

## Domtar Announces Quality Park as New Official Converter of EarthChoice® Color Envelopes

Domtar is pleased to announce that Quality Park will now offer a full line of EarthChoice Opaque Color Envelopes. This new envelope program will complement and match Domtar's EarthChoice Opaque Colors offering (formerly Domtar Opaque Colors), and includes four envelope sizes and eight colors available in 24 / 60 lb. basis weight with vellum finish.

Quality Park will start accepting EarthChoice Color Envelope orders on July 2, 2012. With inventory at four distribution centers across the country, now it's easier than ever to combine envelope purchases of Domtar's premier Forest Stewardship Council™ (FSC®) certified brands – Cougar®, Lynx® Opaque Ultra, and now EarthChoice Opaque Colors.

Offering includes 32 stock items in eight popular colors:

*(Ivory, Blue, Green, Pink, Cream, Canary, Goldenrod and Gray)*

- #10 envelopes (regular and window 4-1/8" x 9-1/2")
- #9 envelopes (3-7/8" x 8-7/8")
- #6 3/4 envelopes (3-5/8" x 6-3/4")

All envelopes are manufactured with diagonal seams and packaged in user friendly 500 envelopes per box / 2500 per carton.

Contact your Quality Park sales representative or customer service location for information on pricing and sample packs. Customer service can be reached at 1-800-468-9835.
