

### **NEW EarthChoice® Colors & HOTS® Swatchbook**

Featuring both Colors and HOTS in one convenient location, this new swatchbook includes complete stocking information and bright waterfall samples for all products.

EarthChoice Colors is a selection of stylish pastels, whites and creams including Multipurpose, Opaque text & cover, Index, Tag and Vellum Bristol. Multipurpose colors are SFI® Certified Sourcing and contain 30% post-consumer recycled fiber. Opaque text & cover, Index, Tag and Vellum Bristol are FSC® Certified and SFI® Certified Sourcing.

EarthChoice HOTS are intensely bold, bright fluorescent colors that deliver a powerful punch to any printed material. HOTS are FSC® Certified and SFI® Certified Sourcing.

All EarthChoice Colors and HOTS are laser and desktop inkjet guaranteed on cut-size cartons and available in a wide range of colors, weights, finishes and sizes.

Copies of the new EarthChoice Colors and HOTS swatchbook are available from SampleXpress.
