant to Section 10.6(e), which shall be paid by the assignee or the Parent Borrower), all the Revolving Commitments and Aggregate Exposure of such Non-Consenting Lender for an amount equal to the principal balance of all Revolving Loans (and funded participations in Swingline Loans and unreimbursed L/C Obligations) held by such Non-Consenting Lender and all accrued interest, fees and other amounts with respect thereto through the date of sale (including amounts under Sections 2.16, 2.17, 2.18 and 2.19), such purchase and sale to be consummated pursuant to an executed Assignment and Assumption in accordance with Section 10.6(c) (which Assignment and Assumption need not be signed by such Non-Consenting Lender).

(c) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder (including the refinancing thereof) and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Extensions of Credit and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

10.2 Notices. All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy and, subject to the last proviso at the end of this Section 10.2, by electronic transmission), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered, or five Business Days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when confirmation of receipt has been received, if received prior to 3:00 P.M., on the same Business Day and otherwise, on the next following Business Day, addressed as follows in the case of the Borrowers and the Administrative Agent, and as set forth in an administrative questionnaire delivered to the Administrative Agent in the case of the Lenders, or to such other address as may be hereafter notified by the respective parties hereto:

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders shall not be effective until received; provided, further that notices, requests or demands to or upon the Lenders may be effected by electronic transmission, including, in the case of the Administrative Agent, by posting to the IntraLinks website (including customary e-mail notification of such posting) or otherwise.

10.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4 Survival of Representations and Warranties. All representations and warranties made hereunder, and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5 Payment of Expenses. The Borrowers agree (a) to pay or reimburse the Administrative Agent and each of its Affiliates for all their respective reasonable documented out-of-pocket costs and expenses incurred in connection with the syndication of the Revolving Commitments, the development, preparation, execution, delivery and administration of this Agreement and any other Loan Documents prepared in connection herewith (and any amendment, supplement or modification thereto and any other Loan Documents prepared in connection therewith), and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of one primary counsel to the Administrative Agent and each of its Affiliates, which counsel shall act on behalf of all Lenders (and if necessary or, in the reasonable judgment of the Administrative Agent, advisable, one local counsel in each relevant jurisdiction (which, for the avoidance of doubt, may include Canada or the jurisdiction of any Additional Borrower)), with statements with respect to the foregoing to be submitted to the Borrowers prior to the Closing Date (in the case of amounts to be paid on the Closing Date) and from time to time thereafter on a quarterly basis or such other periodic basis as the Administrative Agent shall deem appropriate, (b) to pay or reimburse each Lender, the Administrative Agent and each of its Affiliates for all of their respective reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement and any such other Loan Documents, including the reasonable fees, disbursements and other charges of one primary counsel to the Administrative Agent and each of its Affiliates, which counsel shall act on behalf of all Lenders (and if necessary or, in the reasonable judgment of the Administrative Agent, advisable, one local counsel in each relevant jurisdiction (which, for the avoidance of doubt, may include Canada or the jurisdiction of any Additional Borrower)) (unless there is an actual conflict of interest in which case each such party with such conflict shall be entitled to retain separate outside counsel and local counsel in each appropriate jurisdiction), and (c) to pay, indemnify, and hold each Lender and the Administrative Agent and their respective officers, directors, employees, affiliates, agents and advisors (each, an "Indemnitee") harmless from and against any and all other liabilities, obligations, losses, claims, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery,

