

Husky[®] Opaque Offset Swatchbook

Run with a sure thing...

Domtar's new Husky Opaque Offset Swatchbook leaves no room for uncertainty about this strong running paper. Filled with detailed stocking information and plain & printed samples, this swatchbook has everything you need at your fingertips. Also included in the swatchbook are EarthChoice[®] Opaque Offset 30% and Domtar Reply Card. Two more reliable paper options that fit your environmental and direct mail needs.

When a job must pull through under any conditions, more printers trust Husky. It guarantees consistent quality, strong opacity and utmost affordability. Choose Husky and run with a sure thing.

For copies of the new Husky Opaque Offset Swatchbook contact SampleXpress at www.domtarsamplexpress.com.
