

Domtar Announces Husky® Digital

Domtar is pleased to introduce **Husky Digital**, giving customers even more options for their digital print jobs. The always dependable, leading uncoated offset paper is specially engineered to guarantee success across a wide array of digital printing platforms.

Husky Digital is available in 60 lb. and 70 lb. text in 12 x 18 bulk cartons in full pallet increments from Domtar’s strategically-located regional replenishment centers.

Basis Weight	Size	M.Wt	Sheet/Pack	Sheets/Ctn	Ctn/Pallet	SKU
60/24	12x18	27.28	Bulk	1200	32	2172
70/28	12x18	31.83	Bulk	1000	32	2173

Husky Digital papers are guaranteed to run on digital production presses, laser and inkjet printers, copiers and plain paper fax machines within the limitations specified by the equipment manufacturer. Husky Digital is also HP Indigo certified for 5500, 7000 and 7500 presses with a 2 star rating for 280% ink coverage or less. The HP Indigo Substrate Certification Program is a series of tests administered by the Rochester Institute of Technology’s Printing Application Laboratory for performance properties including runnability, ink transferability and blanket compatibility.

Reliable, resourceful and cost-efficient, Husky Digital is a valuable asset to any Print-On-Demand project. You rely on Husky for traditional print jobs – Now get the same dependable quality for digital printing with Husky Digital.