enforcement, performance by a Borrower and administration of this Agreement and any such other Loan Documents, including any of the foregoing relating to the use of proceeds of the Loans and the reasonable fees and expenses of legal counsel in connection with claims, actions or proceedings by any Indemnitee against a Borrower or any of its Subsidiaries (all the foregoing in this clause (c), collectively, the "Indemnified Liabilities"), provided, that no Borrower shall have any obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities (i) are found by a final and nonappealable decision of a court of competent jurisdiction (or a settlement tantamount thereto) to have resulted from the gross negligence or willful misconduct of, or material breach of this Agreement of or by, the Administrative Agent or such Lender, as the case may be (or any of their respective officers, directors, employees, affiliates, agents and advisors), (ii) are incurred by a Lender and result from a sale by such Lender of its Loan for a price less than par or the price paid by such Lender to purchase such Loan or (iii) result from claims made or legal proceedings commenced against the Administrative Agent or any of its Affiliates or any Lender or any of its Affiliates by any security holder or creditor thereof arising out of and based upon rights afforded any such security holder or creditor solely in its capacity as such. No Indemnitee shall be liable for (x) any damages arising from the use by unauthorized persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such persons, provided that such unauthorized persons' use did not arise from the gross negligence or willful misconduct of such Indemnitee and (y) any special, indirect, consequential or punitive damages in connection with this Agreement or any other Loan Document. Notwithstanding the foregoing, a Borrower shall not have any obligation under this Section 10.5 to any Person with respect to any Tax imposed, levied, collected, withheld or assessed by any Governmental Authority. Statements payable by a Borrower pursuant to this Section 10.5 shall be submitted to Nick Willis, Assistant Treasurer (Telephone No.: 514 848 5555 x 85011; E-mail: nick.willis@domtar.com), at the address of the Parent Borrower set forth in Section 10.2, or to such other Person or address as may be hereafter designated by such Borrower in a written notice to the Administrative Agent. The agreements in this Section 10.5 shall survive repayment of the Loans and all other amounts payable hereunder.

10.6 Successors and Assigns; Participations and Assignments.

(a) This Agreement shall be binding upon and inure to the benefit of the Borrowers, the Lenders, the Administrative Agent, all future holders of the Loans and their respective successors and assigns, except that no Borrower may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of each Lender (except for any assignment by the Subsidiary Borrower or the Canadian Borrower as permitted by Section 7.3) and Lenders may sell participations in or assign all or any part of their rights and obligations in respect of Loans only as provided in paragraphs (b) and (c) below, respectively, or pursuant to Section 2.23.

(b) Any Lender other than any Conduit Lender may, without the consent of the Borrowers, in accordance with applicable law, at any time sell to one or more Eligible Assignees (each, a "Participant") participating interests in any Loan owing to such Lender, any Revolving Commitment of such Lender or any other interest of such Lender hereunder. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement, and the Borrowers and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of this Agreement, or any consent to any departure by any Borrower therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or interest on, the Loans or any fees payable hereunder, or postpone the date of the final maturity of the Loans, in each

case to the extent subject to such participation. Each Borrower agrees that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, neither such Participant, on the one hand, nor the Borrowers nor the Administrative Agent, on the other hand, shall have any rights against or obligations to one another, nor shall any of them be required to deal directly with one another in respect of, the participation of such Participant. Each Borrower also agrees that each Participant shall be entitled to the benefits of Sections 2.17, 2.18 and 2.19 (and subject to the requirements and limitations therein, including the requirements under Section 2.18(f) (it being understood that the documentation required under Section 2.18(f) shall be delivered to the participating Lender)) with respect to its participation in the Revolving Commitments and the Loans outstanding from time to time as if it was a Lender; provided that, in the case of Section 2.18, such Participant shall have complied with the requirements of said Section as if it were a Lender and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred. For the avoidance of doubt, no Loan Party shall be required to pay any greater amount pursuant to Section 2.18 as a result of the transfer of a participation to a Participant than such Loan Party would have been required to pay absent such transfer. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or, in the case of any Canadian Borrower, to establish that such Participant dealt at arm's length with the Canadian Borrower for purposes of the Income Tax Act (Canada). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(c) Any Lender other than any Conduit Lender (an "Assignor") shall be permitted to assign, in accordance with applicable law, all or a portion of its Loans and Revolving Commitments hereunder to an Eligible Assignee (an "Assignee") with the consent, not to be unreasonably withheld, of (a) the Parent Borrower, unless (i) the Assignee is a Lender or a Lender Affiliate or (ii) an Event of Default under Section 8(a) or 8(b), or 8(h) or 8(i) (with respect to a Borrower), has occurred and is continuing; provided that such consent shall be deemed given if the Parent Borrower has not responded within 15 days of a written request from the Administrative Agent for such consent, (b) the Administrative Agent, and (c) each Issuing Lender pursuant to an Assignment and Assumption, executed by such Assignee, such Assignor and any other Person whose consent is required pursuant to this paragraph, and delivered to the Administrative Agent for its acceptance and recording in the relevant Register (it being understood and agreed that such Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Parent Borrower and its Affiliates and their related parties or their respective securities) will be made available and who may receive such information in accordance with the

assignee's compliance procedures and applicable laws, including Federal and state securities laws); provided that, notwithstanding anything to the contrary in this Agreement or any of the Loan Documents, no Lender shall be entitled, without the consent of the Parent Borrower, to make an assignment under this Section 10.6(c) if such assignment would increase the cost under this Agreement to any Borrower, including without limitation under Section 2.17 or 2.18, as of the date of such assignment or if, as of the date of such assignment, such assignment would increase the cost under this Agreement to any Borrower in the foreseeable future. Upon such execution, delivery, acceptance and recording in the Register pursuant to Section 10.6(d), from and after the effective date determined pursuant to such Assignment and Assumption, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Assumption, have the rights and obligations of a Lender hereunder with a Revolving Commitment and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto). Notwithstanding the foregoing, any Conduit Lender may assign at any time to its designating Lender hereunder without the consent of any Borrower or the Administrative Agent any or all of the Loans it may have funded hereunder and pursuant to its designation agreement and without regard to the limitations set forth in the first sentence of this Section 10.6(c).

(d) The Administrative Agent shall, on behalf of the Borrowers, maintain at its address referred to in Section 10.2 a copy of each Assignment and Assumption delivered to it and a register (each, a "Register") for the recordation of the names and addresses of the Lenders and the Revolving Commitment of, and the principal amount (and stated interest) of the Loans owing to, each Lender from time to time. The entries in each Register shall constitute *prima facie* evidence of the same, in the absence of manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in each Register as the owner of the Loans and any Notes evidencing the Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the relevant Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the relevant Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Assumption, and thereupon one or more new Notes may be issued to the designated Assignee, if requested by such Assignee.

(e) Except in the case of an assignment to a Lender, a Lender Affiliate or a Conduit Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitments or Loans within any Class, the amount of the Revolving Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) in the case of an assignment of Revolving Commitments, US\$5,000,000 or (y) in the case of an assignment of Loans, US \$5,000,000, C\$5,000,000 or €5,000,000, as applicable, in each case unless the Parent Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Parent Borrower shall be required if an Event of Default under Section 8(a) or 8(b), or Section 8(h) or 8(i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Lender Affiliates or Conduit Lenders, if any.

(f) Upon its receipt of an Assignment and Assumption in conformity with Section 10.6(c), executed by an Assignor, an Assignee and any other Person whose consent is required by Section 10.6(c), together with payment to the Administrative Agent of a registration and processing fee of US\$3,500, the Administrative Agent shall (i) promptly accept such Assignment and Assumption and (ii) record the information contained therein in the relevant Register on the effective date determined pursuant thereto.

(g) For avoidance of doubt the parties to this Agreement acknowledge that the provisions of this Section 10.6 concerning assignments relate only to absolute assignments and that such provisions do not prohibit the granting of security, including any pledge or assignment by a Lender to any Federal Reserve Bank in accordance with applicable law; provided that the foreclosure on any such pledged Loan shall be subject to the provisions regarding restrictions on assignments contained in this Section 10.6.

(h) Each Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (g) above.

(i) Each Borrower, each Lender and the Administrative Agent each hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

10.7 Set off. In addition to any rights and remedies of the Lenders provided by law, each Lender shall, after the occurrence of an Event of Default which is continuing, have the right, without prior notice to any Borrower, any such notice being expressly waived by each Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by any Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch, agency or Lender Affiliate thereof to or for the credit or the account of such Borrower. Each Lender agrees promptly to notify the Borrowers and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with each Borrower and the Administrative Agent.

10.9 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10 Integration. This Agreement represents the entire agreement of the Borrowers, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein.

10.11 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

10.12 Submission to Jurisdiction; Appointment of Process Agent; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, (i) in the case of the Canadian Borrower or any Additional Borrower organized in a jurisdiction other than the United States, the address of the Subsidiary Borrower set forth in Section 10.2 with a copy to the Canadian Borrower's address set forth in Section 10.2 or the address of such Additional Borrower included in the documentation submitted pursuant to Section 2.24(a) or (ii) in the case of each other party, to its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto; and

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

10.13 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert any amount owing or payable to the Administrative Agent or the Lenders under this Agreement from the currency in which it is due (the "Agreed Currency") into a particular currency (the "Judgment Currency"), the rate of exchange applied in that conversion shall be that at which the Administrative Agent, in accordance with its normal procedures, could purchase the Agreed Currency with the Judgment Currency at or about noon on the Business Day immediately preceding the date on which judgment is given. The obligation of each Borrower in respect of any amount owing or payable under this Agreement to the Administrative Agent or the Lenders in the Agreed Currency shall, notwithstanding any judgment and payment in the Judgment Currency, be satisfied only to the extent that the Administrative Agent, in accordance with its normal procedures, could purchase the Agreed Currency with the amount of the Judgment Currency so paid at or about noon on the next Business Day following that payment; and if the amount of the Agreed Currency which the Administrative Agent could so purchase is less than the amount originally due in the Agreed Currency, such Borrower shall, as a separate obligation and notwithstanding the judgment or payment, indemnify the Administrative Agent and the Lenders against any loss.

10.14 Risks of Superior Force. Each Borrower expressly assumes all risks of superior force, such that it shall be bound to timely execute each and every of its obligations under this Agreement notwithstanding the existence or occurrence of any event or circumstance constituting a superior force within the meaning of article 1693 of the Civil Code of Québec.

10.15 Language. The parties hereto agree that this Agreement, the other Loan Documents and all agreements and documents entered into in connection herewith or pursuant hereto shall be drawn up in English only. *Les parties confirment qu'elles ont convenu que ce document ainsi que tous les autres documents ou contrats s'y rattachant soient rédigés en anglais seulement.*

10.16 Acknowledgements. Each Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement;

10.17 Confidentiality. The Administrative Agent and the Lenders shall hold all non-public information obtained pursuant to or in connection with this Agreement or obtained by them based on a review of the books and records of the Parent Borrower or any of its Subsidiaries in accordance with their customary procedures for handling confidential information of this nature, but may make disclosure to any of their examiners, regulators (including the Office of the Superintendent of Financial Institutions and any self regulatory authorities), Affiliates, outside auditors, counsel and other professional advisors in connection with this Agreement or as reasonably required by any potential *bona fide* Participant or Assignee, or in connection with the exercise of remedies under a Loan Document, or as requested by any Governmental Authority or pursuant to legal process or to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender; provided, however, that (1) unless specifically prohibited by Requirement of Law or court order, the Administrative Agent and each Lender shall promptly notify the Parent Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with an examination of the Administrative Agent or Lender by such Governmental Authority) for disclosure of any such non-public information, where practicable, prior to disclosure of such information; (2) prior to any such disclosure pursuant to this Section 10.17, the Administrative Agent or Lender, as the case may be, shall require any *bona fide* Participant and Assignee receiving a disclosure of non-public information to agree in writing (a) to be bound in a manner similar to the Administrative Agent and the Lenders under this Section 10.17; and (b) to require such Person to require any other Person to whom such Person discloses such non-public information to be similarly bound; (3) disclosure may, with the consent of the Administrative Agent and the Parent Borrower, be made by any Lender to any direct or indirect contractual counter parties of such Lender in Hedge Agreements or such contractual counter parties' professional advisors; provided that such contractual counter party or professional advisor agrees in writing to keep such information confidential to the same extent required of the Lenders hereunder; and (4) except as may be required by an order of a court of competent jurisdiction and to the extent set forth therein, no Lender shall be obligated or required to return any materials furnished by the Parent Borrower or any Subsidiary.

W I T N E S S E T H

WHEREAS, pursuant to the Credit Agreement, the Borrowers will obtain a revolving loan facility under which the Borrowers shall obtain commitments from the Lenders in respect of revolving credit loans in an amount of up to US\$600,000,000;

WHEREAS, in order to allocate the Loans and certain other Obligations among the Lenders in the Credit Agreement, the Lenders have agreed to enter into this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual agreements contained herein, the Lenders and the Administrative Agent agree as follows:

I. DEFINITIONS

1.1(a) Unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement.

(b) The following terms shall have the following meanings:

"CAM Exchange": the exchange of the Lenders' interests provided for in Section 2 hereto.

"CAM Exchange Date": the date on which (i) any event referred to in subsections 8(h) or (i) of the Credit Agreement shall occur with respect to any Borrower, any Material Subsidiary or any other Subsidiary or (ii) an acceleration of the maturity of the Loans pursuant to Section 8 of the Credit Agreement shall occur.

"CAM Percentage": as to each Lender, a fraction, expressed as a decimal, of which (i) the numerator shall be (without duplication) the aggregate amount of the Obligations owed to such Lender and such Lender's participation in the aggregate L/C Obligations as of the CAM Exchange Date and before giving effect to the CAM Exchange and (ii) the denominator shall be (without duplication) the aggregate amount of the Obligations owed to all Lenders and the aggregate L/C Obligations as of the CAM Exchange Date and before giving effect to the CAM Exchange. The foregoing amounts shall be determined in US Dollars by reference to the US Dollar Equivalent as of the CAM Exchange Date of any such amounts in Canadian Dollars or Euros. As provided in Section 2.16(c) of the Credit Agreement, all Loans and all unreimbursed drawings in Letters of Credit then outstanding and other amounts then due

and payable, in each case in Canadian Dollars or Euros, shall be converted to US Dollars based on the then US Dollar Equivalent thereof and interest thereon shall thereafter be payable at the rate provided for in Section 2.13(g) of the Credit Agreement. Each Lender shall immediately notify the Administrative Agent of any Obligations owing to it as of the CAM Exchange Date that are not in the nature of principal, interest or fees customarily maintained in the records of the Administrative Agent.

"L/C Reserve Account": as defined in Section 2.3.

II. COLLECTION ALLOCATION MECHANISM

2.1 Notwithstanding any other provisions of this Agreement or any Loan Document, on the CAM Exchange Date, (i) to the extent provided for in the Credit Agreement, all Revolving Commitments shall automatically and without further act be terminated and all Loans then outstanding shall automatically become due and payable and (ii) the Lenders shall automatically and without further act be deemed to have exchanged interests in the Revolving Commitments and the extensions of credit made thereunder such that in lieu of the interest of each Lender in the Tranche 1 Revolving Commitments and the extensions of credit made thereunder or the Tranche 2 Revolving Commitments and the extensions of credit made thereunder, as the case may be, in which it shall participate as of such date, such Lender shall hold an interest in every one of the Revolving Commitments and the extensions of credit made thereunder (including each L/C Reserve Account established pursuant to Section 2.3 below), whether or not such Lender shall previously have participated therein, equal to such Lender's CAM Percentage thereof; provided that such CAM Exchange will not affect the aggregate amount of the obligations of the Loan Parties to the Lenders under the Loan Documents. Each Lender hereby consents and agrees to the CAM Exchange and agrees that the CAM Exchange shall be binding upon its successors and assigns and any person that acquires a participation in its interests in any of the Revolving Commitments and the extensions of credit made thereunder.

2.2 As a result of a CAM Exchange, upon and after the CAM Exchange Date, each payment received by the Administrative Agent pursuant to any Loan Document in respect of the Obligations (net of any amounts then owing or reasonably set aside to cover amounts that may become owing to the Administrative Agent by the Loan Parties on account of fees, expenses, indemnities and similar items), and each distribution made by the Administrative Agent pursuant to any Loan Document in respect of the Obligations, shall be distributed to the Lenders pro rata in accordance with their respective CAM Percentages. Any direct payment received by a Lender upon or after the CAM Exchange Date, including by way of setoff, in respect of an Obligation, shall be paid over to the Administrative Agent for distribution to the Lenders in accordance therewith.

2.3 (a) On the CAM Exchange Date, to the extent any Tranche 1 Revolving Lender has not funded its required participation in any outstanding Swingline Loan or unreimbursed drawing under any Letter of Credit, it shall do so, before giving effect to the CAM Exchange, in immediately available funds and in the applicable currency, with interest thereon as provided for in the Credit Agreement.

(b) In the event that on the CAM Exchange Date any Letter of Credit shall be outstanding and undrawn in whole or in part, each Tranche 1 Revolving Lender shall, before giving effect to the CAM Exchange, promptly pay over to the Administrative Agent, in immediately available funds and in the currency that such Letter of Credit is denominated, an amount equal to such Tranche 1 Revolving Lender's Tranche 1 Revolving Percentage (as notified to such Tranche 1 Revolving Lender by the Administrative Agent) of such Letter of Credit's undrawn face amount, together with interest thereon from the CAM Exchange Date to the date on which such amount shall be paid to the Administrative Agent at the rate that would be applicable at the time to a Revolving Loan that is an ABR Loan, Canadian Prime Rate Loan or Foreign Base Rate Loan, as applicable, accruing interest at the ABR Rate, the Canadian Prime Rate or the Foreign Base Rate, as the case may be, in a principal amount equal to such amount. Each such payment shall be made in the currency of the undrawn amount.

(c) The Administrative Agent shall establish a separate account or accounts in the applicable currencies for each Lender (including each Tranche 2 Revolving Lender) (all of such accounts for any Lender, an "L/C Reserve Account") for the amounts received with respect to the undrawn amount of each Letter of Credit outstanding on the CAM Exchange Date. The Administrative Agent shall deposit in each Lender's L/C Reserve Account such Lender's CAM Percentage of the amounts received from the Lenders as provided above. The Administrative Agent shall have sole dominion and control over each L/C Reserve Account, and the amounts deposited in each L/C Reserve Account shall be held in such L/C Reserve Account until withdrawn as provided in Sections 2.4, 2.5, 2.6 and 2.7 below. The Administrative Agent shall maintain records enabling it to determine the amounts paid over to it and deposited in the L/C Reserve Accounts in respect of each Letter of Credit attributable to each Lender's CAM Percentage. The amounts held in each Lender's L/C Reserve Account shall be held as a reserve against the undrawn L/C Obligations, shall be the property of such Lender, shall not constitute Loans to or give rise to any claim of or against any Loan Party and shall not give rise to any obligation on the part of any Borrower to pay interest to such Lender, it being agreed that the reimbursement obligations in respect of Letters of Credit shall arise only at such times as drawings are made thereunder, as provided in Section 3 of the Credit Agreement.

2.4 In the event that after the CAM Exchange Date any drawing shall be made in respect of a Letter of Credit, the Administrative Agent shall, at the request of the Issuing Lender in respect of such Letter of Credit, withdraw from the L/C Reserve Account of each Lender any amounts, up to the amount of such Lender's CAM Percentage of such drawing, deposited in respect of such Letter of Credit and remaining on deposit and deliver such amounts to such Issuing Lender in satisfaction of the reimbursement obligations of the Lenders under Section 3 of the Credit Agreement (but not of any Borrower under Section 3 of the Credit Agreement). In the event any Tranche 1 Revolving Lender shall have defaulted on its obligations to pay over any amount to the Administrative Agent in respect of any Letter of Credit as provided in this Section 2, the Issuing Lender in respect thereof shall, in the event of a drawing thereunder, have a claim against such Tranche 1 Revolving Lender to the same extent as if such Tranche 1 Revolving Lender had defaulted on its obligations under Section 3 of the Credit Agreement, but shall have no claim against any other Lender in respect of such defaulted amount, notwithstanding the exchange of interests in the reimbursement obligations pursuant to Section 2.1 above. Each other Lender shall have a claim against such defaulting Lender for any damages sustained by it as a result of any such default, including, in the event such Letter of Credit shall expire undrawn, such other Lender's CAM Percentage of the defaulted amount and interest thereon as provided for herein.

2.5 In the event that after the CAM Exchange Date any Letter of Credit shall expire undrawn, the Administrative Agent shall withdraw from the L/C Reserve Account of each Lender the amount remaining on deposit therein in respect of such Letter of Credit and distribute such amount to such Lender in the currency of such deposit or, at the option of the Administrative Agent, in US Dollars based upon the then US Dollar Equivalent of such amount.

2.6 With the prior written approval of the Administrative Agent and the Issuing Lender in respect of such Letter of Credit, any Lender may withdraw any amount held in its L/C Reserve Account in respect of the undrawn amount of any Letter of Credit. Any Lender making such a withdrawal shall be unconditionally obligated, in the event there shall subsequently be a drawing under such Letter of Credit, to pay over to the Administrative Agent for the account of such Issuing Lender on demand, its CAM Percentage.

2.7 Pending the withdrawal by any Lender of any amounts from its L/C Reserve Account as contemplated by the above paragraphs, the Administrative Agent will, subject to such rules as the Administrative Agent may prescribe for the avoidance of inconvenience, invest such amounts in Cash Equivalents or other similar obligations in its discretion. Each Lender that has not withdrawn the amounts in its L/C Reserve Account as provided in Section 2.6 above shall have the right, at intervals reasonably specified by the Administrative Agent, to withdraw the earnings on investments so made by the Administrative Agent (including amounts representing interest paid as provided in Section 2.3(b)) with amounts in its L/C Reserve Account and to retain such earnings for its own account.

2.8 The Administrative Agent shall, in its reasonable discretion, make adjustments from time to time in the distributions provided for herein to take fairly into account, as reasonably determined by it, changes in the Obligations owing to any Lender or Lenders after the CAM Exchange Date that are disproportionate to changes affecting other Lenders, as a result of such Lender or Lenders becoming entitled to claims for expenses, indemnities, taxes or similar items or such Lender or Lenders being required to return any payments previously made to them by any Loan Parties or otherwise.

III. MISCELLANEOUS

3.1 This Agreement shall be deemed to be executed and delivered by each Lender and the Administrative Agent as of the Closing Date as provided for in Section 10.19 of the Credit Agreement. Each Assignee shall automatically become a party to this Agreement.

3.2 Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

3.3 This Agreement represents the entire agreement of each of the parties to the Credit Agreement with respect to the subject matter hereof and the provisions of this Agreement shall control, as among the parties hereto, in the event of any conflict between such provisions and the Credit Agreement. The parties hereto acknowledge that the Loan Parties are not parties hereto and are not bound hereby.

3.4 The Administrative Agent shall be entitled to all of the benefits and rights contained in Section 10 of the Credit Agreement as though this Agreement were a part of the Credit Agreement.

3.5 THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

3.6 Each party hereto hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the applicable party to the Credit Agreement at the address specified in Section 10.2 of the Credit Agreement or at such other address of which the Administrative Agent shall have been notified pursuant thereto; and

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

3.7 EACH BORROWER, THE ADMINISTRATIVE AGENT AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.
